A Strong Life Co.

There is such a thing as a fire-proof company as well as a fire-proof building and the Confederation Life seems to belong to this class.

The applications received in the Confederation Life Association amounted to \$6,298,858, which exceeds those in 1904 by the large figure of \$1,054,496. The policies issued were for \$6,002,122, which was an increase of \$984,134 over 1904, and of \$1,864,140 over 1903.

Last year the company enjoyed two advantages, the rate of interest earned went up from 4.84 per cent. to 5.07 per cent., and the payments for death claims were reduced from \$360,190 to \$330,696. The insurance in force at the close of 1905 was \$42,500,350, which is six millions more than at the end of 1903. Why not insure in the
