No More Gray Hair

Unless you are 70 or 80! Then keep it! But why look old at 35 or 40? Why have an early old age? **Mull's Vegetable Sicilian Hair Renewer** always restores color to gray hair. Stops falling hair, also. For the whiskers and moustache we make **MULL'S BEARD DYE**. It colors a rich brown or soft black. 15, P. HALL & CO., N. B. ST. N. E.

Victoria Square

Three weeks ago about twenty young people, pupils at Maple Hall School while Miss F. Crosby was teacher, enjoyed a very pleasant afternoon and evening at her home in Unionville. On Saturday evening last they had a second reunion at the home of Mr. Walter Scott. This evening also was exceedingly enjoyable. Oysters were provided by the boys, who with the ladies present, owe their thanks to Mrs. Scott for the excellent manner in which they were cooked, and for the other bountiful provision at the table. The balance of the evening's entertainment was exceedingly profitable, and the former pupils of Miss Crosby proved to her that their education was still progressing. At the table toasts to the number of about twenty-five were ably responded to. The speeches brought afresh to the memories of all present the good old school days at No. 6, with their sports, their misdeeds, with their consequent wounds, their merits, with their consequent rewards, and all the other varied associations of school life. An exciting game of progressive crokinole kept the party engaged for some time, then all sang old school songs or listened to the excellent solos rendered by the guest of the evening. With the near approach of Sunday all prepared for the return home amid expressions of thankfulness to the host and hostess and of good wishes to Miss Crosby for her future happiness and prosperity. Mr. and Mrs. T. Klinck, who are about to leave our midst to reside in Stouffville, were recently banqueted in a right royal manner by Mr. and Mrs. T. Frisby. Over twenty of the neighbors and friends were present to honor the guests of the evening. A number of suitable toasts were proposed and responded to by the gentlemen present, after which music, social chat and games of various kinds were indulged in. All these married folk, like the young of this community, seemed to prefer the "early" hours for adjournment. Mr. Walter Brumwell and her little nephew, of Toronto, are visiting friends in this locality. Mr. George Frisby of Toronto has been visiting relatives in and out of the town. Mr. Geo. Johnston of Sanderson's Corners moved on Monday into the house recently occupied by Mr. R. Nichols, who on the same day shifted his property to the north farm. On Wednesday evening of last week a company of about thirty young people were entertained at the home of Mr. J. Lamau. House-furnishing for future comfort is in order along the line at present. (From Another Correspondent.) Mr. Cecil Klinck of Guelph O. A. C. attended his father's sale last week. A number of young folk attended the oyster supper at Mr. Walter Scott's on Saturday evening. Mr. Louis Stoutenburg of York is spending a few days in our midst. Dr. Cure-all took a holiday on Thursday last. The sale of farm stock, implements, etc., belonging to Mr. Thos. Klinck on Thursday was well attended. Bidding was spirited and good prices were realized. The Misses Lunau entertained a number of their friends on Wednesday evening last. Two bus loads of the young people of the Headford Epworth League visited the League here and entertained us last Tuesday evening. The chair was ably occupied by the president, Mrs. C. Clark. Rev. Mr. Smith gave a short and pointed address on "Methodism in Canada." After the address an interesting programme was rendered. The music was grand and thoroughly enjoyed by all, especially the selection, "Rock of Ages," with gestures. The recitations were instructive, and the dialogue had its moral as well as its humor. The ladies of the home League, assisted by the young nobility, served refreshments. Mr. Ross Klinck moved the visitors a vote of thanks before closing, and judging by the applause, everyone had been right royally entertained.

Maple W. J. Johnson & Sons of Fisherville have purchased the property belonging to Mr. W. Wood and intend to carry on the butchering business. They will move here in May, but in the meantime will be here every Wednesday and Saturday from 8 a. m. till 6 p. m. They purpose keeping a good stock of meats on hand to supply their customers. The house occupied by Mr. Geo. Lawr and family was burned last Friday night with all its contents, including a large sum of money. Mr. and Mrs. Lawr and their daughter, who were sleeping upstairs, barely escaped with their lives, and were badly burned about the face, head and hands. The hired man, who was also upstairs, had to jump from the window to save himself. It is not known how the fire originated. Mr. and Mrs. Bert Jackson entertained a large number of their young friends at their home last Friday evening. Miss L. Rumble and Miss Daisy Saigeon were delegates at the S. S. Convention at Weston last week. The monthly meeting of the Women's Institute will be held on Wednesday, 14th inst., at the home of Mrs. T. Cousins. Mrs. Wm. Grice passed away on Saturday morning after a few days' illness of paralysis. The funeral took place on Monday afternoon. Mr. Grice and family have the sympathy of all in their bereavement.

Mount Pleasant Those who came here from the Northwest to spend the winter are returning home. Mrs. Argue, with her children and her sister, Miss Victoria Argue, left for North Dakota on the 15th ult. Mrs. Evans and child left for Manitoba on the 26th ult. Mr. H. Maish of Richmond Hill, after a flying visit to his grandparents and other relatives here, has returned to his home. Mr. Joseph Fee has purchased the farm owned by the late S. J. Best. The price paid for it was \$3,500—50 acres. Mr. Francis Gardiner is now owner of the farm occupied by Mr. Wm. Brown, who has purchased the property owned by Miss Eliza Morrow and will reside on it. The banquet given by the Liberals of the Province to Sir Wilfrid Laurier, the greatest Canadian statesman of the age, is a token of respect and a proof of the loyalty of the Liberals of Ontario for their leader. His great speech of one hour and thirty minutes reviewed his political career and showed how the Dominion of Canada had prospered under the Liberal Government. This great speech should be printed in pamphlet form and circulated through the Dominion. Had it not been for such men as the late William Lyon McKenzie the Dominion of Canada would be governed by the great Lords and Dukes of England, and we, the "Free Born Sons of Levi," would be their slaves. The names of those great reformers should be revered by future generations for the great privileges we enjoy. Each person can purchase and hold his real estate without begging for a lease from those would-be landlords. We in Canada have no state church, nor can any person seize our property for church rates. We have freedom from ecclesiastical rule. We owe all our freedom to the Reformers of the past age, who purchased them for us not without the shedding of blood. Let us hold fast the glorious privileges so dearly purchased for us. "United we stand, divided we fall."

Sherwood The old Zion Lutheran church of Vaughan township had a good time in the rectory Friday, the 23rd ult. It was donation day. Everybody had a basketful to throw in. The tables were spread and about 100 people took part at the meals, and when they parted left many useful things in the pantry, cellar and barn of the rector. The people enjoyed their time in conversation and mirth, as well as social games, till nearly midnight. The older members of the church forgot that they began to be grey, and felt like the young among themselves. God bless them all, and let all see many such times in happiness and friendship. ONE WHO WAS THERE.

FACTS IN NATURE Not Only Do We Get Inspiration From Nature, But Health as Well. For people who are run-down and nervous, who suffer from indigestion or dyspepsia, headache, biliousness, or torpid liver, coated tongue with bitter taste in the morning and poor appetite, it becomes necessary to turn to some tonic or strengthening which will assist Nature and help them to get on their feet and put the body into its proper condition. It is becoming more and more apparent that Nature's most valuable health-giving agents are to be found in forest plants and roots. Nearly forty years ago, Dr. R. V. Pierce, now consulting physician to the Invalids' Hotel and Surgical Institute, at Buffalo, N. Y., discovered that by scientifically extracting and combining certain medicinal principles from native roots, taken from our American forests, he could produce a medicine which was marvelously efficient in curing cases of blood disorder and liver and stomach trouble as well as many other chronic, or lingering ailments. This concentrated extract of Nature's vitality he named "Golden Medical Discovery." It purifies the blood by putting the stomach and liver into healthy condition, thereby helping the digestion and assimilation of food which feeds the blood. Thereby it cures weak stomach, indigestion, torpid liver, or biliousness, and kindred derangements. If you have coated tongue, with bitter or bad taste in the morning, frequent headaches, feel weak, easily tired, stitches or pain in side, back gives out easily and aches, belching of gas, constipation, or irregular bowels, feel flashes of heat alternating with chilly sensations or kindred symptoms, they point to derangement of your stomach, liver and kidneys, which the "Golden Medical Discovery" will correct more speedily and permanently than any other known agent. Contains no alcohol or habit-forming drugs. All its ingredients printed in plain English on wrapper. The sole motive for substitution is to permit the dealer to make a little more profit. He gains; you lose. Accept no substitute for "Golden Medical Discovery." Constipation causes and aggravates many serious diseases. It is thoroughly cured by Dr. Pierce's Pleasant Pellets. One a laxative; two or three are cathartic.

Winger's Concrete Culvert Tile Price List These tile are made specially for culvert purposes. Being made from the best portland cement and gravel selected or screened to be specially suitable for tile making, and strongly proportioned with cement. They may be said to be practically indestructible (as they set almost as hard as stone itself), and as they cost about the same price as a wood culvert, and will outlast any number of them, it is plainly apparent that there must be an immense saving in the long run in buying an article that does not require to be constantly renewed. PRICES OF TILE 9 inch tile, 30c. per foot, or 75c. each. 12 " " 40c. " " " \$1.00 " 16 " " 60c. " " " \$1.50 " 20 " " 80c.
