MARKHAM TOWNSHIP COUNCIL.

All the members were present at the last regular meeting of the Council of Markham township, held at Unionville on Tuesday of last week.

The following communications were read:—From W. P. Hubbard, President of the Ontario Municipal Association, asking the Council to petition the legislature to relieve from heavy responsibilities imposed by Sec. 606 for the non-repair of highways. From J. S. Robertson, Sec. National Sanitarium Association, asking for a grant for Free Hospital for Consumptives. From Sawyer-Massey Co., explaining that \$8.50 charged, was for a road grader blade and asking for a prompt remittance. From Donald Beaton, Clerk of Pickering Township, enclosing a statement of Pickering's expenditure on townline next to Markham.

On motion Duncan Emsley was re-elected \$1 dog tax, an error.

A grant of \$10 was given the Free Hospital for Consumptives at Gravenhurst.

The account presented by Whitchurch was laid on the table and Mr. Nigh was authorized to inquire into same and report at the next meeting.

The clerk and reeve were authorized on behalf of the council to sign a petition as prepared by the Ontario Municipal Association. Alex. McCowan, M. P. P., was requested to present the petition to the legislature and also to give his support to the same.

The following general accounts were ordered to be paid:—

A number of the ministers of Vaughan Township met at the manse on Monday, March 12th, to talk over the advisability of forming themselves into a Ministerial Association. The following were present: Revs. W. G. Back, C. L. Wisswaesser, Jos. E. Wilson, Malcolm McKenzie and Jas. H. Lemon. Others were unavoidably absent. After some discussion an Association was formed, with Rev. W. G. Back as president and Rev. Jos. E. Wilson, secretary-treasurer. They will meet the second Tuesday of each month to read papers and discuss various topics of interest to them and their work. The Rev. C. L. Wisswaesser gives the first paper at Woodbridge on Tuesday, April 18th. The ministers' wives are invited to attend the various sessions of the Association. A very enjoyable afternoon was spent talking over various matters, after which Mrs. Back served tea. Each minister went home feeling that it was a good way to shake off blue Monday.

On Sunday afternoon the Methodist Sabbath School was addressed by Rev. C. L. Wisswaesser.

Rev. A. Bedford of Aurora preached here on Sunday morning in place of Rev. Jos. E. Wilson, who was preaching in Barrie.

A. B. Davidson, P.S.I., paid his semi-annual visit to the public school and reported everything in a flourishing condition.

Mr. Russel Kirby returned on Saturday from Chicago, where he spent the winter. His cousin, Mr. Leonard Lund, came with him, and they intend leaving for the Northwest shortly.

What we hope will prove "The Entertainment of the season" is expected to be held on Friday evening, March 30th, under the auspices of Maple Missionary Auxiliary and Epworth League, when they hope to secure the celebrated Indian elocutionist, Miss Pauline Johnson, and her colleague, Mr. McRaye, the humorist and entertainer, to provide a unique programme. Look out for further announcements.

WORTH REMEMBERING.

METROPOLITAN STATION

Some people profess to be shocked over the act of a couple of World reporters who a few days ago were found guilty and committed for trial on the charge of stealing the official report of the University Commission for insertion in that paper. But why become excited over the simple act of filching a single sheet of paper which might be termed by some people "journalistic enterprise?" And only last week, in order to embellish one of the pages of a "special edition," the Newmarket Era purloined the Richmond Hill Metropolitan Waiting Room, calling it the Newmarket station, "located opposite the market square." We admit that the stations here and at Newmarket are very much alike, but we defy any artist to place so perfectly Ludford's grocery on the north, Trench's lumber shed in the rear, with the magnificent maple tree and other picturesque scenery in the foreground by merely drawing upon his imagination. However, as the illustrated edition would not be complete without our station, we are pleased to assist a neighboring town out of a difficulty. But it is natural to ask the question—if two World reporters should get thirty days for stealing a Government paper, what should the editor of The Era get for stealing a whole station?

MARCH CANADIAN MAGAZINE

Quite properly, the aim of the editor of The Canadian Magazine seems to be to produce a truly national publication, with contents as valuable to the readers of one province as of another. The March number is characteristically broad. The opening article gives a picture of the part played by the Mounted Police in the life of the Yukon—distributing mail, succouring the unfortunate, collecting Government dues, feeding the Indians, patrolling the rivers and creeks, and enforcing justice. The illustrations are attractive. The article on J. J. Hill, the railway magnate, brings with it some views of the Kettle Valley where the V. V. and E. is being built through southern British Columbia. "The Search for the Loon" is a story from the wooded lakes of Ontario, with photographs that are rare and of universal interest. From Canada the contents carry the reader across the Atlantic in an illustrated article entitled "A Canadian View of European Affairs," by William H. Ingram, a Canadian now in journalistic work in Paris. From here another Canadian carries the reader to Venezuela—that South American Republic which is so much inclined to cause war among the greater nations interested in that continent.

Bad Stomach Makes Bad Blood.

You can not make sweet butter in a foul, unclean churn. The stomach serves as a churn in which to agitate, work up and disintegrate our food as it is being digested. If it be weak, sluggish and foul the result will be torpid, sluggish liver and bad, impure blood.

The ingredients of Dr. Pierce's Golden Medical Discovery are just such as best serve to correct and cure all such derangements. It is made up without a drop of alcohol in its composition; chemically pure, triple-refined glycerine being used instead of the commonly employed alcohol. Now this glycerine is of itself a valuable medicine, instead of a deleterious agent like alcohol, especially in the cure of weak stomach, dyspepsia and the various forms of indigestion. Prof. Finley Ellingwood, M. D., of Bennett Medical College, Chicago, says of it:

"In dyspepsia it serves an excellent purpose. It is one of the best manufactured products of the present time in its action upon enfeebled, disordered stomachs; especially if there is ulceration or catarrhal gastritis (catarrhal inflammation of stomach). It is a most efficient preparation. Glycerine will relieve many cases of pyrosis (heartburn) and excessive gastric acidity. It is useful in chronic intestinal dyspepsia, especially the flatulent variety, and in certain forms of chronic constipation, stimulating the secretory and excretory functions of the intestinal glands."

When combined, in just the right proportions, with Golden Seal root, Stone root, Black Cherry bark, Queen's root, Blood-root and Mandrake root, or the extracts of these, as in Dr. Pierce's Golden Medical Discovery, there can be no doubt of its great efficacy in the cure of all stomach, liver and intestinal disorders and derangements. These several ingredients have the strongest endorsement in all such cases of such eminent medical leaders as Prof. R. Bartholow, M. D., of Jefferson Medical College, Chicago; Prof. Hobart A. Hare, M. D., of Medical Department, University of Pa.; Prof. Laurence Johnson, M. D., Medical Department, University of New York; Prof. Edwin M. Hale, M. D., Hahnemann Medical College, Chicago; Prof. John M. Scudder, M. D., and Prof. John King, M. D., Authors of the American Dispensatory, and scores of others among the leading medical men of our land.

Who can doubt the curative virtues of a medicine the ingredients of which have such a professional endorsement?

Constipation cured by Doctor Pierce's Pleasant Pellets. One or two a dose.

SPECIAL NOTICE

Anyone wishing any cement work done such as sidewalks, floors, foundations, walls, or other cement work would do well to write us for prices before April 1st, as we will be building the Richmond Hill Creamery about then, and could do any extra work while in town with our machine mixer, as we may not get back in the vicinity again this season after bridge work starts. So anyone wishing any such work done can have it done on short notice, as we can work so much faster and better with the machines.
