Old Time Wheeling Enthusiasm

has been renewed with hosts of
riders by the use of the Cushion
Frame. That disagreeable jar-
ring and jolting experienced in
riding the ordinary bicycle over
rough roads and streets is taken
up by the Cushion Frame device,
and does not reach the rider who
glides along as smoothly as though
riding on asphalt.

There are many other argu-
ments in its favor. Ask the man
who owns one.

THE CUSHION FRAME and SILLS HYGIENIC
HANDLE BARS are the up-to-date features
of our highest priced wheels.
