Old Time Wheeling Enthusiasm

has been renewed with hosts of riders by the use of the Cushion Frame. That disagreeable jarring and jolting experienced in riding the ordinary bicycle over rough roads and streets is taken up by the Cushion Frame device, and does not reach the rider who glides along as smoothly as though riding on asphalt.

There are many other arguments in its favor. Ask the man who owns one.

THE CUSHION FRAME and SILLS HYGIENIC HANDLE BARS are the up-to-date features of our highest priced wheels.
