**Delicate Children**

The children cannot possibly have good health unless the bowels are in proper condition. A sluggish liver gives a coated tongue, bad breath, constipated bowels. Correct all these by giving small doses of Ayer's Pills. Genuine liver pills, gently laxative, all vegetable, sugar-coated. We have no secret! We publish the formulas of all our medicines.

Never wait on a young man on Sunday evening!

One Sunday afternoon last winter Klack was enjoying himself in the home of one of his town down friends. Towards evening he was somewhat disconcerted by the inevitable little sister bursting out with the query: "Little man, are you going to stay to supper?" This was easy, however, compared with his discomfiture when a few hours later came the second question: "Little man, are you going home to-night?"—O. A. C. Review.

The Misses Williams are spending a few days in Toronto at present.

The marriage of Miss May E. Klinck, eldest daughter of Mr. Thos. Klinck, and Mr. Frank Rowbotham was solemnized at the home of the bride's parents on Tuesday afternoon May 1. At 3.30 p.m. the bride, leaning on her father's arm, handsomely attired in a dress of cream tulle and carrying a shower bouquet of cream roses, took her place beneath an arch in front of a bank of plants and evergreens, where the ceremony was performed. After the matrimonial service, the bride and groom and guests, of the immediate relatives of the contracting parties and a few lady friends of the bride sat down to the breakfast table to a delicious and sumptuous repast. The bride was the recipient of many useful and handsome presents. After the breakfast Mr. and Mrs. Rowbotham set out for Toronto and West-corn points amid showers of rice. The bride's going away dress was of royal blue with hat to match.

The young married couple intend living on the fifth concession. Their many friends all join in wishing them a happy and prosperous married life.

**Do You Want to Know What You Swallow?**

There is a growing sentiment in this country in favor of MEDICINES OF KNOWN COMPOSITION. It is but natural that one should have some interest in the composition of that which he or she is expected to swallow, whether it be food, drink or medicine.

Recognizing this growing disposition on the part of the public, and satisfied that the fullest publicity can only add to the well-earned reputation of his medicines, Dr. R. V. Pierce, of Buffalo, N. Y., has "taken time by the forelock," as it were, and is publishing broadcast a list of all the ingredients entering into his leading medicines, the "Golden Medical Discovery" the popular liver invigorator, stomach tonic, blood purifier and heart regulator; also of his "Favorite Prescription" for weak, over-worked, broken-down, nervous and invalid women.

This bold and out-spoken movement on the part of Dr. Pierce, has, by showing exactly what his well-known medicines are composed of, completely disarmed all harping critics who have heretofore unjustly attacked them. A little pamphlet has been compiled, from the standard medical authorities of all the several schools of practice, showing the strongest endorsements by leading medical writers of the several ingredients which enter into Dr. Pierce's medicines. A copy of this little book is mailed free to any one desiring to learn more concerning the valuable, native, medicinal plants which enter into the composition of Dr. Pierce's medicines. Address Dr. Pierce as above.

Dr. Pierce's Pleasant Pellets are tiny, sugar-coated anti-bilious granules. They regulate and invigorate Stomach, Liver and Bowels. Do not forget the "pill habit," but cure constipation. One or two each day for a laxative and regulator, three or four for an active cathartic. Once tried always in favor.
