If the T. Eaton Co. should fail in getting what they want in Stouffville could the village council not find the firm a suitable building in this town?

Mr. J. Startup has made an inspection of the village, and with the exception of one or two places, finds the premises of householders in a satisfactory condition. The few to whom he found it necessary to speak regarding untidiness expressed a willingness to meet with his request, and put their premises in a sanitary condition.

As the 24th of May, Victoria Day, falls this year on Thursday, our regular publishing day, THE LIBERAL next week will be published on Wednesday. ### HOT DINNER

The ladies of the Presbyterian Church, Richmond Hill, will provide a Hot Dinner and Tea in the Basement of the Church, Victoria Day, Thursday, May 24, to which their patrons and friends are cordially invited. Dinner from 11 a.m. to 2 p.m.; Tea from 5 to 7 p.m. Tickets, 25 cents; Children, 15 cents. Everybody welcome.

### VICTORIA DAY CONCERT

The band concert to be given in the Agricultural Hall on the evening of the 24th of May, promises to be a rare treat. The programme will consist of marches, bass solos, piccolo solos, clarinet solos, xylophone solos, negro monologues, illustrated songs, skirt dances, etc. The Governor-General's Body Guard band will be assisted by Miss Maud I. Caswell, Sgt. Wood and others.

### COME AND LIVE WITH US

Richmond Hill is just the right size town to settle down in and enjoy life. We have good schools, good churches, good sidewalks, almost everything for the comfort of life, and \$10 will go as far here as twice that amount in large cities. When you want to leave the farm, come to our town, get a nice comfortable home and be among the best people in the world.

### MR. MACKIE TRUSTEE

At a Public meeting held in the Council Chamber Monday evening, Mr. Robert Mackie, of the Markham part of this Union School Section, was elected Public School Trustee for the balance of this year, the remainder of the term of the late David Lynett. The nomination was made by Mr. John Duncan, seconded by Mr. W. A. Wright. As there were no other nominations the clerk, Mr. A. J. Hume, declared Mr. Mackie elected by acclamation.

### THE PALMER HOUSE

As it has been reported in some quarters that the Palmer House dining room, sheds and stables were closed the same as those at Thornhill, Maple and other places effected by local option, it may be well to say that such is not the case. Every department of the Palmer House is run just the same as it was previous to the first of May, except (let us hope) that no intoxicating liquor is sold at the bar or on the premises. Every accommodation will be offered on Victoria Day, and at all times the same as in former years.

### THE ANNUAL FAIR

Full sheet posters have been circulated giving particulars of the annual Fair to be held in the Agricultural Grounds, on Thursday next, the 24th of May. The prize list is larger than ever, and with good weather the success of the Fair is assured. The \$200 purse for open trot or pace should bring some fast horses here. There is also a \$30 purse for Farmers' trot or pace. In addition to the football contest for a \$22 prize, foot races and other athletic sports will have a place on the programme.

### BARRIE ILLUSTRATED.

The Barrie examiner issued a very creditable illustrated number on the 10th of May. Illustrations are given of many of the business men and public buildings of the town. Familiar faces in the number, are Very Rev. Dean Egan, formerly of Richmond Hill and Thornhill; and Mr. Edgar G. Redditt, foreman in the Examiner Office and bardmaster of the 35th Regimental Band. In the sketch relating to the band the paper says: "Under the leadership of the present bardmaster, Mr. E. G. Redditt, the band

feel that they have a bright future before them, and are giving the regular attendance."

### TO FOOTBALLERS.

As much dissatisfaction has been caused the last two or three years by football teams coming on the grounds late, and competing for the \$22 prize, at the fair on the 24th of May, the directors decided that this year the rules laid down will be strictly adhered to. Clubs are requested to make their entries in good time, as drawing for places will take place at the secretary's office on the evening of the 23rd of May. Play will commence at 11 o'clock, and teams not on the field when called will lose the game by default. It is to be hoped that footballers will thoroughly understand what is required, and govern themselves accordingly.

### NEW STORE AT MAPLE.

Mr. F. Dack of Maple has issued a circular letter to prospective customers informing them that he has started a General Store in the premises known as the Richardson House. The circular states that "a complete stock of Dry Goods, Gents' Furnishings, Hats and Caps, Boots and Shoes, Groceries, etc. is arriving, and these goods are all new and up-to-date; my stock will be found particularly attractive, and the ladies will find the newest and most fashionable styles in the Dry Goods Department." He asks the farmers to bring their butter and eggs, and offers to pay the highest market price for all kinds of farm produce.

### SILVER ANNIVERSARY

The ladies of the Methodist Church will give their usual Dinner and Tea in the Sunday School Room, on the 24th of May. Dinner from 11 a.m.; Tea from 5 p.m. Adults 25 cents; Children 15 cents. On the following Sunday, May 27, special sermons will be preached. Mr. James L. Hughes, M.A., Head Inspector of Toronto Public Schools, has been secured for the morning, and Rev. W. F. Wilson, D. D., of Trinity Church for the evening. Music specially prepared for the occasion by the choir. As this is the 25th anniversary the ladies and friends of the Church are making earnest efforts to make it a great success. The public cordially invited.

## My Hair is Scraggly

Do you like it? Then why be contented with it? Have to be? Oh, no! Just put on Ayer's Hair Vigor and have long, thick hair; soft, even hair. But first of all, stop your hair from coming out. Save what you have. Ayer's Hair Vigor will not disappoint you. It feeds the hair-bulbs; makes weak hair strong.
