BE PUNCTUAL

A meeting of the Board of Education was called for 4 p.m. last Monday, but it was nearly 6 o'clock before a quorum could be got together. Several members of the board have grown careless about attending the monthly meetings. The law distinctly states that a trustee can be disqualified if he absents himself from meetings three months in succession. The trouble seems to be that the meetings are called for 4 o'clock, but it is understood that any time before 5 will answer the purpose. Such a rule would demoralize any public body.

The Village Council has had bills printed notifying residents in regard to their duty in cutting down and destroying noxious weeds. Every owner or occupant of land is responsible for the weeds opposite his premises to the centre of the road. Every person interested should see that the weeds are cut and destroyed at the proper time, and not wait to be reminded by the inspector.

In the first draft of ministers made by the stationing committee of the Methodist Conference the following may be mentioned:—Richmond Hill, A. P. Brace, B.D.; Newton Brook and Willowdale, T. Campbell; Eglinton, N. Wellwood; Davisville, Newton Hill; Thornhill, Geo. McKinley; Maple, Jos. E. Wilson. Young men are to be sent to Richmond Hill and Maple.

AT ZION CHURCH

A most interesting gathering met at Zion Church on the Newton Brook and Willowdale circuit, on Thursday evening last. It was a circuit rally of Epworth Leaguers. The church has not seen as many Leaguers in it before in its history. On the platform were Rev. A. P. Brace, B. D. and President J. R. Goulding, of Newton Brook. The events were given by Miss Ley, Miss Risebrough, Frank Keltie, ex-president Braekey, W. Serace, president of E. L. and others. The Zion young people served refreshments at the close. Everyone believes it will be a great inspiration to young people's work on the circuit.

BARN AND STABLES BURNED

The barn, stable and driveway in connection with the Summit House, Oak Ridges, owned by Mr. Jesse Hudgin, was destroyed by fire about half past ten Saturday night. The fire originated in the north end of the building, and as the wind was in the south-east the flames made slower progress than if the wind had been in the opposite direction. The shed was separated from the hotel merely by a narrow driveway, but by hard work on the part of the inmates and the neighbors who gathered, the shed was sawed and chopped in two and dragged away, and the hotel was saved. The horses, rigs, most of the harness and other articles were also saved. The cause of the fire is a mystery. There was no insurance. Mr. Hudgin has given the contract to Mr. Jesse Winger to replace the former barn and stable with a cement building.

FIREMEN'S EXCURSION

The Fire Brigade have completed all arrangements for an excursion to Niagara Falls on Tuesday, the 26th of June. Reeve Crosby has proclaimed that date a Civic Holiday for this municipality, and a general outing is expected. Electric cars will leave Bond Lake at 6 a.m., and Richmond Hill at 6.15. Steamer leaves Yonge St. Wharf at 8 a.m. The trip from St. Catharines will be made over the electric railway through a delightful section of country. Returning, the party will leave Queen Victoria Park at 5.15, arriving in Toronto at 9.30. Fare for round trip from Bond Lake and all points on Yonge Street \$1.40; children 75 cents. From Toronto \$1.00, children 50 cents. Those who accompanied the excursionists last year report a most enjoyable time. Everybody who can should take the trip on the 26th inst.

DEDICATED

Sharon Lodge, No. 97, A.F. & A.M., dedicated its new hall at Queensville to Freemasonry, on Saturday of last week, when some seventy-five masons from Toronto and neighboring lodges were present. A goodly number of Grand Lodge officers were present and the ceremony was performed in ample form. R. W. Bro. Nicholls, V. W. Bro. Newton,

W. Bro. Newbery, and Bro. Lamont, Legge and Phillips represented Richmond Lodge of this village. The banquet was served in the basement of the Methodist Church, and was prepared by the Ladies Aid of that church, and the good things provided would have done credit to the King Edward of Toronto. The brethren from Toronto and along the line of the Metropolitan were conveyed to Newmarket by special car and from thence journeyed through a beautiful farming country by busses to Queensville. Everyone spoke in the highest manner of the hospitality of our northern brethren.

Buy Hair at Auction?

At any rate, you seem to be getting rid of it on auction-sale principles: "going, going, g-o-n-e!" Stop the auction with Ayer's Hair Vigor. It certainly checks falling hair; no mistake about this. It acts as a regular medicine; makes the scalp healthy. Then you must have healthy hair, for it's nature's way.
