

## Mount Pleasant

Our Street Commissioner has made a great change on our sidewalks, so that pedestrians can now travel on them with safety, and our village may now be classed as a first rate summer resort, for those who wish to enjoy a pure healthy atmosphere.

Mr. Burt Lee has been transferred from the Bank of Toronto to the branch bank at Keen.

Mr. A. P. Maclean of Matthews Co., Peterborough, made a short visit to the paternal home, his family accompanying him.

Fall Wheat is changing its color and will soon be ready for the sickle. The other crops are looking well, the late showers have improved their appearance. The fruit crop appears to be a failure. Tender vines and plants were nearly all killed during last winter.

The Tory party, at Toronto is still at work removing old officials from office and making room for their friends, contrary to British law.

"The new evangelism" is the latest fad in the religious system in the old land. Would it not be wise to have a commission appointed to decide as to which of the different sects is founded on truth. What God said to Cain still holds true, "If thou doest well, shalt thou not be accepted, and if thou doest not well, sin lieth at the door." And also the answer of the scribe, "Hear O Israel the Lord, Our God is one Lord." He alone is worthy of all worship.

But to-day we shall sing Jesus shall reign, etc.

### PRIZE LIST

The prize list of the Canadian National Exhibition, to be held in Toronto, Ont., Aug 27 to Sept. 10, which is now being distributed, contains many changes compared with last year. In nearly every department there is a material increase in the premiums. In the horse department classes have been added for Welsh, Shetland and Hackney ponies, and the prizes in the first section of the breeding classes have in several instances been doubled. It has also been decided to award the premiums in the trials of speed on the three-heat plan, each heat to be considered a completed contest and the money to be divided accordingly to the place won in each heat. The Dominion Short Horn Association having increased their grant for prizes to \$2,000 the exhibition management have responded with a like amount, so that there is considerable expansion also in the cattle department. In the sheep division wether sections have been added to each breed of sheep. In this connection it might be mentioned that the management are making arrangements that will enable sheep to be judged under cover. In the poultry department a number of sections have been added and the list has been increased by an extra number of specials. Several changes have been made in the department and the building is to be supplied with improved cold storage. In the floral division a prize is added for the best and most original floral design. Several sections recommended by the Ontario Beekeepers' Association have been added to the honey classes. Several sections have also been added to the women's and children's departments. The total increase all round amounts to close upon \$4,000, which means the aggregate sum given in premiums by the Canadian National Exhibition is approaching the \$50,000 mark. Entries are set to close on August 4.

### DANGEROUS ACCIDENT.

Mr. William Riddell, son of Mr. Riddell, tenant on the Arnold Farm, had an almost miraculous escape from death on Monday. He was hauling a load of binder twine from the station for Mr. H. A. Nicholls, and, when coming down the hill this side of the 3rd concession line, part of the load slid forward, taking Mr. Riddell with it. He thinks he fell across the tongue of the wagon, and after a time managed to get free from the horses which were running furiously. The horses continued to run till stopped by striking against Mr. John Sheardown's coat wagon, going the same way. Mr. Riddell was pretty badly bruised and scratched about the head and face. His wounds were dressed and he is now improving. Those who witnessed the run-a-way are at a loss to know how the victim of the accident escaped as well as he did.
