Losing Your Hair?

And doing nothing to keep it? Most women like thick, heavy hair, long, luxuriant hair. Don't you? Then use Hall's Vegetable Balm Hair Renewer. You save what hair you have and get more at the same time. For the whiskers and moustache we make BUCKINGHAM'S DYE. It is a rich brown or a soft black. It is sold by all druggists.

Dominion Day passed off very quietly here. There was the usual number of visitors, and many of the young people took in the celebration at Vellore. The football team played there against Teston team and won by 1 goal to 0.

Rev. Mr. Herbison of St. Giles' Church, Toronto will preach anniversary sermons in St. Andrew's Church next Sunday morning and evening.

Mr. E. H. Elliott of Toronto spent last Saturday with friends here. He and Mr. W. T. Robinson, left on Tuesday for a trip to the North West.

Mr. and Mrs. A. L. Campbell and daughter Kate, of Feigus are spending the week at the home of Mr. T. H. Keys.

Rev. Mr. Galloway, the junior pastor, will preach in the Methodist church Sunday morning.

The July meeting of Maple Women's Institute will be held on July 11th at the usual hour 2.30 p. m., at the home of Mrs. Jas. Kirby. This meeting is to arrange a programme for a year. Ladies are all welcome to our meetings.

Gormley

A pleasant event took place on Wednesday, June 27, 1906, at the residence of Mrs. A. Sheffer, when her youngest daughter, Mabel Maud, was united in marriage to Mr. Wm. French of Toronto. The ceremony was performed by Rev. F. Elliott in the presence of about 64 guests. Some of the guests were from a distance—Mrs. Dr. Smith of Dundas, Mr. Carr of Pittsburg, Pa. and others. After the nuptial knot was duly tied the company adjourned to the dining room where ample justice was done to the good things provided. Mr. and Mrs. French left Stoffville on the evening train for Mariposa. After a short visit they will move to Toronto, their future home.

The town of "West Gormley" is growing apace. Mr. D. W. Heise has built himself a fine residence adjoining the railway; now he is busy building another across the road on the farm of Mr. D. Doner. Much speculation is rife as to who the future occupants will be. A coal, wood, and lumber yard will be opened by Mr. D. W. Heise on the completion of the railway. Some express doubts whether the R. R. Station will materialize, but it seems a sure proposition to the majority.

"The Independent Phone Co." have extended their line up the third to Mr. Geo. Hiltz place, as he is selling large quantities of strawberries it will greatly facilitate his business.

MAPLE WON

Maple football team came out Friday evening and played the "return" match with the local team. The visitors won by a score of 1-0. Play started at 8 o'clock, and lasted just 33 minutes. Mr. Hugh McMillan refereed the match and Messrs. Matthewson and Mr. Frank Hopper acted as umpires. The game was interesting, but surprise was expressed by many onlookers that two football teams composed of young men could not meet each other earlier in the evening, and give an exhibition worth going to see. It seems absurd to start a football match at 8 o'clock at night.

OPEN PUBLICITY THE BEST GUARANTY OF MERIT.

When the maker of a medicine, sold through druggists for family use, takes his patients fully into his confidence by frankly and fearlessly publishing broadcast as well as on its bottle wrappers, a full list of all its ingredients in plain English, this action on his part is the best possible evidence that he is not afraid to have the search light of investigation turned full upon his formula and that it will bear the fullest scrutiny and the most thorough investigation. Dr. Pierce's Favorite Prescription for the cure of the weaknesses, periodical pains and functional derangements of the organs distinctly feminine, is the only medicine put up for sale through druggists for woman's special use, the maker of which is not afraid to take his patients into his full confidence by such open and honest publicity.

A glance at the published ingredients on each bottle wrapper, will show that it is made wholly from native, American, medicinal roots, that it contains no poisonous or habit-forming drugs, no narcotics and no alcohol—pure, triple-refined glycerine, of proper strength, being used instead of the commonly employed alcohol, both for extracting and preserving the active medicinal properties found in the roots of the American forest plants employed. It is the only medicine for women's peculiar diseases, sold by druggists, that does not contain a large percentage of alcohol, which is in the long run so harmful to woman's delicate, nervous system. Now, glycerine is perfectly harmless, and serves a valuable purpose by possessing intrinsic value all its own, and besides it enhances the curative effect of the other ingredients entering into the "Favorite Prescription."

Some of the ablest medical writers and teachers endorse these views and praise all the several ingredients of which "Favorite Prescription" is composed—recommending them for the cure of the very same diseases for which this world-famed medicine is advised. No other professional endorsement—worth more than any number of ordinary testimonials. If interested, send name and address to Dr. R. V. Pierce, Buffalo, N. Y., for his little book of extracts from the works of eminent medical writers and teachers, endorsing the several ingredients and telling just what Dr. Pierce's medicines are made of. It's free for the asking.
