

RICHMOND HILL, ONT., July 5, 1906

Mr. F. T. Daville, mayor of Aurora, has been made sheriff for York County, in succession to the late Dr. Widdifield. Mr. Daville is 60 years of age, and has lived in Aurora for the past 27 years, where he has been an active and prominent citizen. He was formerly a president of the tanners' section of the Board of Trade, president of the North York Conservative Association, master of Rising Sun Masonic Lodge, and president of the local lodge of the Sons of England Benevolent Society. Mr. Daville has always been popular in Aurora and other parts of North York where he is well known.

Mr. C. Reynolds, Whitevale, on behalf of the Temperance Alliance of Pickering Township, states emphatically in The World of 28th ult. that an article in The World on the previous Friday was misleading and not according to facts. The World article stated that in giving judgment quashing the local option by-law Chief Justice Meredith had cast reflection on the methods of the temperance people in the contest. Mr. Reynolds states positively that such was not the case, and says: "The judge exonerates completely and unequivocally the temperance people from any wrongdoing or blame in the matter whatever."

If The World wishes to be fair to the temperance people in Pickering it will look up the address of the judge to the court, and give the facts to the public.

The daily papers in referring to the death of the late William Hendry of Hamilton, for several years president of the Ontario Jockey Club, make the assertion that although he won a good deal of money on the turf he was never known to bet a dollar on a horse race. He was a genuine sportsman, he loved horses and took great pleasure in speeding, and the sport he enjoyed whether it brought him financial gain or not. It is also said that he could win modestly or lose cheerfully, and these are good tests of a man's disposition. Such a record might well put to shame many who class themselves as true sportsmen. The public admire a man of the stamp of the late Mr. Hendry, but they have much less regard for those who enjoy a race or a lacrosse match only when they win or expect to win a money consideration.

The Ontario Government's Policy in appointing a Provincial Inspector to see to the enforcement of local option in municipalities where the by-law is in force, is generally approved. If local inspectors were alive to their duties a special inspector to look after the local inspectors would not be necessary. But it is well known that many of the local inspectors are not in sympathy with local option, and therefore close their eyes to much which they should see. A weak point in the former Government was the selection of license inspectors and license commissioners. And we fail to see any improvement under the new regime.

Wherein lies the fault? The temperance party is inclined to blame the Government in power. We believe the public is nearer right in placing the blame on the shoulders of the temperance people who should endeavor to make themselves felt when appointments are to be made. But by all accounts Mr. John Ayerst of Thamesville, the new provincial inspector is the right man in the right place.

## Mount Pleasant

Building operations are progressing rapidly in our village. J. D. Thexton who intends retiring from farming is building on the site of the brick hotel which was burned some years ago: his father, the late Richard Thexton, owned the same lot.

Abram Webster who has been a Missionary in the North West for some time past has returned to Ontario to work as a missionary north of Havelock. He made a flying visit to the home of J. McLean, Esq., on his return from conference to his field of labor. He is a retired farmer whose home has been in Mariposa, one of the best townships in Ontario. We wish him success on his home mission work amongst the rocks and furrow lands of that rough region of Ontario.

T. W. McLean, Teacher at Mount Pleasant, has returned from Bailabara where he was appointed to go by the school Inspector as examiner of the pupils of the public school there.

In the absence of the Rev. Mr. Whitlaw the presbyterian pulpit was occupied by a Mr. McQuade.

A student Dr. Keith, of Omemeo, visits our village on Tuesday and Friday of each week. There is a good opening for a good doctor here.

Several visitors from Toronto are spending their holidays here where they can enjoy life in a bracing air free from all floating germs, where God in His greatness and His goodness can be seen at this season of the year in the growing crops, which promise an abundant harvest.
