Anniversary services were held at St. Andrew's church on Sunday last. Rev. Mr. Herbison of Toronto, preached both morning and evening, but at the latter service the congregation was very small owing to the storm. Mr. Geo. Elder sang a solo at the evening service.

Mr. A. O. Smith of Huntsville, has rented the house and store lately owned by E. G. Andrews, and will carry on the tailoring business there. He moved in with his family on Monday. Rev. Jos. E. Wilson and family have gone to spend their vacation at Shanty Bay.

Miss Laura Richardson is spending part of her vacation with her friend, Miss Clara Horning, at Ancaster. The Presbyterian Sunday School held its annual picnic on the church grounds on Wednesday.

The Epworth League has been closed for the months of July and August. Miss E. Richardson of Highland Creek, and Miss E. Byam of Saintfield, are home for the holidays.

Mr. Harvey Jackson, who was hurt while playing football, is able to be around with the aid of crutches.

Mrs. J. T. Saigon is spending a couple of weeks with friends at Toronto.

Vellore

Dominion day was highly celebrated here on July 2nd, there being nearly two thousand people present, the games were all well contested, nine and ten competing in every race, over one hundred dollars being paid in prizes. The Union Cornet Band of Laskay under the leadership of Mr. A. Carley of Strang was present and rendered splendid music for the afternoon, and Stiles Orchestra of Kettleby furnished music for the platform afternoon and evening till the wee sma' hours. The quait match was keenly contested, farmer Robb of Vellore winning first prize, Ed. Marwood 2nd. Geo. Taggart 3rd. The two teams competing in the football were Maple and Teston—Teston being defeated by a score of 1-0. After the game was over Teston had their ball stolen from them. The parties are well known to both Teston and Vellore boys and Vellore Sports Committee will prosecute the guilty parties if ball is not returned at once.

Correspondence in yesterday's World shows that lot 13, con. 3, Markham, has been in possession of the Elson family since the year 1803. In that year John Elson was granted a deed of the farm by the crown. His son, Harry, born in 1797, was the next owner. The latter's son Joseph followed, residing on the place 71 years till his death. The present occupant is Arthur, a son of Joseph. It is claimed that Harry was the first white child born in Markham Township.

THE REASON WHY

We have often been asked—and this is doubtless the experience of all publishers of weekly newspapers—by delinquent subscribers why we keep sending THE LIBERAL after the subscription date expires. Every weekly newspaper in towns of this size are forced to do this. Should we stop subscriptions when time expires nine times out of ten the subscriber would give us a "calling down" for insinuating that his credit was not good. Rather than to cast a reflection against the honesty of a subscriber to pay a small debt, it is next to a necessity for a home paper to continue sending the paper after the time has expired. It is not necessary for the city dailies or weeklies to follow this rule, as their subscribers live at a distance and are not personal friends as is the case with a majority of our subscribers. Our subscribers should deem it an honor to know that we do not doubt their integrity and continue to send them the paper after their time has expired. Should any desire their paper discontinued they should notify us and remit to date if they have not already done so.

SUDDEN DEATH.

A sudden death occurred in Thornhill Saturday morning, when Mr. Caleb Ludford, one of the oldest residents of the village, passed away in his 77th year. Deceased was in the City the day before, apparently in good health, and ate a hearty dinner. Heart trouble seems to have been the cause of death. Mr. Ludford had lived the greater part of his life in Thornhill where he carried on the work of a harness-maker. He is survived by two daughters—Mrs. J. E. Francis and Miss Mary Ludford—both of Thornhill, and one son, who is in California. The funeral on Monday was largely attended.

AURORA VS. NEWMARKET.

Nearly 2,000 people gathered in Aurora last Thursday afternoon to witness the lacrosse game between Aurora and Newmarket. A couple of weeks previous, the Aurora team defeated Newmarket on the grounds of the latter by 5 to 4, but last Thursday the Talagogs got satisfaction by scoring 11 goals to their opponents' 2. The game was clean, though exciting. But from the first it could be seen that Newmarket had come to win. The players treated each other like gentlemen, and the spectators though enthusiastic acted in a creditable manner. The referee, Mr. Anderson, gave good satisfaction and had occasion to send only two or three men to the fence.

News Notes.

Judge Winchester has made his report on the recent civic investigation in Toronto. He finds that Ex-Ald. Dr. Lynd, architect E. J. Lennox and others received money from contractors to which they were not entitled.

Last Saturday the Tecumseh defeated the Toronto lacrosse team by 7 to 5. Montreal defeated the Shamrocks by 10 to 6, and in the Intermediate C. L. A. Toronto Junction defeated Brantford by 12 to 2.

Are You Tired, Nervous and Sleepless?

Nervousness and sleeplessness are usually due to the fact that the nerves are not fed on properly nourishing blood; they are starved nerves. Dr. Pierce's Golden Medical Discovery makes pure, rich blood, and thereby the nerves are properly nourished and all the organs of the body are run as smoothly as machinery which runs in oil. In this way you feel clean, strong and strenuous—you are toned up and invigorated, and you are good for a whole lot of physical or mental work. Best of all, the strength and increase in vitality and health are *lasting*.

The trouble with most tonics and medicines which have a large, booming sale for a short time, is that they are largely composed of alcohol holding the drugs in solution. This alcohol shrinks up the red blood corpuscles, and in the long run greatly injures the system. One may feel exhilarated and better for the time being, yet in the end weakened and with vitality decreased. Dr. Pierce's Golden Medical Discovery contains no alcohol. Every bottle of it bears upon its wrapper *The Badge of Honesty*, in a full list of all its several ingredients. For the druggist to offer you something he claims is "just as good" is to insult your intelligence.

Every ingredient entering into the world-famed "Golden Medical Discovery" has the unanimous approval and endorsement of all the several schools of practice. No other medicine sold through druggists for like purposes has any such endorsement.

The "Golden Medical Discovery" not only produces all the good effects to be obtained from the use of Golden Seal root, in all stomach, liver and bowel troubles, as in dyspepsia, biliousness, constipation, ulceration of stomach and bowels and kindred ailments, but the Golden Seal root used in its compounding is greatly enhanced in its curative action by other ingredients such as Stone root, Black Cherrybark, Bloodroot, Mandrake root and chemically pure triple-refined glycerine.

"The Common Sense Medical Adviser," is sent free in paper covers on receipt of 31 one-cent stamps to pay the cost of customs and mailing *only*. For 50 stamps the cloth-bound volume will be sent. Address Dr. R. V. Pierce, Buffalo, N. Y.
