Mr. E. Shierk's black stallion, "Wild Billy," gave an exhibition of speed yesterday. His manager, Mr. W. Gould, had the stallion decorated with rosettes and ribbons of all the colors of the rainbow, after which the little favorite had his picture taken by the village artist.

A team of horses belonging to Mr. Wm. Hart, near Temperanceville, broke away from the Palmer House shed Tuesday, and were not stopped till they had reached the second concession of Vaughan, west of Elgin Mills. They were finally caught by Leslie McNair, son of Mr. J. S. McNair.

The junior footballers went to Jefferson last evening and played the local team of that place. The result was a tie, neither side having scored. The match was refereed by Mr. H. Burnett. Jefferson will be here Friday evening of this week when an endeavor will be made by both sides to break the tie.

At the last meeting of the Board of Education the Management Committee were authorized to make repairs at both the High School and the Public School during the holidays. We believe it is the intention of the Committee to modernize the appearance of the senior room of the Public School by putting in new windows and up-to-date curtains.

A new stamp has been issued by the Post Office Department in connection with letters not fully prepaid. The stamp will be for use of postmasters only. In the past it has been the custom to mark letters not fully prepaid with a figure specifying the amount the receiver would have to pay. The new stamp is bluish in color and is in several denominations. It is expected to be given out for use shortly.

ELGIN MILLS

The Richmond Hill Juniors came up here last Thursday evening, and played the "return" football match with our boys. The visitors' team was considerably weakened by the absence of a number of their players. After some sharp play on both sides the Elgin players won the match by scoring the only game of the evening. The match was refereed by Mr. Albert Hamilton.

CHANGES NEEDED

Some of the recent changes in the Metropolitan time table are not popular. It is felt in Richmond Hill that the time between 6.40 a.m. and 8.10 is too great for cars going south. The mail car from Toronto at a quarter to nine o'clock seems late. It is also hoped that before the first of September a change will be made in order to accommodate the High School students going south. The school closes at 3.30, and at present there is no car between 3.10 and 5.10.

NEWMARKET 5, BRADFORD 2.

A league lacrosse game of more than ordinary interest was played in Newmarket yesterday between Bradford and the home team, resulting in a victory for Newmarket by a score of 5 games to 2. The two teams were evenly matched, but Newmarket's very strong defence made it next to impossible for the visitors to find the net. Mr. Querrie of the Tecumsehs refereed the game, and gave good satisfaction, though he penalized offenders with an iron hand.

RATE TOO HIGH.

People often wonder why the Metropolitan does not give a cut rate from Richmond Hill to Bond Lake Park during the picnic season. The return fare, summer or winter, is 25 cents. That could surely be reduced to 15 cents with financial gain to the company. The traffic from this place to Bond Lake will be small as long as the rates remain as they are. The company always seems willing to listen to suggestions, and doubtless the managers would make the above mentioned change if proper representations were made.

SEVERE STORM

The skating rink was again struck by lightning Sunday afternoon, but fortunately it did not take fire. This

the second time the building has been struck this summer. The ridgeboard at the north end of the building was struck about 5 o'clock, the current then passed down to the north-west corner, followed the eave trough to the south end and shattered one or two of the posts pretty badly. The spire on the Methodist church was also struck and some slate knocked off but apparently little damage was done. The lightning was severe, and was trying on the nerves of many of our citizens.

A Welcome Guest—A local newspaper is absolutely necessary to any community. It is the home paper that keeps the people of the community in touch with each other by giving them all the news of their own neighborhood and county. For that alone they are of value and worth far more than the small subscription price. They keep the local pride and progressive spirit aroused and in various ways are worth far more to the community than the community ever spends on them. The daily paper, with its large news service and quicker facilities, may in some instances overshadow the weekly, but the weekly home paper fills a place in the hearts of the people that a daily cannot fill. It comes to your home as an old and tried friend, while the daily enters as a stranger.

Help! Help! I'm Falling

Thus cried the hair. And a kind neighbor came to the rescue with a bottle of Ayer's Hair Vigor. The hair was saved! This was because Ayer's Hair Vigor is a regular hair medicine. Falling hair is caused by a germ, and this medicine completely destroys these germs. Then the healthy scalp gives rich, healthy hair.
