Concord.
Ernest, the eldest son of Mr. An-
thony Bowes, passed away on Thurs-
day of last week, after a few days' ill-
ness. He was taken ill the previous
Sunday with what was supposed to be
inflammatory rheumatism, but which
proved to be spinal meningitis. The
best medical aid and also the services
of a trained nurse were secured, and
all was done that could be to alleviate
his sufferings. In spite of all this he
rapidly sank, and early on Thursday
morning the end came. Had he lived
till the following day he would have
been twenty-one years of age, and his
early death has cast a gloom over the
neighborhood. The funeral took place
to Thornhill on Saturday afternoon,
and was attended by many friends
who came to pay this last tribute of
respect to the departed. The service
was conducted by Rev. Jos. E. Wilson,
assisted by Rev. Mr. McKinley and
Rev. Mr. Galloway. There were many
beautiful floral offerings on the casket.
The sorrowing parents and the broth-
ers have the deepest sympathy of all in
their bereavement.

Mr. F. Dack lost a valuable young
horse last week. The cause of its
death was supposed to be either light-
ning or sunstroke.
The croquet tournament has taken
longer than was expected. It is
thought that it will end next Satur-
day.

Mr. Walter Rumble and Mr. Cecil
Keys, of the T. Eaton Co., Toronto,
spent over Sunday at their homes here.
Rev. Jos. E. Wilson returned home
on Saturday after spending a couple of
weeks at Shanty Bay.

Mr. and Mrs. E. J. Cousins of Tor-
onto, were visiting last week at Mr.
T. Cousins.

Mr. W. A. Denton of Toronto,
visited his sister Mrs. G. J. Cook, last
Saturday.

Mr. Donald McKay of San Francisco,
who came through the recent disaster
in that city with impunity, is visiting
his sister, Mrs. (Dr.) Logan.
Mrs. Thompson of Chicago, arrived
yesterday to make a visit with Mrs.
H. C. Bailey.
Dr. T. A. Noble and several friends
from Harvey, Ill., are visiting with
Miss Noble.

THAT REMINDS ME.
We have before us a copy of The
York Herald printed June 11, 1875, 31
years ago. The paper was then pub-
lished by the late Alex. Scott. A
perusal shows that business and affairs
in general were carried on then pretty
much the same as they are now,
though many of the prominent men
of that time have since gone over to
the majority and of whom we shall
refrain to speak. The number con-
tains nothing of a particularly start-
ling nature, but a reference to the
doings of some of the men still living
may bring pleasant recollections to a
number of our citizens. The first arti-
cle that met our eye was an account of
a spelling match between Richmond
Hill and Thornhill, in which our sister
village was victorious. Mr. Wm. Har-
rison was chairman, and Mr. John
Teefy was one of the referees; the
other is deceased. Minutes of a Vil-
lage Council meeting shows that Mr.
Teefy was clerk, and that Mr. Crosby,
our present reeve, was then a member
of the Council; the four colleagues are
now deceased. The minutes show
that Mr. J. A. E. Switzer had begun to
rise in the world as at that meeting
his income assessment was doubled.
Mr. Crosby introduced by-law No. 39,
to establish a new street to connect
Richmond and Mill streets, the new
street to be called "Trench Street" after
the name of the reeve. At the said
meeting David Boyle of this vil-
lage, and Joseph Mortson of Oak
Ridges, put in tenders for lumber.
Vaughan Council minutes give Mr.
W. C. Patterson, reeve, and Mr.
Thomas Webster, one of the council-
ors.

We are pleased to state that the
names of a number of our mer-
chants and business men who adver-
tised 31 years ago, still grace the col-
umns of our village paper. We find
the following among the then adver-
tisers: Isaac Crosby, "Fire Proof
Store"; Alex. Moodie, "British Flag
Store"; P. G. Savage, "The People's
Store"; Simon Proctor, Dominion
Livery Stables; Samuel M. Brown,
Licensed Auctioneer; David Birrell,
Richmond Hill Mills; John Langstaff,
steam mills, Thornhill; H. Miller,
steam pump works; Thos. Newton,
secretary Richmond Lodge, A. F. &
A. M.; W. A. Sanderson, druggist;
Peter S. Gibson, Provincial Land Sur-
veyor; J. H. Sanderson, Veterinary
Surgeon.

WINTER CROPS, 1906.
Material for any one of the five ex-
periments here mentioned will be sent
free to any Ontario farmer applying
for it, if he will conduct an experiment
with great care and report the results
after harvest next year. The seed will
be sent out in the order in which ap-
plications are received as long as the
supply lasts.

1.—Testing Hairy Vetches and
Winter Rye as fodder crops, 2 plots.
2.—Testing three varieties of Winter
Wheat, 3 plots.
3. Testing five Fertilizers with
Winter Wheat, 6 plots.
4.—Testing Autumn and Spring ap-
plications of Nitrate of Soda and Com-
mon Salt with Winter Wheat, 5 plots.
5.—Testing two varieties of Winter
Rye for grain production, 2 plots.
The exact size of each plot is to be
one rod wide by two rods long. The
material for either of the first two ex-
periments or for No. 5 experiment will
be forwarded by mail, and for each of
the other two by express. Each per-
son wishing to conduct one of these
experiments should apply as soon as
possible, mentioning which test he de-
sires, and the material, with instruc-
tions for testing and the blank form
on which to report, will be furnished
free of cost until the supply of experi-
mental material is exhausted.

Dr. Shoop's Restorative brings last-
ing relief in Stomach, Kidney and
Heart troubles through the inside
nerves. No matter how the nerves
become impaired this remedy will re-
build their strength, will restore their
vigor. Remember it does no good to
treat the ailing organ—the irregular
heart, rebellious stomach, diseased
kidneys. They are not to blame. Go
back to the nerves that control them—
treat the cause—use a remedy that
cures through the inside nerves. Sold
by W. A. Sanderson.

FALL FAIRS.

Whose Say-so is Best?
With nearly all medicines put up for
sale through druggists, one has to take
the maker's say-so alone as to their cura-
tive value. Of course, such testimony is
not that of a disinterested party and
accordingly is not to be given the same
credit as if written from disinterested
motives. Dr. Pierce's medicines, how-
ever, form a single and therefore striking
exception to this rule. Their claims to
the confidence of invalids does not rest
solely upon their makers' say-so or
praise. Their ingredients are matters of
public knowledge, being printed on each
separate bottle wrapper. Thus invalid
sufferers are taken into Dr. Pierce's full
confidence. Scores of leading medical
men have written enough to fill volumes
in praise of the curative value of the
several ingredients entering into these
well-known medicines.

Amongst these writers we find such medi-
cine men as Prof. Finley Ellingwood, M. D.,
of Bennett Medical College, Chicago; Prof.
Hale, of the same city; Prof. John M. Scud-
der, M. D., late of Cincinnati, Ohio; Prof.
John King, M. D., late of Cincinnati, Ohio;
Dr. Grover Coe, of New York; Dr. Barthe-
low, of Jefferson Medical College, Pa.,
and scores of others equally eminent.

Dr. Pierce's Favorite Prescription cures
the worst cases of female weakness, prolaps-
us, anteversion and retroversion and corrects
irregularities, cures painful periods, dries up
disagreeable and weakening drains, some-
times known as pelvic catarrh and a multi-
tude of other diseases peculiar to women.
Bear in mind, it is not a patent nor even a
secret medicine, but the "Favorite Prescrip-
tion" of a regularly educated physician of
large experience in the cure of woman's
peculiar ailments, who frankly and confi-
dently takes his patients into his full con-
fidence by telling them just what his "Pre-
scription" is composed of. Of no other medi-
cine put up for woman's special maladies
and sold through druggists, can it be said
that the maker is not afraid to deal thus
frankly, openly and honorably, by letting
every patient using the same know exactly
what she is taking.

Sick women are invited to consult Dr.
Pierce, by letter, free. All correspondence
is guarded as sacredly secret and
womanly confidences are protected by
professional privacy. Address Dr. R. V.
Pierce, Buffalo, N. Y.
How to preserve health and beauty is
told in Dr. Pierce's Common Sense Medi-
cal Adviser. It is free. For a paper-
covered copy send Dr. R. V. Pierce, Buf-
falo, N. Y., 31 one-cent stamps to cover
mailing only; in cloth binding 50 stamps.
