TO GOVERN TOMMY ATKINS.
The new War Office in Whitehall, London, is one of the most wonderful buildings in the world. It looks imposing enough to scare any enemy of Britain who may chance to see it. Some idea of its size may be gathered from the fact that 25,000,000 of ordinary bricks, 1,500,000 glazed bricks, 26,000 tons of Portland stone, 1,600 tons of lead, 3,500 tons of steel, and 35,000 cubic yards of concrete were used in its construction. It contains 600 rooms, 2½ miles of corridors, 9 miles of chimney flues, 100 miles of piping, and 1,700 windows. In order to ensure dryness, the entire building is set in a concrete "dock" 24 ft. deep, the inner walls of which are well removed from the walls of the structure. This dock is large enough to float several warships.

A Cure for Rheumatism.—The intrusion of uric acid into the blood vessels is a fruitful cause of rheumatic pains. This irregularity, is owing to a deranged and unhealthy condition of the liver. Anyone subject to this painful affection will find a remedy in Parmelee's Vegetable Pills. Their action upon the kidneys is pronounced and most beneficial and by restoring healthy action, they correct impurities in the blood.

"Papa," said the darling daughter of the household, "how did you propose marriage to mamma?" "Don't ask me," answered the old man. "I can't remember a thing about it. Go and ask your mother. She managed the whole affair."

PLEASANT MOMENTS.

It has been said with a great deal of truth that you can never become really acquainted with a man until you have supped with him, and in order to ensure a pleasant time good tea must be used. During the past sixteen years "SALADA" has become a familiar word to every newspaper reader, and the fact that the demand is steadily increasing requires no comment; it tells its own story. "SALADA" is king. The delicious flavor of "SALADA" Tea is due largely to the care used in the cultivation and preparation and to the fact that it is packed in sealed lead packages which prevent it coming in contact with articles that would affect its flavor.

The following doubtful compliment is a fragment from a love-letter:—"How I wish, my darling Adelaide, my engagements would permit me to leave town and come and see you! It would be like visiting some old ruin, hallowed by time and fraught with a thousand recollections."

Cucumbers and melons are "forbidden fruit" to many persons so constituted that the least indulgence is followed by attacks of cholera, dysentery, griping, etc. These persons are not aware that they can indulge to their heart's content if they have on hand a bottle of Dr. J. D. Kellogg's Dysentery Cordial, a medicine that will give immediate relief, and is a sure cure for all summer complaints.

AN UNFAVORABLE REPLY.

"Is he to be trusted?"
"What with?"
"Anything of value?"
"Nailed down?"
"No."
"Then he isn't."

If you are out of sorts get a bottle of 'Ferrovin' the best tonic, and you will be surprised how quickly that tired feeling will wear off. \$1.00 bottles. All dealers in medicine.

"Dear friends," began a speaker at a meeting the other night, "I call you 'dear friends'; I won't call you ladies and gentlemen because, you see, I know you all so well."

They are a Powerful Nerve.—Dyspepsia causes derangement of the nervous system, and nervous debility once engendered is difficult to deal with. There are many testimonials as to the efficacy of Parmelee's Vegetable Pills in treating this disorder, showing that they never fail to produce good results. By giving proper tone to the digestive organs, they restore equilibrium to the nerve centres.

Smith: "Do you think that seeing is believing?" Mrs. Smith: "No, I see some people every day I could never believe."

A SMALL BOY'S TEARS.

"What are you crying for, my poor little boy?"
"Boohoo! Pa fell downstairs."
"Don't take on so, my pet. He'll get better soon."
"Sister saw him fall all the way. I never saw nuffen! Boohoo!"

A DEFINITION.

"Do you think that if woman is 'the weaker vessel' you might call an old maid a derelict?"
"Why? Because she's deserted?"
"Well, no — because she isn't manned!"

Time Has Tested It.—Time tests all things, that which is worthy lives; that which is inimical to man's welfare perishes. Time has proved Dr. Thomas' Electric Oil. From a few thousand bottles in the early days of its manufacture the demand has risen so that now the production is running into the hundreds of thousands of bottles. What is so eagerly sought for must be good.

Office Boy—"There's a gentleman here with a bill." The Old Man—"Tell him to call again." "With a bill you got agin him, that he wants to pay." "Ah! Show the gentleman in."

WONDERFUL MONASTERY.

At Solovetsk, in the Russian Government of Archangel, is the most remarkable monastery in the world. The monastery of Solovetsk is enclosed on every side by a wall of granite boulders, which measure nearly a mile in circumference. The monastery itself is very strongly fortified, being supported by round and square towers about 30 ft. in height, with walls 20ft. in thickness. The monastery consists in reality of six churches, which are completely filled with statues of all kinds and precious stones. Upon the walls and the towers surrounding these churches are mounted huge guns, which in the time of the Crimean War were directed against the British White Sea Squadron.

NATURE'S TONICS.

Nature furnishes the very best of tonics in fruits and vegetables. Water-cress is particularly valuable if one is afflicted with skin irritations. Spring onions, radishes, and lettuce, dandelion, celery and rhubarb are all beauty foods. Onions are one of the finest nerve tonics in the world and are very good for those poor, unlucky ones who suffer from insomnia.

ASTONISHED THE DOCTOR
Physician Said She Might Drop Dead at Any Time.
"The Doctor told me I had heart disease and was liable to drop on the street at any time," says Mrs. Robert Eaton, of Dufferin, Ont.
"I was afraid to draw my breath, it pained me so, I was nervous, short of breath, had dizziness, loss of appetite, smothering and sinking spells, and I could not sleep."
"Sometimes I would have to lie down to keep from falling. My hands and feet would seem to go to sleep and a sort of numbness would come all over me."
"I began using Dr. Leonard's Anti-Pill. From the start I improved. I feel much stronger, look better, and altogether Anti-Pill has made a new woman of me."
"I am entirely cured."

THE PROFESSOR.
"That spendthrift nephew of mine," said the doctor, "is so good for nothing that sometimes I am tempted to operate on his skull with an auger to see if I can find out what is the matter with him."
"Don't do that," advised the professor. "Use a silver instrument on him. Cut him off with a shilling."
HOPE YET.
"I declare," exclaimed a talkative youth in a smoking room one day, "I believe I have forgotten all I ever knew!"
"Sorry to hear it," growled a ferocious old individual. "However, you can put in an hour some day learning it all over again."
