### William Also-Ran-Dolph Hearst

(Reprinted with apologies to the mem-  
ber for South York.)

Willie runs a supplement which al-  
ways beats the news;

Willie runs for President, with noth-  
ing much to lose—

Willie's always running, whether by  
request or not.

Whoever there's a vacancy, it's Wil-  
lie-on-the-spot.

Frisky Willie, risky Willie, feverish  
for speed,

Prints a rapid journal, so that he who  
runs may read.

Willie runs for Governor quite regular  
of late.

Willie runs the Government (or tries  
at any rate.)

Willie looks on politics with serious  
intent.

As a sort of annex to his Comic Sup-  
plement.

Willie, Willie, wanton Willie, can he,  
will he quit?

Willie's always playing tag and yet  
he's never it!

Willie ran for mayor once, but when  
he realized

That he was defeated he was not at all  
surprised.

In this land, which (Willie says) by  
grafters is accursed.

Almost everybody has defeated Willie  
Hearst.

Dreaming Willie, scheming Willie,  
hitting of the pipe:

He's one type of journalist—his Jour-  
nal's mostly type.

When he saw that puddles were the  
topics of the hour

Willie got a Muck-Rake of a hundred-  
donkey power.

Started up a geyser, shrilly shrieking  
all the time:

"Don't you touch my mud! I've got a  
scoop on this here slime!"

Frantic Willie, antic Willie, always on  
the jump,

Willie found the Muck-Rake slow, and  
so he bought a pump.

Brimstone is to Willie quite the mil-  
dest of emulsions—

Dowie multiplied by fits and Lawson  
in convulsions:

Any great calamity that comes the  
world to curse,

Read it in the "Journal"—and you'll  
find that it is worse.

Bumptious Willie, gumptious Willie,  
running for a prize.

Keeps his circulation brisk by con-  
stant exercise.

—Wallace Irwin, in Collier's Weekly.

You are as welcome to look as to  
trade. Atkinson & Switzer.

### Maple

A number of villagers assembled at  
the home of Mrs. J. Martin last Fri-  
day afternoon, and spent a pleasant  
time. Tea was served on the lawn,  
after which games were played by the  
young people.

New side walk is being laid in differ-  
ent parts of the village. This is much  
needed, as the old walk is in a very  
bad condition in many places.

The monthly meeting of the  
Women's Institute will be held at the  
home of Mrs. Garrow on Thursday  
afternoon of next week. It is expect-  
ed that Dr. Helen MacMurehy, of  
Toronto will be present and address  
the meeting.

Mrs. J. White, of Lucan is visiting  
with relatives in the village.

Mr. and Mrs. Robert Bruce of Gorm-  
ley, spent Sunday at Mr. A. Lloyd's.

Mr. E. H. Elliott, of Toronto, who  
has just returned from a two-months'  
trip to Alberta, spent Monday with  
friends here.

Mr. and Mrs. R. J. Matheson of  
Newmarket drove down on Saturday  
and remained over Sunday with  
friends here.

Mr. James B. McLean returned Sat-  
urday after spending a few days in  
Western Ontario.

The choir of St. Paul's church spent  
a pleasant time at the Manse Friday  
evening.

The Maple Branch of the West York  
Women's Institute hold their meet-  
ings on the second Wednesday of each  
month. Mrs. James Kirby is presi-  
dent, and Mrs. W. T. Cook, secretary-  
treasurer. The paper for September  
will be given by Dr. Helen Mac-  
Murehy of Toronto, on the subject  
"Patent Medicines."

### SEPTEMBER CANADIAN

There is a variety of interest in the  
September Canadian Magazine. Erie  
Waters describes in a bright yet  
vigorous manner the delights of a day  
in Venice, the home of the Gondolier,  
the city of colour. Bonycastle Dale  
writes of the maskinonge as he has  
seen it in the Rice Lake district. The  
spawning period was that chosen for  
investigation and some new facts are  
recorded. The photographs are un-  
usual. Archibald MacMechan gives a  
character sketch of De Mille, the Nova  
Scotian humorist and novelist, now  
almost forgotten, with reproductions  
of some of his humorous sketches.

Norman Patterson describes the  
"Evolution of a Department Store,"  
giving a history of its rise and an  
economic view of its functions. This  
is profusely illustrated. J. E. B.  
McCready writes of the almost tragic  
illness of Sir John Macdonald in 1870,  
and the events of that time. Thorleif  
Larsen, a young Canadian of Norse  
descent, has a character sketch of that  
greatest of Norwegian literary men,  
Henrik Ibsen. The stories are by M.  
B. Parent, Emily Rhodes, Mrs. Praed,  
N. De Bertrand Lugin and the late  
Kate Westlake Yeigh. The depart-  
ments are packed full.

### DIED AT THORNHILL

Mr. Edward Gallanough who retired  
from business a few years ago died at  
the home of his mother last Thursday  
night. Mr. Gallanough had not en-  
joyed good health for several months  
past, but of late had been feeling  
much better. Early last Thursday  
evening he drove a friend home, and  
on returning was seized with a hemor-  
rhage. He had lost control of his  
horse, and was found in an uncon-  
scious state in the yard leaning over  
the dashboard of the buggy. A Dr  
was at once summoned, but he lived  
only a short time. The funeral from  
the family residence on Sunday was  
largely attended.

### BOOMING BUSINESS

Mr. H. C. Bailey merchant at Maple,  
is pleased to announce to his patrons  
and friends that his business has  
almost doubled since he has moved to  
his new premises known as the Post  
Office store. In a neat card he ex-  
presses his thanks for the patronage  
accorded him, and intimates that he is  
in a better position than ever to give  
extra value for the money left him.  
He has placed on sale this week 318  
pairs of assorted boots, shoes and  
slippers at 50 cents a pair; 490 bars  
Eclipse soap, 8 bars for 25 cents; and  
120 packages seeded raisins, 4 packages  
for 25 cents. Highest prices paid for  
butter and eggs.

### COUNTERFEIT BILLS

Bank of Toronto counterfeit ten-  
dollar notes, no. 202, 120 of the issue of  
June 1, 1892, and signed by J. A.  
Adams and Geo. Gooderham, are in  
circulation in Toronto, and the police  
say a gang had planned working the  
Toronto and other fall fairs. It is a  
very dangerous counterfeit having  
passed the officials of at least one city  
bank without detection. The Bank of  
Toronto management say this is the  
first time in 54 years that their ten-  
dollar's notes has been imitated. By us-  
ing acid American one-dollar notes are  
being raised to five and Canadian ones  
to ten.

### FALL FAIRS.

The dates of exhibitions and fall  
fairs popular in this section so far ar-  
ranged are as follows:

Toronto, Aug. 27-Sept. 10.  
Newmarket, Sept. 18, 19.  
Markham, Oct. 3-5.  
Western Fair, Oct. 6.  
Schomberg, Oct. 11-12  
Bradford, Oct. 16, 17.  
Woodbridge, Oct. 17-18

Special—30 lbs. brown sugar, pure,  
and light in color, \$1.00. Naughton &  
Bros., Elgin Mills.

### FACTS IN NATURE.

Not Only Do We Get Inspiration From  
Nature, But Health as Well.

For people who are run-down and nerv-  
ous, who suffer from indigestion or dys-  
pepsia, headache, biliousness, or torpid  
liver, coated tongue with bitter taste in  
the morning and poor appetite, it be-  
comes necessary to turn to some tonic or  
strengthening agent which will assist Nature  
and help them to get on their feet and  
put the body into its proper condition. It  
is becoming more and more apparent that  
Nature's most valuable health-giving  
agents are to be found in forest plants  
and roots.

Nearly forty years ago, Dr. R. V. Pierce,  
now consulting physician to the Invalids'  
Hotel and Surgical Institute, at Buffalo,  
N. Y., discovered that by scientifically  
extracting and combining certain medi-  
cinal principles from native roots, taken  
from our American forests, he could pro-  
duce a medicine which was marvelously  
efficient in curing cases of blood disorder  
and liver and stomach trouble as well as  
many other chronic, or lingering ail-  
ments. This concentrated extract of  
Nature's vitality he named "Golden Med-  
ical Discovery." It purifies the blood by  
putting the stomach and liver into  
healthy condition, thereby helping the  
digestion and assimilation of food which  
feeds the blood. Thereby it cures weak  
stomach, indigestion, torpid liver, or bil-  
iousness, and kindred derangements.

If you have coated tongue, with bitter  
or bad taste in the morning, frequent  
headaches, feel weak, easily tired, stitches  
or pain in side, back gives out easily and  
aches, belching of gas, constipation, or  
irregular bowels, feel flashes of heat al-  
ternating with chilly sensations or kind-  
red symptoms, they point to derange-  
ment of your stomach, liver and kidneys,  
which the "Golden Medical Discovery"  
will correct more speedily and perman-  
ently than any other known agent. Con-  
tains no alcohol or habit-forming drugs.  
All its ingredients printed in plain En-  
glish on wrapper.

The sole motive for substitution is to  
permit the dealer to make a little more  
profit. He gains; you lose. Accept no sub-  
stitute for "Golden Medical Discovery."

Constipation causes and aggravates  
many serious diseases. It is thoroughly  
cured by Dr. Pierce's Pleasant Pellets.  
One a laxative; two or three are cathartics.
