**LE ROI MINE GOES DEEPER.**  
The Le Roi has reached 1,750 feet, the lowest depth of any mine in the province. **WHITE BEAR.**—In the old north drift, on the 850-foot level, east of the shaft, a chute of ore five feet in width has been struck, which runs about \$26. and looks as though it would continue for a considerable distance further. All the ore shipped from this chute is that which is extracted in the course of the development. Drifting is in progress on No. 3 ledge on the 700-foot level, and the entire face of the drift is in ore of a pay grade, which runs about \$37 to the ton. Drifting is in progress on the 1,000-foot level. The intention is to start the mill within the next day or two, with one shift, in order to use up the second-class ore that is taken out in the course of the development work. The mine is looking better than ever.

A good medicine requires little advertising. Dr. Thomas' Electric Oil gained the good name it now enjoys, not through elaborate advertising, but on its great merits as a remedy for bodily pains and ailments of the respiratory organs. It has carried its fame with it wherever it has gone, and it is prized at the antipodes as well as at home. Dose small, effect sure.

"Tommy," said a father to his son, "have you been at those six peaches I put in the cupboard?" "Father," said Tommy, looking into his eyes, "I have not touched one." "I saw a queer thing the other day," said the story-teller; "It was a duck swimming across a pond and a cat sitting on its tail." "Oh, nonsense," cried the audience, incredulously. "How could a duck swim across a pond and a cat on its tail?" "Nevertheless," said the story-teller, "it's perfectly true. I should explain, however, that the cat was sitting on its tail on a wall."

**HIS POSITION IN THE MATTER.**  
"Gracious!" exclaimed the fond wife, coming in her husband's den and finding him smoking his pipe and reading. "This room is thick with smoke. I don't see how you can stand to sit in here." "You can't?" responded the brutal husband. "Well, I don't stand to sit in here; I sit to sit in here. Did you think you had married a freak?" It is said that this was the first time in their married life that she slammed a door on leaving him.

**HIS LITTLE JOKE.**

On a Western railroad there is a brakeman who has lost the forefinger of his right hand. The wonderful works of nature along the road keep the brakeman busy answering the passengers' questions.

One day, after the brakeman had been pointing out the window and explaining the scenery, one of the passengers whispered to the conductor, "Conductor, can you tell me how that brakeman lost his finger? He seems to be a very nice fellow. It seems a pity he should be crippled."

"That's just it, ma'am. He is a good fellow. He is so obliging that he just wore his finger off pointing out the scenery along the line."

"You say, Mr. Timmid," said the girl, in a low, thoughtful, this-is-a-serious-matter sort of tone, "that you have loved me for five years, and have never dared to tell me so until to-night?" "Yes," he replied. "Well, I cannot be your wife. A man who has no more courage than that would feign to be asleep while a burglar stole his baby's shoes."

**For Family Colds**

A reliable cough and cold cure should be always in the house ready for use the moment the first symptoms appear. It is always easier, cheaper and better to check a cold in the very beginning.

It is safer, too. Shiloh's Consumption Cure, the Lung Tonic, has been tested for thirty-three years, and tens of thousands of homes in Canada and the United States to-day are never without it.

A dealer writes: "Shiloh's Consumption Cure is without doubt the best remedy for Coughs and Colds on the market. Once used, my customers will buy no other.—L. Elsiey, Nanawaga, Ont."

If it were anything but the best would this be so? Try it in your own family. If it does not cure, you get back all it cost you. We take all the chances. Neither you nor your dealer can lose. Isn't that fair? 25c. is the price. All dealers in medicine sell.
