EDGELY CIDER & JELLY MILL

Will run on custom work during October and November as follows:—

Starting Monday, Oct. 1st, will run first three days of each week during October and November, up to and including Nov. 21, 1906.

As is well known we make raw cider, boiled cider, apple butter, and jelly all from your own apples. Cider can be boiled to any thickness. Jelly apples should be well ripened and two-thirds sweet.

Parties wishing apple butter should keep their peeling apples separate from the cider apples. Will buy a few peeling apples only. No cider apples wanted.

As we have now, after many improvements, a capacity of about 3000 gallons of cider boiled into jelly and apple butter per day, we hope to give our customers every satisfaction.

Customers are respectfully requested to do business on the above mentioned days as we live a distance from the factory and customers coming any other day would find it very inconvenient.

We hope to see all our old customers back again this season as usual with as many more as possible. Thanking the general public for past favors, we solicit a continuance of the same in the future.
