CAR WORKS AT RICHMOND HILL.

The Industrial Committee of the Village Council had an interview on Tuesday with a number of the officials of the Canadian Northern Railroad Company. Various matters of interest to the Village and Company were discussed, such as coal sheds, store-room for lumber, grain elevator, etc. The desirability of the Car Works of the company being located in our town was fully discussed, and the proposition was regarded with favor by the officials of the company.

At the last session of the Legislature the Minister of Agriculture secured an appropriation for the purpose of making an investigation into the condition of the horse industry in the Province of Ontario. This work is now being undertaken by the Department of Agriculture of Ontario and will be commenced early in October. The object of this investigation is to obtain information to be used in deciding as to the best policy to adopt to encourage more extensive breeding a better class of horses.

In order to procure this information the Province will be divided into eight districts. Two competent and expert horsemen have been selected and allotted to each district. From five to six weeks will be spent in each district by the committee appointed for that district. The districts will be composed of a number of counties grouped together, the number making up each district being decided by the length of time required to go through a county. Each county will require from four to nine days.

A Public Meeting will be held in each county, and the commissioners will visit the various Institute Districts. The Public Meeting for York County will be held in Richmond Hill on the evening of November 5.

WOMAN'S MAGAZINE

Call at THE LIBERAL Office and get a sample copy of New Idea Woman's Magazine, published on Broadway, New York, at 50 cents a year. The editor sums up the policy of that lady's monthly as follows:—"The new Idea Woman's Magazine believes that all healthy minded women must work and play, and is therefore interested in all woman's work and play, whether in the home or in public life. It believes that women are interested in all forward social movements in the home and country, in education, manual development, arts and crafts, immigration and good government; and it aims to show what is going on in these lines in its photographs and articles. It aims to help the housekeeper by publishing every good domestic suggestion it can obtain, good recipes and accurate needlework instruction. It gives suggestions for summer and winter social gatherings, records the publication of the best contemporary fiction and of new books on practical household matters. In its pattern department it is noted for accuracy and good fitting qualities. It has a children's department that is a magazine in itself. It contains each month a number of short stories and in the early winter will start a charming serial story of which you will hear more later."

Does Your Stomach Bother You?

Dr. Shoop's Restorative Cures All Distressing Stomach Troubles Through the Inside Nerves.

As you value your health and happiness don't neglect to care for the slightest stomach pain—don't let it go. At the first sign of distress use Dr. Shoop's Restorative and end all these troubles. These aches are signals—they are symptoms of coming disease—it is wise to ignore them? You who never eat a hearty meal without a sense of fullness—followed by a period of lassitude or drowsiness—be wary. Neglect these conditions and you surely invite distressing indigestion—you'll become a sailor, miserable dyspeptic. Do you ever experience any of these symptoms?—distressing eating, returning of food to mouth, gnawing at the pit of stomach, rumbling of gas, belching of wind, loss of appetite, heartburn, headache, dizziness? If you suffer in any of these ways, your duty is clear—there is but one course open to you—strengthen the inside nerves—these special stomach nerves—shake off forever this evidence of disease. Put the digestive nerves in condition to act as nature intended they should. Don't drug, don't force—just give the inside nerves natural force, gentle tonic, nature's help. Dr. Shoop's Restorative (Tablets or Liquid) should be taken to do this—it is the only prescription which builds up, or even attempts to restore the inside stomach nerves. Sold by
