Call at our store for free trial box. W. A. Sanderson.

The Newmarket school board are offering two scholarships for pupils making the highest number of marks at the Entrance Examinations in that town. Each scholarship means free tuition at the High School for two years. One scholarship will be for pupils, residents of Newmarket, and the other for those outside of the town. The idea is certainly a good one.

On Sunday evening after a sermon specially to young men, Rev. A. P. Brace received twenty candidates into full membership with the church. The ceremony was solemn and impressive as the pastor and his officials extended to the candidates the right hand of fellowship. It is an inspiring sight to see so many young people determined to stand on the side of God and right.

When the tip of a dog's nose is cold and moist, that dog is not sick. A feverish dry nose means sickness with a dog. And so with the human lips. Dry, cracked and colorless lips mean feverishness, and are as well ill appearing. To have beautiful, pink, velvet-like lips, apply at bedtime a coating of Dr. Shoop's Green Salve. It will soften and heal any skin ailment. Get a free, trial box, at our store, and be convinced. Large nickel capped glass jars, 25 cents.

One of our good farmers was telling on the streets yesterday a conversation he chanced to hear between a young boy in his teens and a Christian Scientist. It appears the Scientist came across a small boy sitting under an apple tree doubled up with pain. "My little man," he said, "what is the matter?" "I ate some green apples," moaned the boy, "and, oh, how I ache!" "You don't ache," answered the scientist; "you only think so." The boy looked up in astonishment at such a statement, and then replied in a most positive manner: "That's all right; you may think so, but I've got inside information."

Preventics, as the name implies, prevent all Colds and Grippe when "taken at the sneeze stage." Preventics are toothsome candy tablets. Preventics dissipate all colds quickly, and taken early, when you first feel that a cold is coming, they check and prevent them. Preventics are thoroughly safe for children, and as effective for adults. Sold and recommended in 5 cent and 25 cent boxes by W. A. Sanderson.

A pretty family wedding took place at York Mills on Wednesday of last week, when Annie, daughter of Mr. and Mrs. D. B. Birell, was married to Mr. Clarkon Stephens of Toronto. THE BY-LAW STANDS.

Some time ago a motion was made by a hotel-keeper to quash the local option by-law in Pickering, twelve different reasons being stated for such an order. The by-law passed with a majority of 205 out of a total vote of 1,280. The Divisional Court on Saturday set aside the order. Local option is therefore still in force in Pickering township and village.

The new Pure Food and Drug Law will mark it on the label of every Cough Cure containing Opium, Chloroform, or any other stupefying or poisonous drug. But it passes Dr. Shoop's Cough Cure as made for 20 years, entirely free. Dr. Shoop all along has bitterly opposed the use of all opiates or narcotics. Dr. Shoop's Cough Cure is absolutely safe even for the youngest babe—and it cures, it does not simply suppress. Get a safe and reliable Cough Cure, by simply insisting on having Dr. Shoop's. Let the law be your protection. We cheerfully recommend and sell it. W. A. Sanderson.

"A TUG OF WAR."

One of those delightful and interesting pictures that brings sunshine to one's home is entitled "A Tug of War," and has been selected by the Family Herald and Weekly Star of Montreal as their annual gift to subscribers this season. It is a beautiful gravure, 22x29 inches, on the best plate paper. It certainly is a gem worthy of the best place on the walls of any home. When one sees the picture and learns that it is absolutely free to all who subscribe to that great family weekly there is no longer cause to wonder why the Family Herald and Weekly Star has five times the number of readers of any other weekly in the country. Any person remitting one dollar for a year's subscription to the Family Herald and Weekly Star of Montreal will get the picture free, and from the demand we learn you cannot get your dollar in too quickly. "The Tug of War" is a high class production and would command a high price if sold in the stores, but is reserved for Family Herald subscribers.

Help! Help!
I'm Falling

Thus cried the hair. And a kind neighbor came to the rescue with a bottle of Ayer's Hair Vigor. The hair was saved! This was because Ayer's Hair Vigor is a regular hair medicine. Falling hair is caused by a germ, and this medicine completely destroys these germs. Then the healthy scalp gives rich, healthy hair.
