

LOCALS.

The Bank of Toronto has opened branches at Aurora and Newmarket.

Thursday of this week, Thanksgiving Day, is the last day of Woodbridge Fair.

Mrs. High, sister of the late James Shuter of Thornhill, was buried in that village last Monday.

Mr. E. Barker represented Richmond Hill at the Ontario curling meeting held in Toronto on Tuesday.

Another street lamp has been erected on Centre street west, near the residence of Mrs. Woods.

As Thanksgiving Day falls on our regular publishing day THE LIBERAL is published on Wednesday of this week.

Rev. A. P. Brace, B. D., preached special sermons on Kleinburg circuit last Sunday. Mr. Brace's work here was taken by Rev. H. A. Fish.

Mr. John McDonald, merchant at Concord, spent last Sunday with his nephew, Mr. Frank McDonald, who is recovering from an attack of typhoid.

Next Monday evening the League will be in charge of the missionary department. A good programme will be provided. All are invited to attend.

Rev. J. A. Grant and Rev. Geo. McKinley will have an exchange of pulpits on Sunday, 28th inst. Mr. Grant will preach at Zion afternoon and evening.

Mrs. James Andrews who spent the greater part of the summer with her parents, Mr. and Mrs. G. Wiley, started for her home in Carman, Man., yesterday.

Rev. A. P. Brace, B. D., will preach in the Methodist church next Sunday evening. A specially interesting musical service will be given. Everybody welcome.

In reply to "Witness" we would say that as Judge Morgan was unable to hold court here on October 5, all the cases on the docket were adjourned to November 21.

New books were handed out at the Public Library Tuesday evening. There was a regular rush, and Mr. Cowie, the librarian, was kept busy waiting on his patrons.

The People's Plowmen's Association will hold their annual plowing match at Markham Village on Tuesday, the 6th of November. The match will be held on the farm of Mr. Wm. Robinson.

The usual united Thanksgiving service will be held in the Methodist church on Thanksgiving Day, 18th October, at 11 o'clock. Rev. J. A. Grant, M. A., will preach the sermon. A collection will be taken up in behalf of any poor in the village.

Mr. E. J. Cable, under instructions from the Village Council, has sunk a tubular well in the Park, near the south entrance of the Skating Rink. A fairly good flow of water was struck at a distance of 69 feet. The council have ordered a windmill which will be erected this fall.

Our citizens have been looking westward these last few nights the object of attraction being the balloon above the city of Detroit. As the distance to Detroit is over 200 miles the balloon must rise in the air several miles before it can be seen here. Detroit is a little south of west of this place.

Rev. Dr. Chown met with the Vaughan Ministerial Association at Woodbridge on Monday and discussed with the ministers the Moral Reform question, and Christian Citizenship. Dr. Chown also gave one of his excellent lectures on the same subject to the public in the Methodist church Monday evening.

A notice in the Toronto Globe a week or two ago stated that the government had made Friday, following Thanksgiving Day, a public school holiday. It seems that the notice was not official. The Richmond Hill Board, however, as well as many other boards, have decided that the schools will be closed Friday of this week.

In the county court house Monday morning, John Strader of the Davisville Hotel, was fined \$75 and costs or three months in jail for obstructing provincial officers in searching his place for liquors. Defendant got time to pay the fine. This decision indicates that if a house has the reputation of selling liquor illegally officers can enter it any time without a warrant and search the house.

The new Pure Food and Drug Law will mark it on the label of every Cough Cure containing Opium, Chloroform, or any other stupefying or poisonous drug. But it passes Dr. Shoop's Cough Cure as made for 20 years, entirely free. Dr. Shoop all along has bitterly opposed the use of all opiates or narcotics. Dr. Shoop's Cough Cure is absolutely safe even for the youngest babe—and it cures, it does not simply suppress. Get a safe and reliable Cough Cure, by simply insisting on having Dr. Shoop's. Let the law be your protection. We cheerfully recommend and sell it. W. A. Sanderson.

At the annual meeting of the Ontario Curlers' Association held in Toronto on Tuesday, Rev. R. N. Burns of Brampton was elected president, and Mr. J. A. McFayden of Toronto, secretary. For the Tankard Richmond Hill Club is in the group with the Toronto rinks, Lindsay, Port Hope etc. to play in Toronto; and for the District Cup with the Toronto rinks, Georgetown, etc., to play at Brampton.

THE HORSE INDUSTRY.

The following is the programme for York County, District No. 5: Public Meeting, Richmond Hill, Nov. 5, 7:30 p. m.; North York Institute District, October 23 to 30, starting at Newmarket; East York Institute District, Oct. 21 to Nov. 2 (morning), starting at Scarboro Junction; West York Institute District, Nov. 2 (afternoon) to Nov. 5, starting at Weston.

PRESBYTERIAN CHURCH.

The Junior Mission Band of the Presbyterian church will hold their annual thank-offering meeting Monday evening, October 22. The little ones have prepared a programme which will commence at eight o'clock, at the close of which they will serve their friends a cup of tea. A silver collection in aid of the missions will be taken up.

JUST THE THING.

A very neat sign in the shape of a shield has been placed on the southwest corner of the Methodist church. The sign bears the name of the present superintendent and assistant, the hours of Sunday services, Sunday School, Epworth League and Prayer Meeting. The lettering is in gilt, and the workmanship has been well executed. Members of the church are now expressing surprise that such a sign was not placed there years ago. But better late than never.

PICTURE POST CARDS.

Good collection of picture post cards at THE LIBERAL store. These include snapshots of Richmond Hill High School, Public School, Presbyterian Church, Church of England, and a pretty scene at Lake Wilcox. Some of the cards are ornamented with the picture of a typical Canadian girl surrounded by a wreath of vines and maple leaves, while others bear the Union Jack and the Canadian beaver. These cards are 20 cents a dozen. Send a souvenir to distant friends.

UNIQUE ENTERTAINMENT.

The Willing Worker's Mission Band will give a unique entertainment—taking the form of a Dutch Supper—in the Temperance Hall, on Wednesday, October 31st (Hallowe'en). Such dainties as only Dutch maidens know how to prepare, will be served. During the evening an interesting musical programme will be given. Supper will be served from five o'clock. No admission fee to the hall, but each person buys what he would like best for a Hallowe'en supper. Bring your friends and picnic in jolly Dutch fashion. Baskets will be provided for the guests.

LITERARY NIGHT.

The following interesting programme was given at the Epworth League meeting Monday evening: Hymns 50, 70 and 216; Canadian Hymnal; Bible reading, Proverbs 15; Solos, Mrs. A. G. Savage, Mr. A. J. Hume; Essay, Pennyson's "In Memoriam," by Miss Morden. Mrs. Hume, Miss Barker and Miss Trench presided at the organ. Rev. Mr. Brace conducted the devotional exercises and Mr. T. F. McMahon was chairman. Miss Morden's essay was particularly interesting. The salient points in the poem were cleverly brought out, and the essay was highly appreciated by the large audience present.

THE ONTARIO FARMER.

The farmer, if he only knew it, is a little nearer the kingdom of heaven than anyone else on earth. He is certain of three square meals a day and is the only man who can fence himself in and live in spite of the rest of mankind. A few cattle and sheep and fowl provide him with food and clothing, while his fields yield him flour and a source of revenue. So generous are these provisions and so common, that hardly one farmer in ten makes any account of them, although the ordinary business man thinks he has done well when he reaches the end of the year and finds that he has a little more than made ends meet.

H. F. HOPPER'S DEATH.

Few names sound more familiar in this village and vicinity than that of Harry Hopper. Our esteemed citizen passed away Monday forenoon at 10 o'clock, aged 58 years. Deceased had led an active life as a butcher and drover, and was a favorite with old and young. His ailment dates back many years, though nothing serious was feared until June last when it was discovered he was suffering from a growth in the face known as sarcoma. Since that time many operations were performed by specialists, and he was several weeks in the hospital, but although he received temporary relief, the best of attendance, and the best of care from relatives and friends could not save him. Besides a widow deceased leaves a family of sons and daughters to mourn the loss. The sons are Herbert, Frederick and Frank of this village; the daughters, Mrs. Frank Sims also of this village, and Mrs. Lever and Miss Edith Hopper of Toronto. The sisters are Mrs. Evans, Port Perry; Mrs. Bell, Blythwood; Mrs. Crandall, Lindsay; and Mrs. Smith, Leamington. The brothers are Thomas, Richmond Hill; Robert, in Montana; and William in Illinois. The funeral from his late residence Wednesday afternoon at 2:30.
