When business people are prevented the pleasure of living in our village and others are moving away because we have not a car going to the City early enough, the question should engage the thought of the Metropolitan officials. Of course, it is difficult to please everybody.

Rev. A. P. Brace preached the funeral sermon and buried Mrs. Geo. Routliffe at Willowdale on Saturday afternoon. Mrs. Routliffe was in her 80th year and was one of the landmarks of Newton Brook. Suffering for some time, she died peacefully on Thanksgiving evening at the home of her son in Toronto.

To sell at a fair price is quite as important as to produce the best. No farmer can sell to advantage unless he is posted on market conditions. There is no better means by which a farmer can become posted on these conditions than by regularly reading The Weekly Sun, which is pre-eminently the farmer's business paper.

When the tip of a dog's nose is cold and moist, that dog is not sick. A feverish dry nose means sickness with a dog. And so with the human lips. Dry, cracked and colorless lips mean feverishness, and are as well ill appearing. To have beautiful, pink, velvet-like lips, apply at bedtime a coating of Dr. Shoop's Green Salve. It will soften and heal any skin ailment. Get a free, trial box, at our store, and be convinced. Large nickel capped glass jars, 25 cents.

Preventics, as the name implies, prevent all Colds and Grippe when taken at the sneeze stage. Preventics are toothsome candy tablets. Preventics are thoroughly safe for children, and as effectual for adults. Sold and recommended in 5 cent and 25 cent boxes by W. A. Sanderson.

### RUN-A-WAY

McLaughlin's spirited team hitched to the soda-water wagon broke away from the Palmer House shed Friday and ran west along Arnold street. The horses ran into the fence near Mr. Frank Wiley's residence and threw themselves. One of the horses was badly injured, but it is thought it will not die. The fence received a bad jolt.

### WOODBIDGE FAIR

About 10,000 people attended Woodbridge Fair last Thursday. There was an excellent display of agricultural products and fine arts, the show of horses was good, but it was generally remarked that the exhibits in cattle were not up to former years. The speeding in the horse ring was exciting, Blackbird making a trotting record for Woodbridge track of 2.164. The Governor General's Body Guard Band furnished enchanting music. The usual banquet was given on the evening of the second day.

### HEROIC BUT DANGEROUS

Yesterday, Wesley Palmer's bay pony hitched to a light wagon, stole a march on Charles Glover, ran south about a mile and was stopped by coming in contact with a herd of cattle on Yonge street, opposite M. Vanderburgh's gate. Practically no injury was done. The pony endeavored to turn in at the gateway leading to its own stable, but by an heroic act of Mrs. Redditt, mother of Rev. J. J. Redditt, ex-president of the Toronto Conference, standing at the entrance and waving her handkerchief, was kept on Yonge street. Had the run-a-way turned into the narrow gateway there would certainly have been a smash-up.

### "HALLOWE'EN."

"The lasses feat, an' cleanly neat,  
Hair brow than when they're fine;  
Their faces blithe, fu' sweetly kythe,  
Hearts leal, an' warm, an' kin'.  
The lads sae trig, wi' wooer babs,  
Weel knotted on their garten  
Some unc' blate, an' some wi' gabs,  
Gar lasses' hearts gang startin'  
Whiles fast at night."  
—From "Hallowe'en," by Robert Burns.

Don't forget the "Dutch Supper," Hallowe'en, in the Temperance Hall, in aid of the Willing Workers' Mission Band. Come and sup, picnic-style, in the uncanny glare of the pumpkin lanterns, any time after 5 o'clock. An interesting musical programme will be given during the evening. No charge for admission.

### WHERE CANADA LEADS.

Americans boast of their great business houses, newspapers, etc., and they are right in doing so; but Canada has a newspaper that outstrips most of the American papers, and Canadians are proud of it. Think of it: In this sparsely settled country we have a paper that reaches over 150,000 homes each week, representing 750,000 readers. We refer to the Family Herald and Weekly Star of Montreal, the greatest family and agricultural paper on the American Continent. Its success is well deserved too, for every year it goes on improving and to-day is certainly the greatest value to be had in the newspaper line. The home without it is missing a great deal. To farmers it is almost indispensable. Their beautiful picture gift "A Tug of War," is alone worth far more than the year's subscription, which is only one dollar. Canada easily has the best of our neighbors for a great newspaper success.

### JUNIOR MISSION BAND.

The Junior Mission Band of the Presbyterian church held their annual thank-offering meeting in the basement of the church Monday evening, when a very interesting programme

was presented. The chair was taken by the pastor, Rev. J. A. Grant who in a happy and encouraging speech towards the end of the entertainment congratulated the children on the good work they were doing, and their ability to entertain, and expressed the thanks of the congregation to the president, Miss G. Boyle, for her untiring efforts in training the Mission Band. The following is the programme rendered:—1. Opening chorus, by Mission Band; 2. Prayer; 3. Solo, Miss Maggie Cowie; 4. Recitation, Miss Agnes Boyle; 5. Chorus, Mission Band; 6. A talk to the children by our minister and chairman; 7. Recitation, Miss Gladys Cowie; 8. Solo, Miss Lila Hill; 9. Missionary, clock by Band; 10. Chorus, Mission Band. Before separating the Band served dainty refreshments which were thoroughly enjoyed by all present. Little Miss Laura Innes presided at the organist during the evening.

### MR. HOPPER'S FUNERAL

The funeral of the late Henry F. Hopper took place from the residence Wednesday afternoon of last week. The funeral was very large, and the obsequies on the solemn occasion were impressive. Before leaving the house for the village cemetery Rev. A. P. Brace made a short address, and Rev. F. Elliott offered prayer. Mr. Brace who had regularly visited the deceased during his illness spoke words of comfort to the mourners, and strongly emphasized the need of living a pure, holy and religious life. Mr. Hopper had long been a member of Richmond Lodge, No. 23, A. F. and A. M.; Court Richmond, No. 7046, A. O. F.; and Ivy Lodge, No. 114, A. O. U. W., and those societies with brethren from Thornhill, Aurora and other places showed their respect for the deceased brother by walking in procession. The funeral was under masonic honors, and the Wor. M., Bro. T. A. Lumon, read the masonic ceremony at the house and at the grave, R. Wor. Bro. H. A. Nicholls giving the grand honors. On the casket were wreaths of flowers from relatives and from the three societies to which the deceased brother belonged.
