# Children

To succeed these days you must have plenty of grit, courage, strength. How is it with the children? Are they thin, pale, delicate? Do not forget Ayer's Sarsaparilla. You know it makes the blood pure and rich, and builds up the general health in every way. The children cannot possibly have good health unless the bowels are in proper condition. Correct any constipation by giving small laxative a doses of Ayer's Pills. All vegetable, sugar-coated.

## Cold Weather Comfort

Underwear-the kind you wantwhether you feel able to pay 25c. or \$1.35 per garment. We have underwear in natural wool and a full stock of Turnbull's Sanitary Underwear-these are something pretty nice, fleece-lined, and serviceable. It is none too soon to buy winter wear and it is to your advantage as the stocks are unbroken. They will never be cheaper here and cannot be cheaper elsewhere. The same care in making selections for the men folks we exercised in the stock for the ladies and children-best values and weight suitable for this climate. The prices are right for we bought early and got antiseason's discounts, and another thing, every garment was made in 1906. There is a freshness about them that careful ladies appreciate.
