son Harper.

Victoria Square
His many friends are pleased to
learn that Mr. Fred. Graham has been
re-engaged as teacher in S. S. No. 7
for the year 1907, with a handsome in-
crease of the "filthy lucre."
Mr. Geo. A. McCague, township
delegate to the Provincial Sabbath
School Convention held in Kingston a
short time ago, will give a report of the
proceedings at the Sabbath School
here next Sunday afternoon.
A number from here attended the
Quarterly Religious Services held at
Richmond Hill on Sunday morning.
We are sorry to report that Master
Gordon Read has been confined to the
house for a few days suffering with an
abscess.

The following note, taken from the
Old Boy's Column, O. A. C. Review,
applies to a young man in Zealandia,
Saskatchewan, one of Victoria Square's
boys, Mr. Cecil Klinck: "Cecil was an
agronomist; a great boy for experi-
mental work with seeds. He never
lost his temper once during the whole
four years of his college life, and, as
everybody knows, experimental work
is second only to the possession of a
kicking cow as a test of a man's Chris-
tianity and good temper. May serenity
be his lot through life and crown his
days with peace and placidity as he
continues his experiments with
seeds on his farm in the West."

Dollar
The Free Will Offering at Zion
Methodist church on Sunday, the 28th
October, was very successful. The
church was appropriately decorated
with vines, grains and the products of
1906, and the receipts netted \$68.
Rev. J. A. Grant of Richmond Hill,
preached good sermons afternoon and
evening to large congregations, Miss
Drury assisted with two solos, and the
Unionville Quartette also sang in the
evening.
Mr. C. Brooke, our postmaster, has
remodelled the store, erected a new
fence, and made the place very
comfortable and homelike.
Mr. Wm. Ness Jr. has rented fifty
acres known as the Smith farm.

PUBLIC MEETING.
A public meeting embracing North,
East and West York, in the interest
of the Horse Industry, was held in the
Masonic Hall, Richmond Hill, on Mon-
day evening. Mr. Wm. Mossop of St.
Mary's, one of the commissioners ap-
pointed by the Ontario Government,
was present, and explained the object
of the meeting, which was to give
stallion owners, breeders of horses and
others an opportunity of expressing
their views to the committee with a
view of improving the various classes
of horses. The commissioner wished
to get information relative to the
number, type and quality of breeding
stallions and brood mares in the
county; what class of horses can be
most profitably raised; whether pri-
vate ownership or owning horses by a
syndicate is preferable; the advisabil-
ity of a Stallion Inspection Act; and
any other suggestions that might
improve conditions of horse business
generally.

Among those present who offered
suggestions were John Palmer, J. E.
Teeson, and H. Graham, owners of
stallions; A. J. Reynolds, secretary
East York Farmers' Institute; also J.
H. Sanderson, V. S.; Reeve Crosby,
ex-Reeve Savage, G. Duncan, Council-
lor Nicholls, J. H. Brydon, J. Tyndall
and others.

The general opinion was that a stal-
lion inspection act would be in the in-
terest of the horse industry, but that
stallion syndicates were not generally
successful. A vote in favor of inspec-
tion was recorded.

Our stock is very complete in all de-
partments. Values were never better.
We can sell a bill of goods such as
families of this vicinity need, giving as
good value as can be secured anywhere
in Ontario. Atkinson & Switzer,

Vaughan Ministerial Association.
The regular monthly meeting of the
Vaughan Ministerial Association will
be held on Monday, the Nov. 12, at
2.30 p. m., in the Methodist church,
Maple, when the Rev. Jos. E. Wilson
will give a paper on "The Minister in
his Study."
The following programme has been
arranged for the association:
In Nov.—Subject by Jos. E. Wil-
son; alternate, M. McKinnon.
Dec.—Subject by A. P. Brace; alter-
nate, C. L. Wisswasser.
Dec. '07—Subject by W. E. Gallo-
way; alternate, Geo. R. Kitching.
Feb.—Subject by H. A. Fish; alter-
nate, W. G. Back.
March—Subject by Geo. R. Kitching;
alternate, A. P. Brace.

ternate, Geo. Walker.
May—Subject by Geo. McKinley;
alternate, Jos. E. Wilson.
June—Subject by Geo. Walker; al-
ternate, W. E. Galloway.
The alternate will come prepared to
lead in the discussion, or to give the
paper, in case the principal fails.

Maple
Quarterly meeting services were
held here last Sunday morning.
On Friday evening the annual meet-
ing of the Bible society will be held in
the Lutheran church, Rev. W. E.
Hassard will give an address illustrated
with stereopticon views.
The usual Hallow'een tricks were
played by the boys, but on the whole
the evening passed off quietly.
Mr. Clarence Monkman has gained
the reputation of being a skilled
marksman. Last Saturday morning
while he was aiming at a rabbit, a
hawk swooped down upon it, and the
one shot killed both the bird and the
animal.
Mr. R. Rumble has rented the
Richardson House and is moving in
this week. The house will be kept on
strictly temperance lines and good
accommodation will be provided for
the travelling public.
The Sterling Bank will occupy
rooms in the Temperance House.
Much sympathy is felt for Mr. and
Mrs. Walter Bishop in the death of
Ernest their only child at the age of
six years and six months. He was ill
with scarlet fever less than a week and
passed away last Saturday night.
The interment took place on Sunday
evening.

**Do You Want to Know
What You Swallow?**
There is a growing sentiment in this
country in favor of MEDICINES OF KNOWN
COMPOSITION. It is but natural that one
should have some interest in the compo-
sition of that which he or she is expected
to swallow, whether it be food, drink or
medicine.
Recognizing this growing disposition
on the part of the public, and satisfied
that the fullest publicity can only add to
the well-earned reputation of his medi-
cines, Dr. R. V. Pierce, of Buffalo, N. Y.,
has "taken time by the forelock," as it
were, and is publishing broadcast a list
of all the ingredients entering into his
leading medicines, the "Golden Medical
Discovery," the popular liver invigorator,
stomach tonic, blood purifier and heart
regulator; also of his "Favorite Prescrip-
tion" for weak, over-worked, broken-
down, nervous and invalid women.
This bold and out-spoken movement on
the part of Dr. Pierce, has, by showing
exactly what his well-known medicines
are composed of, completely disarmed all
harping critics who have heretofore un-
justly attacked them. A little pamphlet
has been compiled, from the standard
medical authorities of all the several
schools of practice, showing the strongest
endorsements by leading medical writers
of the several ingredients which enter into
Dr. Pierce's medicines. A copy of this
little book is mailed free to any one de-
siring to learn more concerning the valu-
able, native, medicinal plants which enter
into the composition of Dr. Pierce's medi-
cines. Address Dr. Pierce as above.

Dr. Pierce's Pleasant Pellets are tiny, sug-
ar-coated anti-bilious granules. They regu-
late and invigorate Stomach, Liver and
Bowels. Do not beset the "bill habit," but
cure constipation. One or two each day for
a laxative and regulator, three or four for an
active cathartic. Once tried always in favor.
