## WOODS—RUMBLE

On Wednesday evening, Nov. 7, at 7 o'clock, a very pretty wedding was solemnized at the home of Mr. and Mrs. Charles Rumble, Fairview Farm, Vaughan, when their only daughter Ethel Beatrice and Mr. Wm. George Woods of Concord, 2nd son of Mr. and Mrs. Wm. Woods, Newton Brook, were united in the holy bonds of matrimony by Rev. A. P. Brace, B.D., of Richmond Hill, under an arch of evergreens where a beautiful Wedding Bell was suspended from the centre. The bride entered the drawing room, leaning on the arm of her father to the strains of Lohengrin's Bridal March, played by Miss Jessie Graham, Richmond Hill, and was attired in a gown of white Organdie, with long tulle veil, and carried a bouquet of bridal roses. She was attended by Miss Daisy Saigeon, Maple, gowned in white Organdie, and carried pink and white carnations. The groom was supported by his brother, Mr. Roy Woods. After congratulations, about fifty guests repaired to the dining room where a sumptuous repast was prepared. When all had done justice to the good things provided a hearty toast was proposed by Rev. A. P. Brace, and responded to by Mr. Saigeon and Mr. Kirby. The bride and groom left for their future home at Concord, later in the evening amid happy congratulations. The bride's going-away gown was a tailor made suit of brown cloth, the pony jacket opening over blouse of white silk and hat of white panne velvet and white plumes. The public library committee are about to make an addition to the library. At a meeting on Saturday night they decided to expend \$40 on new books.

The young men of the village are going to build an open skating rink on Mr. J. Martin's lot, and are talking of giving a concert to raise funds.

A club for the purpose of recreation has been organized by a number of young men. They have rented the hall at the temperance hotel and have issued a large number of invitations to an assembly on Friday evening.

Owing to the state of the weather the attendance at Bible Society meeting was not very large. The church was about half filled and the lecture was very interesting.

Miss Noble left last week for Harvey, Ill., where she will spend the winter with her brother Dr. T. Noble.

Miss Armitage and Miss F. Rosmond of Newmarket, visited over Sunday at the home of Mr. J. H. Kirby.

## Trust to Nature.

A great many Americans, both men and women, are thin, pale and puny, with poor circulation, because they have ill-treated their stomachs by hasty eating or too much eating, by consuming alcoholic beverages, or by too close confinement to home, office or factory, and in consequence the stomach must be treated in a natural way before they can rectify their earlier mistakes. The muscles in many such people, in fact in every weary, thin and thin-blooded person, do their work with great difficulty. As a result fatigue comes early, is extreme and lasts long. The demand for nutritive aid is ahead of the supply. To insure perfect health every tissue, bone, nerve and muscle should take from the blood certain materials and return to it certain others. It is necessary to prepare the stomach for the work of taking up from the food what is necessary to make good, rich, red blood. We must go to Nature for the remedy. There were certain roots known to the Indians of the whites which later came to the knowledge of the settlers and which are now growing rapidly in professional favor for the cure of obstinate stomach and liver troubles. These are found to be safe and yet certain in their cleansing and invigorating effect upon the stomach, liver and blood. These are: Golden Seal root, Queen's root, Stone root, Bloodroot, Mandrake root. Then there is Black Cherry bark. The medicinal principles residing in these native roots when extracted with glycerine as a solvent make the most reliable and efficient stomach tonic and liver invigorator, when combined in just the right proportions, as in Dr. Pierce's Golden Medical Discovery. Where there is bankrupt vitality—such as nervous exhaustion, bad nutrition—and thin blood, the body acquires vigor and the nerves, blood and all the tissues feel the favorable effect of this sovereign remedy. Although some physicians have been aware of the high medicinal value of the above mentioned plants, yet few have used pure glycerine as a solvent and usually the doctors' prescriptions called for the ingredients in varying amounts, with alcohol.

The "Golden Medical Discovery" is a scientific extraction compounded of the glyceric extracts of the above mentioned vegetable ingredients and contains no alcohol or harmful habit-forming drugs.
