

The Liberal.

RICHMOND HILL, Ont., Nov. 15, 1906

At the Lord Mayor's banquet last Friday night, in responding to a toast, War Secretary Haldane expressed regret that he and the First Lord of the Admiralty could not see their way clear to diminish Great Britain's fighting force. The War Secretary said:—"It is the duty of a Christian people to set an example for reducing the expenditure for armaments, but unless they had a response from other nations this is impossible. I hope the time will come when nations will look back upon these days as a period of barbarism and wonder why they have spent millions in this manner. But, until that time arrives, it is in the interest of peace itself that no nation let down its strength, and it is the duty of Great Britain to maintain its fighting efficiency."

COMMENDABLE

A number of gentlemen in the vicinity of Maple who advocated and voted for local option last January, and expressed the opinion that hotels could be made to pay without the selling of intoxicating liquor, have shown that they are prepared to "practise what they preach." They have purchased the Maple Leaf Hotel, and have secured a good man in the person of Mr Robert Rumble to cater to the wants of the travelling public. The gentlemen who invested their money are to be commended. That is facing the question in the proper spirit. In every campaign for the closing of bars advocates of the measure are heard to say "we must have accommodation for travellers." That is very true, but the task of furnishing the accommodation is generally left to those who voted for the open bar. That is the reason that the so-called temperance hotels so often fail to give satisfaction. They are in most cases "kept" by the men who believe in dispensing strong drink, and who have said that hotels without the bar will not pay. Those men will naturally want to show that their prophecies were correct.

There is every reason to believe that the new hotel-keeper at Maple will keep a strictly temperance house, with first class accommodation. It therefore behoves every man who believes in local option to give the house a fair trial, and assist in every reasonable and legitimate way. Those who hope to see the house pay under the new management should give their patronage whenever an opportunity presents itself. A local option campaign is now in progress in several surrounding municipalities. If the Maple Leaf Hotel can be run successfully, it will be an incentive to others to "go and do likewise."

Expression of Sympathy.

The following letter of sympathy has been sent to Mrs. Hopper, in accordance with a resolution passed at the last meeting of Richmond Lodge: Mrs. H. F. Hopper: DEAR SISTER,—It is with feelings of sadness that we, the undersigned committee appointed by Richmond Lodge, No. 23, A. F. & A. M., extend our deepest sympathy to you and the members of your family in the loss of your late husband, their late father, our late brother. His genial presence was always welcomed by us in our lodge meetings, and his kindly face we shall sadly miss. We always found our departed brother ready to take his share in any charitable or benevolent work, he was agreeable and generous, he was ever ready to clasp a brother's friendly hand, and he was always quick to forgive those from whom he differed. We mourn our brother's absence, and realize that we are all passing away, and the place that knows us now shall soon know us no more forever. We feel that existence here would be unsatisfying were it not for a hope beyond the grave, and in paying this tribute of respect we are cheered by the promise that peace will finally come to the faithful and obedient of the human race. We believe it is a duty as well as a privilege to bear each other's burdens, and if it were possible we would wish

to lighten the sorry of those bereaved. May we all be cheered by the belief that though sorrow may endure for a night, yet joy cometh in the morning. T. A. LAMON, W. M. D. HILL, I. P. M. T. F. McMAHON, P. M. Richmond Hill Nov. 2, 1906.

Beef Association.

Good roads and a lovely night favored the King and Vaughan Town-line Beef Association at their 16th annual meeting and entertainment held at the residence of Mr. and Mrs. Wm. Walkington. The Association includes 20 farmers, with 5 additional half shares. Tickets were drawn for another year, and the following officers elected:—President, A. Cameron; Secretary, N. A. Malloy; Judge of beef, J. Scott; Butcher, Wm. Walkington. After the regular business was transacted all sat down to an enjoyable tea which had been provided by the ladies. No less than 63 sat down to tea. Refreshments being over all repaired to the spacious drawing room where an excellent entertainment was presided over by Rev. W. G. Back, a substantial member of the Association. Short addresses were given by the chairman, Mr. A. Cameron, Mr. R. O. Harvey, Mr. J. Scott and others. The remarks went to show that the beef surpassed in quality that of any previous year, the average weight of the 20 young cattle killed being 566 1/2 lbs. The business had been conducted in a thoroughly satisfactory manner, and the genial butcher came in for a goodly share of praise for his courtesy, and for the able manner in which he had performed his duties ever since the Association was organized. Musical selections were contributed by Mrs. Back, Mr. J. Blough and others, and a happy evening was spent. The closing numbers were "God Save the King," and "Auld Lang Syne."

Twenty Minutes Time Enough?

To Cure the Worst Headache From Any Cause—New Reduction Method.

Most headaches and pains yield instantly to the new Reduction Method—Dr. Shoop's Twenty Minute Headache Cure. The cause for these pains is congestion—a rushing of blood to the nerve centers—which distends the veins to nearly the bursting point. Swollen and enlarged these veins and capillaries exert an irritating pressure on the myriads of nerve branches and fibres. Then there's a pain, and finally the excreting, ceases—less ache. This Reduction Method disperses the blood, distributes the overflow, and directs it to the proper centers from which pressure and irritation, aches, dizziness, and pain are caused. This has been removed by Dr. Shoop's Twenty Minute Headache Cure, and it is a simple and sure, yet the only way to thoroughly overcome these attacks of headache and neuralgia. The effect of Dr. Shoop's Twenty Minute Headache Cure is promptly and positively in every temperament. For sale and recommended by

EDGELY CIDER & JELLY MILL

Will run on custom work during October and November as follows:—
Starting Monday, Oct. 1st, will run first three days of each week during October and November, up to and including Nov. 21, 1906.

As is well known we make raw cider, boiled cider, apple butter, and jelly all from your own apples.
Cider can be boiled to any thickness. Jelly apples should be well ripened and two-thirds sweet.
Parties wishing apple butter should keep their peeling apples separate from the cider apples.
Will buy a few peeling apples only. No cider apples wanted.
As we have now, after many improvements, a capacity of about 3000 gallons of cider boiled into jelly and apple butter per day, we hope to give our customers every satisfaction.
Customers are respectfully requested to do business on the above mentioned days as we live a distance from the factory and customers coming any other day would find it very inconvenient.
We hope to see all our old customers back again this season as usual with as many more as possible.
Thanking the general public for past favors, we solicit a continuance of the same in the future.
