Victoria Square

Between twenty and thirty of the young people attended the League Rally at Richmond Hill on Monday night.

The committee in charge of Christmas entertainment are putting forth every effort to make the Christmas Tree a success.

Mr. Fred Graham of No. 7, has been unable to attend to his duties the past week. We wish him speedy recovery. The boys and girls of No. 4 intend holding their Public Examination on Friday, 21st inst. The program will consist of recitations, dialogues, instrumental and vocal music and addresses. The pupils expect to be assisted by Rev. A. F. Brace, Rev. Mr. Irwin, Mr. R. E. Sanderson, Mr. and Mrs. Geo. Baker, jr., and others. Addresses are expected from the trustees and other prominent residents of the section. Program begins at 2 p. m. sharp.

Reprint, News-Herald:—"There is at least one effectual, safe, and reliable Oough Cure—Dr. Shoop's—that we regard as suitable, even for the youngest child. For years, Dr. Shoop bitterly opposed the use of opiates or narcotics in medicine, offering \$10 per drop to any one finding Opium, Chloroform, or any poisonous or narcotic ingredient in Dr. Shoop's Cough Cure. And the challenge is as yet unanswered. Here is one manufacturing physician, who welcomed with much satisfaction, the new Government Pure Food and Drug Law. The public can now protect itself at all times, by insisting on having Dr. Shoop's, when a cough remedy is needed. Sold by W. A. Sanderson.

Vellore

Hello! Is that Vellore? Yes. How are the old boys of Vellore getting on? are they living? Why yes, they are very much alive. They are going to have an oyster supper on the same old date, the 17th of January. The secretary has instructions to get a first-class programme for the concert in connection with this supper. Look for posters.

We are getting a telephone in our town. The wires are up and will soon be in operation from Woodbridge. Branch wires to Mr. Charles McNeil and Mr. A. Cameron, also Mr. J. J. Marshall.

Mr. Jas O'Connor is able to be around again, he has been on the sick list for a couple of weeks.

The council are getting the stable at the Hall repaired and are going to make it comfortable for the horses.

Our new blacksmith has arrived and will be in shape for work pretty soon. His name is Mr. George Massay.

EPWORTH LEAGUE RALLY

There was an unusually large gathering in the Methodist church Monday evening at the League Rally of the Toronto Central District. Most of the branches in the district were well represented—namely Maple, Concord, Hope, Edgeley, Carrville, Victoria Square, Headford, Patterson, Bultonville, and the villages along Yonge street between this place and the City.

After an opening hymn, led by the choir, Rev. A. P. Brace offered prayer. Rev. J. J. Redditt of Toronto, made an admirable chairman. He referred to the good work done along missionary lines, and stated that the interest in China as a mission field was deepening year by year.

The speaker of the evening was Rev. R. Large of Bella Bella, B. C., who with his wife and two children are home for a six months' holiday, but who has had charge of the Indian mission for the past eight years. Mr. Large stated that his work as a missionary was not only to preach the gospel to the Indians, but to teach them to live a broader life, to bring them up to the standard of white people. The Dr. stated that there are now on the reserve 62 houses, a steam saw mill operated by Indians, a recreation hall, school mission house, hospital, etc. One of the hindrances to christianity was the bad example set them by the white men in B. C., 75 per cent. of whom are intemperate and immoral. But although it was difficult to judge of the spiritual life of the Indians generally he was certain there were some genuine conversions among them. The picture he drew of a life of vice and shame was enough to sadden the heart, and to make one wonder why humanity is so frail, so selfish and so wicked.

After some announcements by Mr. Might, the President, the meeting was brought to a close by Rev. J. E. Wilson pronouncing the benediction.

Catarrh of the nose and throat should lead you to at least ask us for a free trial box of Dr. Shoop's Catarrh Cure. Nothing so surely proves merit as a real, actual test—and Dr. Shoop, to prove this, earnestly desires that we let you make that test. This creamy, Snow White healing balm, soothes the throat and nostrils, and quickly purifies a foul or feverish breath. Call and investigate. W. A. Sanderson.

Edgely.

On Friday evening last the League here spent a social evening in the Hall, the programme being provided by the Maple League. There was a good turnout and the programme was being enjoyed by all present, when the cry of "Fire" was heard. All rushed out and Mr. Jas. Robb's house was seen to be on fire around one of the chimneys. Willing hands were soon at work and in about an hour the fire was put out, but considerable damage had been done to the building by both fire and water. The contents were also considerably damaged by water, and handling, as everything was taken out of the house. The cause of the fire was a defective chimney. After it was over some of the young people went back to the hall and did ample justice to the good things provided by the young ladies but the programme was left unfinished. It was a disappointment, as the numbers given were highly appreciated.

Master Allan Boynton has accepted a situation with the "T. Eaton Co." of Toronto.

The Christmas Tree in connection with the Sunday school here is to be held on the evening of Dec. 26th. A good time is expected.

Mr. Ernie Brown who has had a situation in the Queen City, has returned home. He had to give it up on account eye trouble.

Butcherings are the order of the day now. Lots of fresh "sausage."

Mr. Herb Reed is home again after spending the summer with Mr. F. Danby.

Piles get quick relief from Dr. Shoop's Magic Ointment. Remember it's made alone for Piles—and it works with certainty and satisfaction. Itching, painful, protruding, or blind piles disappear like magic by its use. Try it and see! W. A. Sanderson.

Weak Kidneys

Weak Kidneys, surely point to weak kidney nerves. The Kidneys, like the Heart, and the stomach, find their weakness, not in the organ itself, but in the nerves that control and guide and strengthen them. Dr. Shoop's Restorative is a medicine specifically prepared to reach those controlling nerves. To doctor the Kidneys alone, is futile. It is a waste of time, and of money as well.

If your back aches or is weak, if the urine is dark, or is dark and strong, if you have symptoms of Bright's or other distressing or dangerous kidney disease, try Dr. Shoop's Restorative a month—tablets or Liquid—and see what it can and will do for you. Druggist recommend and sell
