

The speakers at the Seed Fair here last Friday gave many practical suggestions to farmers as to the best methods of cultivating their land, and making the most out of their farms. But no sounder piece of advice was given than that of J. Lockie Wilson who advised young men to think twice before giving up their Ontario farms and moving to the North-west. Farmers in many instances, say with limited financial means, and with large families of sons, are to be commended for seeking homes in the west, but in ordinary cases Mr. Wilson was right when he said "stay in Ontario."

Hon. J. P. Whitney's liquor law is being condemned in many quarters. Many well-known Conservatives are speaking out strongly in condemnation of the three-fifths vote required to carry local option. Rev. J. E. Starr, pastor of Berkley St. Church, is reported as follows:—

"By that legislation not only has there been enlarged the monopoly of the liquor traffic and its entrenchment strengthened, but the requirements of the three-fifths vote to carry or repeal local option has placed the best sentiments of the province at a disadvantage for fighting the traffic."

"Mr. Starr pointed out that without any previous intimation the legislation was introduced into the Legislature and carried through. The banishment of the bars was the people's demand, and if Mr. Whitney refused to lead, then there is another, continued Mr. Starr, ready and waiting to do so. Further juggling with the liquor question was not to be tolerated. He hoped the Dominion Alliance at its meeting here in a few days would put itself on record as prepared to follow any leader, Conservative, Independent or Liberal, who will make the banishment of the bars an issue at the polls."

Let Me Sell You a Chatham Incubator — On Time

Do you know there is big money in raising poultry? Do you know there is more money in running a good incubator than in almost anything else you can do for the amount of time and trouble it takes? Do you know my incubator will pay you a bigger profit than any other thing you can have on your place?

Well, all these things are true, and I can prove it. Thousands of people all over Canada have proved it every year for the last five years.

I want to quote you a price on my Chatham Incubator, —sold ON TIME. I want to send you my Chatham book. This incubator book is free— I'll send it to you for just a postal card. It tells you a lot you ought to know about the Poultry business—it tells you how to make money out of chickens—it tells you how my Chatham Incubator will make you more money than you can make with hens—far more, and with less trouble.

This book tells you how my Incubators are made—why they are the best ever invented—and why I sell them ON TIME and on a 5-Year Guarantee.

My Company has been in business in Canada for over 50 years. We are one of the largest wood-working factories in the country. We also operate a large factory at Detroit, Mich. We have the Incubator and Brooder business down to a science.

Chatham Incubators and Brooders will make you money, for a Chatham Incubator will hatch a live, healthy chicken out of every fertile egg put into it, in 21 days.

Will you write for my book today? Do it now while you think of it. Just say on a postal "Please send me your Incubator Book"—that's all. Address me personally.
