There has been a lot of good skating in the rink this winter, and the ice has been kept in fine condition, but it is only natural that a number of our citizens are asking: "Does our council not purpose giving us even one carnival?"

Mr. Alex. Marsh a few mornings ago slipped on the ice when returning from the barn, and received a severe fall. It was feared that some ribs were fractured, but such is not the case. He is able to be about the house again.

The Municipal World puts the matter in this light: "If you want to injure your town, buy nothing at home that you can get elsewhere, and if you are in business don't advertise." There is a good deal of sound sense crowded into a small space in the above.

One of our citizens who occasionally wipes the dishes for his wife, became tired of the job and refused, saying that "it is not a man's work." Not feeling disposed to lose his help he brought out the Bible to convince him of his error and read as follows from II. Kings 21: 13: "And will wipe Jerusalem as a man wipeth a dish, wiping it and turning it upside down." It is needless to say that he is still doing his occasional stunt.

On Monday next the Epworth League will have a very strong programme. The address of the evening will be given by Mr. James Simpson, most popular in this country as a Labor Leader and vice-president of the great Trades and Labor Congress. His strength in Toronto will be known when we remember that he has been this year elected as chairman of the Board of Education. Mr. Simpson will speak on "The Young Man in Business."
