ANOTHER LAMP NEEDED.

A suggestion has been made, and we believe it is a very reasonable suggestion, that the Council place a lamp at the corner of Lorne Avenue and Church street, near the park gate. That is a dangerous corner on dark nights, and hundreds of people pass there every week, going to the park and rink both summer and winter. It is hoped the Council will act on the suggestion offered.

BUILD US HOUSES.

It has fallen to the lot of many of our citizens to travel through all parts of Canada, as well as in various other countries both in search of business and pleasure, and without any attempt to flatter this section of country they truthfully say that no town or village has yet been found that equals Richmond Hill as a residential centre. All that is required is a class of men who have money and enterprise, who are prepared to build houses for those who would gladly remove here if they could get the necessary accommodation. Some of our own citizens could fill the want if they only made up their minds to do so.

SICK CHILDREN'S HOSPITAL.

A number of years ago the children in the above praiseworthy institution were made glad at happy Easter time by contributions sent from the friends in this village and vicinity under the management of the W. C. T. U. For the past few years the worthy task has been overlooked, but it is again proposed to assist in throwing a gleam of brightness among the little sufferers by offerings such as were formerly sent. Contributions of toys, fruit, eggs, books, and other articles will be thankfully received at THE LIBERAL Office Good Friday morning. The offerings will be carefully packed and sent to the hospital the following day. The committee hopes for a continuance of the kind and generous liberality which made the offering so successful some years ago.

Many things are dear that are rated cheap. Atkinson & Switzer.

COLLAR BONE BROKEN.

Last Sunday morning Mr. W. O'Donohue, familiarly known as "Yankee Bill," suffered a painful accident which will keep him from his usual work for the next two or three weeks. Accompanied by a friend he was walking north toward Elgin Mills for his morning exercise, when the milk car approached. William, who was feeling somewhat cheerful from the bracing ozone, doffed his wide-brimmed hat, and saluted the motor-man in true Mexican style. He failed to observe, however, that he had just stepped on a piece of ice. His feet slipped, and he fell to the ground, alighting on his shoulder. The fall gave him much pain, and a visit to Dr. Boyd's surgery revealed the fact that his collar bone was broken.

O. L. A.

The coming annual meeting of the Ontario Library Association, to be held in Toronto, Easter Monday and Tuesday, April 1st and 2nd, will be devoted largely to conferences and discussions on practical library matters. One conference will be on "How we purchase our books," and representatives from some ten or twelve libraries will briefly outline their methods. This is a live topic, and it will be handled in a live manner. Dr. A. H. U. Colquhoun, Deputy Minister of Education, will give an informal talk on Public Libraries on Monday evening, and Inspector Leavitt will describe his plans re-travelling libraries. Mrs. Mutch will discuss the selection and purchase of pictures for libraries. Programs may be had from the Secretary, E. A. Hardy, 65 Czar street, Toronto.

HOUSE BREAKING

Sneak thieves entered the house of Isaac Klink, lot 31, con. 2, Markham, Tuesday forenoon, when the inmates were away, and carried off several articles, including a No. 22 revolver, 2 pairs cuff buttons, and enough fawn colored cloth for two suits of clothes. The intruders ransacked cupboard, sideboard, trunk, chest, dresser etc. The discovery was made by Mr. Klink early after dinner the same day. Two fresh tracks could be seen leading from the north of the house to the window which the thieves entered by breaking a pane of glass, and unlocking the window from the inside. By the track made, one of the boots was about 11 inches in length, width of heel 2½ inches. It is to be hoped everybody will be interested in locating the guilty party.

THE BENEFIT CONCERT.

The concert given in the Masonic Hall last evening by a troupe of fifteen colored artists from the City, under the direction of Miss M. Smith, for the benefit of Mrs. Maxwell, our oldest citizen, was a success in every particular. The hall was packed, the order was all that could be desired, and the programme rendered was thoroughly enjoyed by all present. Rev. A. P. Brace made an admirable chairman. He extended a warm welcome to the audience, and in a happy speech expressed his pleasure at being on the platform with Mrs. Maxwell, who is 102 years of age. The programme consisted of solos, duets, recitations, etc., as well as an interesting drama—"The Ugliest of Seven"—which of course had a happy ending. The following numbers were given: 1. Opening chorus Maple Leaf Forever. 2. Chairman's address. 3. Solo, Miss J. Green. 4. Recitation, Miss M. Hunton. 5. Solo, Miss E. Hunton. 6. Recitation, Miss M. Wilson. 7. Drama in 3 acts. 8. Solo, Miss M. Smith, Hidden Chorus. 9. Solo, Miss J. Green, full chorus. 10. Duett, Miss M. Smith, Mr. Arthur Chickee. 11. God save the king. Most of the performers responded to encores. Before closing a vote of thanks, moved by Mr. Nicholls, and seconded by Mr. McMahon, was tendered Miss Smith and her company, the young ladies who so kindly sold tickets, and to all who assisted in making the entertainment the success which it was. Miss Smith acknowledged the vote of thanks in a pleasing speech saying it was a pleasure for herself and her friends to come out and give her old friend, Mrs. Maxwell, a benefit. The receipts were \$48.95.
