**WINTER'S FAREWELL DRAMA.—**  
May 4th.

A scene of wintry splendor  
Met the astonished gaze,  
As lifting blinds,  
The startled minds,  
Beheld the snow-clad ways.

Nothing but white abroad was seen,  
Three inches deep, or more;  
On fences piles,  
In many styles,  
And drifts at every door.

The leafless boughs o'erladen were,  
Quite deep on every limb;  
Each tiny twig  
Seemed thrice as big,  
As viewed through snow-flakes dim.

Trees evergreen, o'erburdened stood,  
With unaccustomed weight,  
Bent low beneath,  
Their snowy sheath,  
Sublimely bore the freight.

Dear little birds affrighted flew  
For shelter, where they could,  
Their songs of praise,  
They could not raise,  
When snow hid all their food.

The ladies donned their winter garb;  
In overcoats men sped;  
The day before,  
Some women wore,  
No hats upon their head.

'Twas thought old winter had retired,  
To have his summer rest;  
With much surprise  
Did human eyes,  
Behold him still their guest.

He had not really left our shores,  
But only hid behind  
The snow-draped-hills,  
Whence flowing rills,  
Ice fetters will unbind.

He centered out in dead of night,  
When mortals seek repose;  
Did emphasize,  
Words, not too wise,  
'Our Lady of the snows.'

Our Canada the fairest land!  
Beneath the glowing sun,  
Is not so bleak  
The truth to speak,  
As some, more healthy—none.

When King "Sol" rose from out the East,  
And spied old winter's trick;  
He sent his rays,  
A thousand ways,  
And made him vanish quick.

Oh, surely now he'll take his leave,  
So public his disgrace;  
He ought to be,  
Ashamed to see,  
The frowns on every face.  
(Mrs.) P. L. GRANT.  
Richmond Hill, May 4, 1907.

I thought I would write a few lines about our little hamlet as I haven't seen anything in for some time, and thought you would like to hear how we are getting along.

The fine weather has come at last and the farmers are almost through seeding and their good housewives are turning things upside down and cleaning every corner.

Mrs. Graham of Mount Albert is visiting friends here.

Mr. S. Graham wears a short smile these days—its a girl. We are glad to see Miss Edna Houck out again after her serious illness. We are glad to see Mr. T. Peach out after the severe cold and still able to make a shadow.

Mr. Papineau is suffering with a sprained wrist. Mr. Rainey is improving slowly. Arbor day was held by the schools last Friday. Fishing is all the go now-a-days. We are sorry to hear that Mr. H. Jagger's children are very ill, but hope they will soon recover. Mr. J. Tully had a ploughing bee last Saturday. Mr. F. Williamson has been very sick this last week but is some better. You can see the bear perform for twenty-five cents. Did you see it? Mr. I. Dukes of Unionville went home sick with the mumps, he is engaged to Mr. H. Quantz for the summer. Mrs. T. Chester, Temiscaming and Mrs. D. Annis, Whitesville, visited Mrs. E. Brown Wednesday. Our butcher Mr. Geo. Dukes, Unionville, supplied his customers with some of his good beef this week. Mr. Geo. Love has purchased a new gate, you will be all right next Halloween, George. Our merchant, Mr. Ed. Brown, returns home early from the city since he drives his new team. Boot tickets for sale. Miss Jan Emslie is spending the summer with her mother.

For Catarrh, let me send you free just to prove merit a Trial size Box of Dr. Shoop's Catarrh Remedy. It is a snow white, creamy, healing antiseptic balm that gives instant relief to Catarrh of the nose and throat. Make the free test and see. Address Dr. Shoop, Racine, Wis. Large jars 50 cents. Sold by W. A. Sanderson.

**STATIONARY ENGINEERS CERTIFICATES.**

The Legislature of Ontario at its recent session passed an act respecting stationary engineers in which engineers and employers are alike interested. Briefly stated, its provisions are that, after the 1st day of July, 1908, no engineer will be allowed to operate or have charge of a stationary steam plant of 50 horse power or upwards who does not hold a government certificate. There are three classes of engineers to whom certificates will be granted without the applicant having to undergo an examination, first, those who on the 20th of April, 1907, (the date on which the Act was passed) held certificates from an association of stationary engineers in Ontario, or a marine or locomotive engineer's certificate; second, engineers who on the above date were in charge of a plant of 25 horse power or over in Ontario; third, engineers who had at any time previous to the passing of this Act, not less than two years' experience in the operation of such a plant in the province. Those who cannot qualify as above will have to pass the examinations which will hereafter be prescribed by the Board of Examiners.

Those interested may obtain a copy of the Act and application forms for certificates by addressing The Secretary, Department of Agriculture, Toronto.

**The Badge of Honesty**

Is on every wrapper of Doctor Pierce's Golden Medical Discovery because a full list of the ingredients composing it is printed there in plain English. Forty years of experience has proven its superior worth as a blood purifier and invigorating tonic for the cure of stomach disorders and all liver ills. It builds up the run-down system as no other tonic can in which alcohol is used. The active medicinal principles of native roots such as Golden Seal and Queen's root, Stone and Mandrake root, Bloodroot and Black Cherry bark are extracted and preserved by the use of chemically pure, triple-refined glycerine. Send to Dr. R. V. Pierce at Buffalo, N. Y., for free booklet which quotes extracts from well-recognized medical authorities such as Drs. Bartholow, King, Scudder, Coe, Ellingwood and a host of others, showing that these roots can be depended upon for their curative action in all weak states of the stomach, accompanied by indigestion or dyspepsia as well as in all bilious or liver complaints and in all "wasting diseases" where there is loss of flesh and gradual running down of the strength and system.

The "Golden Medical Discovery" makes rich, pure blood and so invigorates and regulates the stomach, liver and bowels, and through them, the whole system. Thus all skin affections, blotches, pimples and eruptions as well as scrofulous swellings and old open running sores or ulcers are cured and healed. In treating old running sores, or ulcers, it is well to insure their healing to apply to them Dr. Pierce's All-Healing Salve. If your druggist don't happen to have this Salve in stock, send fifty-four cents in postage stamps to Dr. R. V. Pierce, Invalids' Hotel and Surgical Institute, Buffalo, N. Y., and a large box of the "All-Healing Salve" will reach you by return post.

You can't afford to accept a secret nostrum as a substitute for this non-alcoholic, medicine of KNOWN COMPOSITION, not even though the urgent dealer may thereby make a little bigger profit. Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules, easy to take as candy.
