RICHMOND HILL, ONT., AUG. 1, 1907

The Mathematical Master at Markham applied for the principalship of the Sydenham High school and received the appointment at a salary of \$1,100. He then laid the matter before the Markham board who raised his salary from \$900 to \$1,000 and the teacher decided to remain in Markham. That appears to be the easiest way to get one's salary raised now-a-days.

A petition has been circulated in Markham asking the Council to pass a by-law compelling all store in the village to close at 6 o'clock three nights a week. We do not like the word "Compelling," yet it is unreasonable to ask storekeepers and their clerks to remain in their shops from morning till 10 or 11 o'clock at night. We know that farmers at this season of the year have to do their shopping in the evening, yet every other night in the week should answer every purpose either in Markham or any other village.

W. D. Haywood, Secretary-Treasurer of the Western Federation of miners who was tried in the state of Idaho for conspiracy in the murder of Governor Steunenburg, has been set at liberty. The verdict does not mean that the jurymen thought the defendant to be innocent of the crime but that they did not wish to hang a man on uncorroborated circumstantial evidence of Harry Orchard, the self-confessed murderer. The latter in his evidence lasting five days swore that Haywood and Moyer inspired his crimes and paid him for his fiendish work.

The News very properly draws attention to the announcement that the coming Labor Day procession will proceed to the Exhibition grounds by way of Yonge, Queen, and Dufferin Streets, and that there is great danger of another street car blockade. It is to be hoped the Police Commissioners will consult with the committee in charge and endeavor to make an arrangement by which the danger of a conflict will be removed. The city, the Toronto Street Railway Company and the Labor party should avoid if possible a repetition of the trouble which occurred on the 12th of July. It is proper that men should march in a body if they can do so without annoying others, but it is more important to keep the street cars running for the convenience of the public.

At the Island, Saturday, was seen one of the greatest lacrosse struggles seen in this country in recent years. After a sharp contest between giant lacrosse players the Shamrocks defeated the Tecumsehs by a score of 4 to 3.

John A. Steel, son of the late Mark Steel of Whitechurch, died at Pontiac, Mich., on the 27th of July. The remains were taken to the residence of his brother, C. W. Steel, Toronto, and interment took place in Aurora Cemetery Tuesday afternoon.

LOVE IS KING.

Love is the great disciplinarian, the supreme harmonizer, the true peace-maker. It is the great balm for all that blights happiness or breeds discontent. It is a sovereign panacea for malice, revenge and all the brutal propensities. As cruelty melts before kindness, so the evil passions find their antidote in sweet charity, and loving sympathy. — Success Magazine.
