

The Liberal.

Rev. E. Harold Toye will preach in the Methodist Church Sunday Morning, and Mr. Carter of Deer Park in the evening.

The season is not so backward as some people prophesied. There has been a LIBERAL supply of ripe tomatoes in Richmond Hill since the 1st of August.

LOST.

The examiners who have been reading the papers at the Education Department for the last few weeks completed their work on Saturday. The results will be announced about the 14th of August.

The proper thing just now in belts may be found on Atkinson & Switzer's counters.

The Book Committee of the Public Library will be pleased to have suggestions relative to the purchase of new books for the Library. Those having books to recommend will please hand in the names to the secretary at THE LIBERAL office.

The annual excursion of the Methodist Sabbath School will take place to Bond Lake next Wednesday August 14. A good programme of sports is being arranged, for which prizes will be given. Particulars will be announced next Sunday.

Miss Scanlon, who purposed attending Normal College, resigned the position as teacher in the second department in the Public-school. At a meeting of the Board, Thursday evening, the position was given to Miss Mary Trench at a salary of \$375.

Mr. J. J. Kelso, Superintendent of Neglected Children, has returned from a trip to Montreal and Ottawa, where he found a strong sentiment in favor of having one Judge for children's courts and to look after all cases where minors are the prisoners.

Our grocery counter is not a place to be overlooked by the careful house-keeper. What we aim for this department is to show in quality, cleanliness, fresh goods, courtesy and reasonable prices. Find out by a trial whether it comes up to the mark or not. Naughton Bros., Elgin Mills.

Mr. P. Park and Mr. Brockel, members of the Central Y. M. C. A., Toronto, who were camping at Lake Couchiching, left that place Monday morning to walk to the city. They had dinner at Mr. J. H. Brydon's yesterday and expected to be in Toronto by 6 o'clock Wednesday evening.

The big and the small purchasers are equally welcome at our store, receive equal attention and leave equally well pleased. Atkinson & Switzer.

Mr. W. T. Robinson of Maple who has been in the coal business for a number of years is notifying his patrons that he has on hand at Maple station Steam coal for threshing purposes, and Stove and Nut coal for domestic use, all of the best quality. Mr. Robinson will be at Maple on Monday Tuesday and Saturday of each week.

A well studied, prayerful, sincere sermon will always help somebody. Of that there is not a doubt. Some regard it as sound and thunder, and others may feel in a general sense that an angel spoke, but some silent thinker is sure to go away saying to himself, surely that voice was for my sake alone. The world is not void and like water spilled upon the ground.

Mr. Cowie, Librarian at the Public Library, states that the "Juvenile" books supplied by the travelling library are not often asked for. This is to be regretted. The children's books have been carefully selected, and the Government in sending out the travelling library requested that the "Juvenile" books be circulated as extensively as possible.

FINED FOR ASSAULT.

Mary Mager, wife of Washington Mager, laid a complaint before J. H. Sanderson, J. P., yesterday, charging her husband with assaulting herself and children. Mrs. Mager on oath swore to the charges. The defendant made a statement denying that he had done anything wrong. The magistrate after hearing the wife's evidence inflicted a fine of \$5.00 and costs, amounting altogether to \$8.00.

Fruit jars in sizes half gallon wine measure, Quart Wine measure, Quart Imperial measure, Pint Imperial measure at lowest price. Atkinson & Switzer.

From every view point the farming class of this county is in better shape now than at any previous period. More people own their own homes and little farms; more are free from the yoke of bondage inflicted by burdensome debts; more are becoming independent each year by making a comfortable living for their families; more are waking up to the necessity of giving their children better educational advantages, and withal, prosperity and contentment seem to prevail throughout the country. Let progress still be our watchword.

There was a rear-end collision between a Newmarket and a Glengrove car opposite Conn. C. Murphy's residence, Glenwood Ave., North Toronto, Friday forenoon. The Newmarket car came to a stop to allow Mr. Murphy to board it. The Glengrove car was following too closely. It was unable to stop in time, but dashed into the Newmarket car, smashing its fender and the front vestibule. The motorist was cut about the head and face by glass, the conductor had his back sprained, and several women and children were more or less hurt.

A sad drowning accident occurred at Windermere on Tuesday when Miss Annie Murphy, a stenographer in the law office of Mr. Edmund Bristol, M. P., Toronto, lost her life. The young lady was out boating with Mr. Neil S. Macdonald, assistant master at the Ryerson School, and Mr. Hugh Bain, a student at Knox College, when the canoe was accidentally upset. The two young men nearly lost their lives in trying to save the life of their lady friend. Mr. Macdonald was formerly principal of the Richmond Hill Public School.

Another new consignment of the famous Williams boot in stock. This time it is a combination harvest and fall-plowing boot, triple stitched and pegged in good heavy stock in Bal. or Blucher style. You would wonder how it could be made for the price—\$2.00. Naughton Bros., Elgin Mills.

MIDNIGHT MUSIC.

Some years ago our Village Fathers used to sell the grass in the park to the highest bidder, the purchaser being obliged to have it cut and haul it in as hay. This summer, however, they apparently thought it would be better to get a drove of cattle and turn them in to help themselves. Of course the football team objects, but it is hard to please everybody. Even the neighbors living close to the park are "chewing the rag," and say they cannot sleep at night for the bawling of the cattle. The cows would certainly make less noise if the calves were allowed to remain with them. We have heard of certain animals that were referred to as "the laughing stock of the country." The cattle in the park seem to belong to the bellowing class.

"THE TWO COLONELS."

Under the above heading Mr. Wm. Harrison, our fellow-townsmen, has a very interesting and instructive article in the August number of the Canadian Magazine. The officers referred to are the late Col. Moodie, and the late Col. Bridgford, both former residents of Richmond Hill. The old Moodie Homestead is still with us, but its contemplated removal to make way for a branch of the Metropolitan electric railway to connect with the C.N.O. station in all probability prompted the present article. This historical account which recalls an incident in the rebellion of 1837 is appropriately illustrated, showing the Moodie homestead, Col. Bridgford, Col. Moodie's grave at Thornhill, and the churchyard at Thornhill where Col. Moodie's remains are buried. By permission of the writer, we purpose re-publishing the article in next week's LIBERAL.

DIED IN HIS 85TH YEAR.

Mr. John McKinnon, late of the 7th concession of Vaughan, died at his home, 3rd concession, on Tuesday, August 6. Deceased was in his 85th year, and passed away just five weeks after the partner of his life. He was the eldest son of the late Archibald McKinnon of Markham township. Previous to moving to the 3rd con. of Vaughan last spring, the family had lived in Vaughan township for upwards of 50 years. He was a staunch Presbyterian in religion, and had been a life-long Liberal. The surviving members of the family are: James, in Michigan; John, at Haileybury; Duncan; Hugh, in Mather, Man.; Archibald, in Toronto; and Martin, at home. The funeral will take place this (Thursday) afternoon, interment to take place in St. Paul's cemetery, 7th concession of Vaughan.

THE MODERN PUBLIC LIBRARY.

"The Modern Public Library" is an article of educational interest in the New Idea Woman's Magazine. There is probably no other public institution which has undergone a greater awakening within the last twenty-five years and the writer gives an outline of the principal movements which have taken place for the development of the modern library system. The methods which enable the introduction of the best reading matter into the remotest homes, as well as the many inducements which are made to young and old to become interested in good literature, are told about. The children's story hour and the "gang rooms" for boys may not be found in every locality, but their value as an incentive to reading makes a universal appeal. Everyone ought to be interested in this account of one of the greatest influences of our modern times.

MARRIED AT MAPLE.

On Wednesday, 24th July, a marriage took place in the parsonage at Maple, when Miss Mary Louisa Johnston, youngest daughter of Mr. Thomas Johnson of Milliken, became the wife of Mr. W. T. Auning of Edgely. The ceremony was performed by Rev. Philip Jones, superintendent on the Maple circuit. The bride was tastefully dressed in white ecru with lace yoke and front of pointed despiit, and wore white hat with ostrich plumes, sunburst buckle, and had white shoes and gloves to match. The bridesmaid, Miss Edith Johnson, sister of the bride, was also daintily costumed in cream liberty dehaire, with lace yoke, and wore white hat with ostrich plumes, and white shoes and

gloves. Mr. J. Anning, brother of the groom, acted as groomsmen. The groom's gift to the bridesmaid was a gold bracelet and to the groomsmen a silk braid watch chain with gold centre and gold fobs. Mr. and Mrs. Anning will reside in Edgely. Miss Johnson has been a great help in church work and has taught a class for two years; she also sang in the choir for three years and was always ready and there to do her part. We all wish Mr. and Mrs. Anning long life and happiness.

I will mail you free, to prove merit, samples of my Dr. Shoop's Restorative, and my Book on either Dyspepsia, The Heart or The Kidneys. Troubles of the Stomach, Heart or Kidneys, are merely symptoms of a deeper ailment. Don't make the common error of treating symptoms only. Symptom treatment is treating the result of your ailment, and not the cause. Weak Stomach nerves—the inside nerves—mean Stomach weakness, always. And the heart, and Kidneys as well, have their controlling or inside nerves. Weaken these nerves, and you inevitably have weak vital organs. Here is where Dr. Shoop's Restorative has made its fame. No other remedy even claims to treat the "inside nerves." Also for bloating, biliousness, bad breath or complexion, use Dr. Shoop's Restorative. Write me to-day for sample and free Book. Dr. Shoop, Racine, Wis. The Restorative is sold by W. A. Sanderson.

DEATHS.

My Hair is Scraggly

Do you like it? Then why be contented with it? Have to be? Oh, no! Just put on Ayer's Hair Vigor and have long, thick hair; soft, even hair. But first of all, stop your hair from coming out. Save what you have. Ayer's Hair Vigor will not disappoint you. It feeds the hair-bulbs; makes weak hair strong.
