Harvest thanksgiving services were  
held in St. Stephen's church on Sun-  
day. Special music was rendered by  
the choir, and the church was suitably  
decorated.  
Rally day was observed in the Meth-  
odist S. S. Addresses were given by  
members of the school and others, and  
a profitable time was spent.  
After a pastorate here, of seven

byterian congregation at Eglinton,  
and will remove from here in the near  
future.  
The funeral of the late Mrs. Wm.

**Thornhill.**  
On Wednesday evening, Oct. 9th,  
a pretty house wedding was solemn-  
ized when one of our most popular  
young ladies, Miss Mabel Bowes, only  
daughter of Mr. and Mrs. Wm. Bowes,  
was united in marriage to Mr. Fred  
Eckland. On the Friday evening  
previous fifteen of her young lady  
friends, in a body, visited the pro-  
spective bride, and gave her a Kitchen  
Shower, as a slight token of their  
good-will and esteem.  
Quite a number from this village  
attended Markham Fair.  
Thornhill Division of the Sons of  
Temperance will meet Friday evening,  
Oct. 11. All members are requested  
to attend.  
The weekly services of the Meth-  
odist Church will commence at 7.30  
p. m. instead of 8.00 p. m.  
Mr. Carl James paid a visit to the  
City Saturday evening.

**Carrville.**  
Anniversary sermons will be held in  
the Methodist Church on Sunday, the  
20th of October. Sermons will be  
preached at 2.30 and 7 p. m., by Rev.  
S. W. Dean of Fred Victor Mission,  
Toronto. Music will be furnished by  
the choir assisted by Mrs. J. E. Holl-  
ingshead and Mr. Young of Newmar-  
ket, and Mr. Hartley Galloway of To-  
ronto. A free-will offering will be  
taken up at each service in aid of the  
church funds.

**SAVE THIS ANYWAY.**  
Here is a simple home-made mix-  
ture as given by an eminent authority  
on Kidney disease, who makes the  
statement in a New York daily news-  
paper, that it will relieve almost any  
case of Kidney trouble if taken before  
the stage of Bright's disease. He  
states that such symptoms as pain in  
back, pain in the side, frequent desire  
to urinate, especially at night; pain-  
ful and discolored urination, are read-  
ily overcome. Here is the recipe;  
try it:  
Fluid Extract Dandelion, one-half  
ounce; Compound Kargon, one ounce;  
Compound Syrup Sarsaparilla, three  
ounces. Take a teaspoon after each  
meal and at bedtime.  
A well-known druggist here in town  
is authority that these ingredients  
are all harmless and easily mixed at  
home by shaking well in a bottle. This  
mixture has a peculiar healing and  
soothing effect upon the entire Kid-  
ney and Urinary structure, and often  
overcomes the worst form of Rheu-  
matism in just a little while. This  
mixture is said to remove all blood  
disorders and cure the Rheumatism  
by forcing the Kidneys to filter and  
strain from the blood and system all  
uric acid and fowl, decomposed waste  
matter, which cause these afflictions.  
Try it if you aren't well. Save the  
prescription.

**LOCAL OPTION CAMPAIGN.**  
From reports received at the office  
of the Ontario Branch of the Domini-  
on Alliance in Toronto, it is learned  
that there is likely to be another Local  
Option campaign in the Province of  
Ontario this fall and winter.  
The Secretary of the Alliance, Rev.  
Ben. H. Spence, has handed out a list  
of eighty-nine municipalities in which  
campaigns are more or less advanced,  
and it is likely that this list will yet  
be added to.  
During the past few years there has  
been a great advance in the movement  
for bar-room abolition by the Local  
Option Method in the Province of  
Ontario. Within the past six years,  
109 municipalities have polled a ma-  
jority for Local Option By-Laws.  
Last year the three-fifths requirement  
prevented coming into force 44 of  
these municipalities, and in some  
other places the By-Laws were  
quashed in the courts, but there are  
at present in the Province 153 mu-  
nicipalities in which the law is operative  
and there are 133 other municipalities  
in the Province in which no licences  
are granted for various reasons.  
According to figures furnished by  
the Alliance Secretary, a striking fea-  
ture of the Local Option movement is  
that when Local Option By-Laws  
are passed in a municipality they  
stay passed. There seems to be an  
almost unanimous approval of the  
measure by municipalities that have  
adopted it. Last year there were 34  
municipalities where By-Laws had  
been in force for three years or more,  
and where, therefore a repeal vote  
could have been brought on. In 8  
places repeal was tried, but in only  
one instance was it successful, and  
there, (the Town of Steelton), the  
temperance people claim that the  
circumstances were exceptional.  
During the past six years out of 150  
chances to repeal Local Option By-  
Laws by a simple majority vote, there  
has been only one successful, and that  
Steelton.  
On the face of it, there would there-  
fore, seem to be good ground for a  
contention that the condition of Local  
Option is a much more permanent  
one than that of license.  
The Alliance officials are making  
preparations for a big campaign.  
There is a large staff of workers in  
the office, and the services of many  
very prominent speakers have been  
secured. One feature of this Fall's  
campaigns is the large number of in-  
corporated towns and villages in  
which a vote is being taken. Of the  
89 places in which campaigns are in  
progress, 35 are incorporated towns or  
villages. There are at present 297  
licences granted in these 89 municipali-  
ties.  
Don't wait till it rains before you  
think of these umbrellas at Atkinson  
& Switzer's.

**FARMER'S CREED.**  
The following farmer's creed, formu-  
lated nearly three-quarters of a cen-  
tury ago by Henry Ward Beecher, the  
famous patriotic and pulpit orator  
and one of the first editors of the In-  
diana Farmer, holds good to-day as  
well as then:—  
"We believe in small farms and  
thorough cultivation.  
"We believe that soil loves to eat,  
as well as its owner, and ought, there-  
fore, to be liberally fed.  
"We believe in large crops, which  
leave the land better than they found  
it—making the farmer and the farm  
both glad at once.  
"We believe in going to the bottom  
of things, and, therefore, in deep plow-  
ing and enough of it. All the better

with a subsoil plow.  
"We believe that every farm should  
own a good farmer.  
"We believe that the best fertilizer  
for any soil is a spirit of industry,  
enterprise and intelligence. Without  
this, lime and gypsum, bone and green  
manure, marl and guano, will be of  
little use.  
"We believe in good fences, good  
barns, good farmhouses, good stock,  
good orchards, and children enough to  
gather the fruit.  
"We believe in a clean kitchen, a  
neat wife in it, a clean cupboard, a  
clean dairy, and a clean conscience.  
"We firmly disbelieve in farmers  
that will not improve; in farms that  
grow poorer every year; in starving  
cattle; in farmers' boys turning into  
clerks and merchants; in farmers'  
daughters unwilling to work, and in  
all farmers ashamed of their vocation,  
or who drink whiskey until honest  
people are ashamed of them."—Green's  
Fruit-grower.

**The Story of a Medicine.**  
Its name—"Golden Medical Discovery"  
was suggested by one of its most impor-  
tant and valuable ingredients—Golden  
Seal root.  
Nearly forty years ago, Dr. Pierce dis-  
covered that he could, by the use of pure,  
triple-refined glycerine, aided by a cer-  
tain degree of constantly maintained  
heat and with the aid of apparatus and  
appliances designed for that purpose, ex-  
tract from our most valuable native me-  
dicinal roots their curative properties  
much better than by the use of alcohol,  
so generally employed. So the now world-  
famed "Golden Medical Discovery," for  
the cure of weak stomach, indigestion, or  
dyspepsia, torpid liver, or biliousness and  
kindred derangements was first made, and  
it ever since has been, without a particle  
of alcohol in its make-up.  
A glance at the full list of its ingredi-  
ents printed on every bottle-wrapper  
will show that it is made from the most  
valuable medicinal roots found growing  
in our American forests. All these in-  
gredients have received the strongest en-  
dorsement from the leading medical ex-  
perts, teachers and writers on *Medicine*.  
*Medicine* who recommend them as the very  
best remedies for the diseases for which  
"Golden Medical Discovery" is advised.  
A little book of these endorsements has  
been compiled by Dr. R. V. Pierce, of  
Buffalo, N. Y., and will be mailed free to  
any one asking same by postal card, or  
letter addressed to the Doctor as above.  
From these endorsements, copied from  
standard medical books of all the differ-  
ent schools of practice, it will be found  
that the ingredients composing the "Gold-  
en Medical Discovery" are advised not  
only for the cure of the above mentioned  
diseases, but also for the cure of all cat-  
arrhal, bronchial and throat affections,  
accompanied with catarrhal discharges,  
hoarseness, sore throat, lingering, or  
hang-on-coughs, and all those wasting  
affections which, if not promptly and  
properly treated are liable to terminate  
in consumption. Take Dr. Pierce's Dis-  
covery in time and persevere in its use  
until you give it a fair trial and it is not  
likely to disappoint. Too much must not  
be expected of it. It will not perform  
miracles. It will not cure consumption  
in its advanced stages. No medicine will.  
It will cure the affections that lead up to  
consumption, if taken in time.
