**MAKE IT YOURSELF.**  
There is so much Rheumatism here  
in our neighborhood now that the fol-  
lowing advice by an eminent authority  
who writes for readers of a large East-  
ern daily paper, will be highly appre-  
ciated by those who suffer:  
Get from any good pharmacy one-  
half ounce Fluid Extract Dandelion,  
one ounce Compound Kargon, three  
ounces of Compound Syrup Sarsapa-  
rilla. Shake these well in a bottle and  
take in teaspoon doses after each meal  
and at bedtime; also drink plenty of  
good water.  
It is claimed that there are few vic-  
tims of this dread and torturous dis-  
ease who will fail to find ready relief  
in this simple home-made mixture,  
and in most cases a permanent cure is  
the result.  
This simple recipe is said to strength-  
en and cleanse the eliminative tissues  
of the Kidneys so that they can filter  
and strain from the blood and system  
the poisons, acids and waste matter,  
which cause not only Rheumatism,  
but numerous other diseases. Every  
man or woman here who feels that  
their Kidneys are not active, or who  
suffers from any urinary trouble what-  
ever, should not hesitate to make up  
this mixture as it is certain to do  
much good, and may save you from  
much misery and suffering after-  
while.  
Our home druggists say they will  
either supply the ingredients or mix  
the prescription ready to take if our  
readers ask them.

**Maple.**  
Communion services were held in  
St. Andrew's church on Sunday. The  
sermon was preached by Rev. W. G.  
Back to a very large congregation.  
These services concluded Mr. Back's  
pastorate in this place, and he and  
Mrs. Back will leave shortly for his  
new charge at Eglinton. Much regret  
is felt by the whole community at  
their departure, as during the seven  
years they have been here they have  
endeared themselves, not only to the  
members of their own congregation,  
but also to those of the other churches.  
The best wishes of all go to their new  
field of labor.  
The pupils of the Public school are  
practising for their annual concert to  
be given about Thanksgiving Day.  
Mr. J. G. McDonald has been ap-  
pointed a judge of school children's  
work at Woodbridge Fair.  
Mrs. Thos. Dilworth of Toronto  
spent a few days last week visiting  
friends in the village.  
Miss Ethel Harris of Toronto is vi-  
siting her uncle and aunt Mr. and Mrs.  
J. Watson.  
The Literary night of the Epworth  
League of the Methodist church, on  
Oct. 14th, gave the following program:  
Chorus, The Maple Leaf.  
Prayer.  
Reading by Mr. Monkman  
Solo by Mr. Oliver, Land of The  
Maple.  
Reading by Miss Morrison.  
Reading by Miss Rupert.  
Duet by Mr. and Mrs. Jones.  
Reading by Miss Jones.  
Reading by Miss L. Richardson.  
God Save The King.

**C. N. O. STATION.**  
Mr. Ramer is doing such a rushing  
business in grain that at one time his  
machine refused to work. But in a  
short time everything was running  
smoothly again. The rush of grain  
continues, and highest prices are paid.  
The farmers delivering grain to  
the Elevator are taking away a quan-  
tity of coal. This is like killing two  
birds with one stone. Mr. John  
Sheardown is kept busy teaming coal  
and wood, though the latter is hard  
to get.  
L. Innes & Sons had another car  
of lumber in last week.  
The Radial line to the station is be-  
ing hustled along and will be ready in  
about a week's time.  
As stated before, the Railway com-  
pany are unable to erect a dwelling for  
agent W. Smith, but instead, will  
make improvements for comfort dur-  
ing the winter.  
Mr. Mackay had a two days thresh-  
ing which shows a large stack in rear  
of his barn—the largest in the neigh-  
borhood.  
A two-plank walk from town to sta-  
tion would be very convenient, espe-  
cially in muddy weather.  
Supt. F. M. Spadial went north on  
Tuesday to inspect new road north  
of Parry Sound. They expect to open  
for traffic about Jan. 1st, '08, through to  
Sudbury.  
Mr. C. H. Stiver of Unionville, of  
the firm of Stiver & Ramer, drove  
over yesterday and was pleased to  
find everything humming around the  
station.

**CURLERS REORGANIZE.**  
The Richmond Hill curlers met in  
McDonald's shop Saturday evening  
and reorganized for the coming curl-  
ing season, President C. P. Wiley in  
the chair.  
The secretary's report showed a  
membership last season of 37. The  
auditors report showed receipts \$79.30,  
expenditure \$70.25, leaving a balance  
on hand of \$9.05.  
The election of officers resulted as  
follows:—  
Patron, J. Slater, reeve of Mark-  
ham Township.  
President, T. A. Lamou.  
1st Vice Pres., G. Cowie.  
2nd Vice Pres., A. G. Savage.  
Treas., G. A. McDonald.  
Secy., T. F. McMahon.  
Committee of Management,  
C. P. Wiley, H. A. Nicholls, E.  
Barker, J. H. Sanderson, and the  
above officers. Auditors—Norman  
Glass, John Brydon. Representatives  
for 1908—The President and H. A.  
Nicholls.  
On motion the membership fee was  
placed at \$1.50, and the secretary was  
instructed to have printed 50 mem-  
bership tickets.  
The President, Secretary, and Treas-  
urer were appointed a committee to  
wait on Council with a view to rent-  
ing the rink for the use of the club.  
The Secretary was instructed to  
send the names of 20 members to the  
Ontario Curlers' Association, from  
which the rinks will be selected to  
compete for the Tankard and District  
Cup.  
Before the meeting closed Mr. Pugs-  
ley handed the President a beautiful  
silver cup suitably engraved, the gift  
of J. Slater Esq., to be played for dur-  
ing the coming curling season.

**News Notes.**  
Mr. W. L. Purvis, Chief License In-  
spector for Toronto, who was criticized  
in Mr. Starr's report, has resigned his  
position.  
The shoot-the-chutes and scenic dips  
at the Exhibition grounds, Toronto,  
were blown down Wednesday night  
during the storm, the damage being  
estimated at about \$30,000.  
Rev. Dr. Potts, the Educational Sec-  
retary of the Methodist Church ap-  
pears to be gradually sinking. He  
has been unconscious for more than a  
week and is growing weaker every  
day.  
Winter Goods—Cool days and cold  
evenings now demand heavy clothing.  
Men's heavy wool and fleeced-lined  
underwear from 50c. to \$1 a garment.  
Women's vests, drawers, and combina-  
tions from 25c. up. Naughton Bros.,  
Elgin Mills.

**DOCTORS MISTAKES**  
Are said often to be buried six feet under  
ground. But many times women call on  
their family physicians, suffering, as they  
imagine, one from dyspepsia, another from  
heart disease, another from liver or kid-  
ney disease, another from nervous pros-  
tration, another with pain here and there,  
and in this way they present alike to  
themselves and their easy-going or over-  
busy doctor, separate diseases, for which  
he, assuming them to be such, prescribes  
his pills and potions. In reality, they are  
all only symptoms caused by some uterine  
disease. The physician, ignorant of the  
cause of suffering, keeps up his treatment  
until large bills are made. The suffering  
patient gets no better. The reason of the  
wrong treatment, but probably worse, is  
a proper medicine like Dr. Pierce's Favorite  
Prescription, directed to the cause would  
have entirely removed the disease, there-  
by dispelling all those distressing sym-  
ptoms, and instituting comfort instead of  
prolonged misery. It has been well said,  
that "a disease known is half cured."  
Dr. Pierce's Favorite Prescription is a  
scientific medicine, carefully devised by  
an experienced and skillful physician,  
and adapted to woman's delicate system.  
It is made of native American medicinal  
roots and is perfectly harmless in its  
effects in any condition of the female  
system.  
As a powerful invigorating tonic "Fav-  
orite Prescription" imparts strength to  
the whole system and to the organs dis-  
tinctly feminine in particular. For over-  
worked, "worn-out," run-down, debilit-  
ated teachers, milliners, dressmakers,  
seamstresses, "shop-girls," house-keepers,  
nursing mothers, and feeble women gen-  
erally, Dr. Pierce's Favorite Prescription  
is the greatest earthly boon, being un-  
equalled as an appetizing cordial and re-  
storative tonic.  
As a soothing and strengthening nerve-  
ine "Favorite Prescription" is unequalled  
and is invaluable in allaying and sub-  
duing nervous excitability, irritability,  
nervous exhaustion, nervous prostration,  
neurialgia, hysteria, spasms, St. Vitus's  
dance, and other distressing nervous  
symptoms commonly attendant upon  
functional and organic disease of the  
uterus. It induces refreshing sleep and  
relieves mental anxiety and despondency.  
Dr. Pierce's Pleasant Pellets invigorate  
the stomach, liver and bowels. One to  
three a dose. Easy to take as candy.
