RICHMOND HILL, ONT., Oct. 17, 1907

The recent deliverance of Dr. Beattie Nesbitt, registrar for West Toronto, has created quite a stir in Provincial politics. The speech is looked upon as an attack on the Whitney Government and their power policy. The World of Monday sizes up the situation as follows:

"It is definitely stated, though not officially, that the provincial cabinet will this week deal with the situation arising out of the speech of Dr. Beattie Nesbitt at Gravenhurst, in which the registrar hinted that 'John Rockefeller's Boy' was at work within and without the cabinet to prevent the realization of the cheap power policy of the Government. In fact there is to be an investigation which may investigate not only the Gravenhurst incident but go deeply into several matters that have nothing in particular to do with politics, ending with the dismissal of Dr. Nesbitt."

PHENOMENAL NUMBER OF DEER.

Mr. P. H. Cox of Rosedale speaking on his return from a four days trip round Bolger Lake and Magnetewan River, says:—"I read a publication issued by the Canadian Northern Ontario Railway from which I found they intended running trains through to the Magnetewan and Still Rivers for a few days before the open season for hunters. I decided to go up in advance and see how far the reports about deer up there were true. Had I not seen for myself, I could not have believed it possible that there could be deer anywhere in such numbers. We started them up in all directions, and I saw at least 50, but the woods being thick, we could not see half we started. The area of the country is so great that the number of hunters going up there will be lost in it. I certainly counsel hunters to communicate with the Canadian Northern people in Toronto before deciding to go anywhere else for deer shooting and get their maps.

GORDON-McGREGOR.

The following marriage notice is taken from The Saltcoats Recorder, Saskatchewan. The groom was a former resident of Maple:—"The home of Mr. John McGregor of Perley, was the scene of a very happy gathering on the evening of Thursday the 29th ult, when Jennie his eldest daughter and Mr. Herb Gordon were united in marriage. The ceremony was performed at four o'clock in the presence of a group of well-wishing friends and companions. The bride who looked charming, was becomingly dressed in white, and was accompanied by her sister Crissie as bridesmaid. The groom was supported by his brother Robert. Immediately after the knot was tied and congratulations extended, the company sat down to a very enjoyable dinner, provided in the bounteous manner which is characteristic of the McGregor home. The highly esteemed young couple were the recipients of many presents which were the expression of the unfeigned good-will in which they are held. The groom's present to the bride was a handsome gold bracelet, and that to the bridesmaid a locket and chain. The Rev. H. Feir acted as officiating minister. After spending a very happy evening with their friends, Mr. and Mrs. Gordon were escorted to their own home nearby, and left with a final expression of the wish, that earth's full mead of happiness might be theirs."
