Thornhill Football Team defeated Eglinton on the grounds of the former by 6 games to 0. The return match will be played at Eglinton on Saturday, 26th inst.

The teachers and pupils of the Public School are busy these days practising for a public entertainment to be given on Friday evening the 8th of November. They propose starting a fund to purchase books for a Public School Library. Further notice later.

Money's Worth Grocery House would be an appropriate name for the firm of Atkinson & Switzer.

Word comes to hand that Mrs. Matthew Homer of Whitchurch was found dead in her bed last Saturday morning. Strange to say, the husband died under similar circumstances a few years ago. The family formerly lived on what is known as the Bernard Farm, Elgin Mills.

Rev. Mr. Brace has been invited to open up the local option campaign in Orillia next Monday, at a mass meeting of all the churches and young people's societies and temperance organizations of that place. Mr. Brace has been requested to give his lecture: "The Devil in Solution."

On Sunday next Rev. Dr. Chown, General Secretary of Temperance and Moral Reform, will preach in the Methodist church here morning and evening. He will also preach at Victoria Square at 2.15 p. m. At the morning service here Douglas Chown, the infant son of Rev. and Mrs. Brace, will be baptized.

PUBLIC LIBRARY.

At a meeting of the Public Library Board held Monday evening it was decided to make application to the Educational Department for another Travelling Library. It was also decided to hold an entertainment in the Masonic Hall on the evening of Thanksgiving Day, Thursday, Oct. 31. Good talent from our own village and from Toronto.

MICHAEL NAUGHTON'S WILL.

The will of Michael Naughton of the Township of Vaughan, York County, leaves his whole estate, \$13,750, in trust to his widow, Mary Jane Naughton. At her death the property, which consists of real estate in Vaughan Township, to be divided equally among the three sons and one daughter of deceased.—Star.

As a convenient help to the busy housewife who does most of the domestic shopping, a little note-book will be found useful. In it she should enter the size of shoes, hosiery, underwear, collars, gloves, hats, &c., for each member of the family; also any special styles or brands, and the number of yards of various articles, thus avoiding mistakes in shopping as well as saving in time.

We will make to your measure a fine winter-weight pure Scotch Tweed Suit for \$15.95; style, fit, and sewings first-class. Atkinson & Switzer.

Why is it that so few want to live in the country anymore? Cities are full of people who live from "hand to mouth," and whose total wealth is represented by the clothing they have on. Years go by and these persons never have a home. They lose that independence that the proud owner of a farm has. If there is one needed reform it is to keep people on farms and away from cities.

CLEARING SALE.

The last number of the Elmvale Lance shows a large three-column display advertisement for James Hill, General Merchant. Mr. Hill is advertising a clearing sale of \$9,000 worth of ready-to-wear clothing, boots and shoes, hats, men's and ladies' fur coats, ruffs, etc. Elmvale is only a small village, but all the business men advertise, and apparently do a large trade. We wish our former citizen every success in his new business.

FALL FROM A PEAR TREE.

Mr. John Harris, one of our oldest residents, suffered an accident a few days ago which may prove serious to a man of his years. He had mounted a ladder in one of the pear trees in his orchard, and while reaching for the fruit broke a limb on which he was standing. He came to the ground and got a severe shock. The Dr. found that he was not bruised, nor were any bones fractured. Mr. Harris has been delicious since the fall.

We are here to do business, but you are just as welcome to "look and price" without buying as if you bought the entire stock. Come in. Atkinson & Switzer.

NEW CIDER MILL.

Richmond Hill's latest industry is a new cider mill erected on Arnold st. by the proprietor of, and nearby the creamery. The manager, Mr. F. Lynett, is advertising for a large quantity of cider apples. The firm wants to make 1000 gallons for themselves, and they will grind for customers on Tuesday, Thursday and Saturday of each week. Pains will be taken to keep the mill thoroughly clean, and customers may rely on receiving the best of satisfaction.

Pain anywhere, pain in the head, painful periods, Neuralgia, toothache, all pains can be promptly stopped by a thoroughly safe little Pink Candy Tablet, known by Druggists everywhere as Dr. Shoop's Headache Tablets. IMPROVEMENTS.

Mr. Henry Miller and Mr. Bert Hopper are among those at the North End who are improving the appearance and adding to the comfort of their residences. Mr. Hopper has put a stone foundation under his house and has painted both house and shop. A cement foundation adds to the warmth of Mr. Miller's home, and a modern veranda just erected by L. Innes & Sons greatly improves the appearance.

The Department of Agriculture at Ottawa has just issued a comprehensive and authoritative work on "The Farm Weeds of Canada," that should serve a useful purpose. It is well illustrated, with a life-history of every kind of weed common to the Dominion, and an account of the best methods of controlling and exterminating it. The book will be sent free to schools of agriculture, high schools, rural schools and all kinds of agricultural organizations and farmers' clubs.

CORRECT SOLUTION.

The dimensions of a new cement tank on Arnold St. was given in last week's LIBERAL as follows:— 10ft long, 7 ft wide, 9 ft deep. The question was asked: "How many gallons would it hold?" The first correct solution was handed in by Ray Grant and Willie Patten of the Public school. Allowing 6 1/2 gallons of water in a cubic foot the answer is 4134 1/2 gallons. It might be interesting, but more difficult to compute, to know how many days it would take a man and team to fill the tank with water from Boyle's Pond. Why not make use of the windmill to fill some of the tanks?

Here are prices very favorable to the consumer: Tomatoes, 10c. can; Cream Corn, 9c. can; Peas, 3 cans for 25c. These are first-class goods—this year's pack. Extra Granulated Sugar, 21 lbs. for \$1. Atkinson & Switzer.

GETS BETTER EVERY YEAR.

Year after year the Family Herald and Weekly Star of Montreal goes on getting better and better and consequently growing in circulation. It is simply marvelous the value one can get in that great weekly. It is a wonderful combination of a world's newspaper, family magazine and agricultural paper—all three in one and each the best of its kind. The Family Herald and Weekly Star at one dollar a year is certainly big value. In the last issue the publishers are making an urgent appeal to all subscribers to renew early this fall as the enormous rush in December and January completely ties them up.

PEN AND PAPER.

At post offices where the paper cannot be received until the next morning after the day of publication The Daily Star will be sent 12 months for \$1.50, if you leave your order at THE LIBERAL office. If subscribers wish a fountain pen they can get one by adding 50 cents, \$2.00 for both. Residents of Richmond Hill and other towns where the paper is received on the evening of publication may have the paper or the pen with the fountain pen by adding another 75 cents in either case. The Star guarantees the pen in the following words:—"This elegant Fourteen Karat Solid Gold Pen, which is beautifully chased will be sent to old and new subscribers upon receipt of a year's subscription and fifty (50) cents additional.
