### H. S. LITERARY SOCIETY.

On Wednesday afternoon there was held in the first form of the Richmond Hill High School the first meeting of the newly organized Literary Society. On the whole it might be considered a decided success. After a suitable address was given by the chairman, Mr. Walter Scott, a chorus was sung by the Glee Club, followed by a recitation by Miss Norma Morgan and an instrumental by Miss Edna McNair. The next and most exciting feature of the afternoon was the debate, the subject being "Resolved that Queen Elizabeth is as worthy of admiration as Queen Victoria." After careful judging the decision was given in favor of the Affirmative side, which was supported by Miss Hazel Welsh and Mr. Lloyd Soules. The meeting was brought to a close by another chorus given by the Glee Club and the critic's report by the Principal. After the singing of the National Anthem, the school dispersed, much pleased with their first effort given to form the society, and with a hearty wish for its success in the future.
