

LOCALS.

Stores and all places of business in the village will be closed on Thanksgiving Day.

A good assortment of leather post cards and various other lines at THE LIBERAL office.

Extend your hand to Atkinson & Switzer and get a pair of winter gloves.

The High and Public Schools will be closed on Friday following Thanksgiving Day.

Mr. T. A. Lamou gave a most helpful and instructive address on "The Dignity of Labor," at the Epworth League on Monday evening.

An evening service will be held in the Headford Methodist church on Sunday evening next at 7 o'clock, when Rev. E. H. Toye will preach.

If you do not see what you want ask for it. Atkinson & Switzer.

Full particulars of the Public School concert to be given in the Masonic Hall, Friday evening, Nov. 8, will be given in next issue of THE LIBERAL.

In the Dominion bye-elections yesterday a Liberal was elected in North Wellington, and Conservatives in London and East Northumberland.

Next Sunday is Anniversary day at Thornhill Methodist church. A Thank offering will be taken at both services. Special music is being prepared by the choir.

Mr. Jesse Winger is advertising for twenty thousand bushels of cider and peeling apples to be delivered at his cider and jelly mill at Edgeley.

Anniversary services were held at Mount Pisgah church last Sunday. Rev. Mr. Brace preached morning and evening. The Temperanceville choir took charge of the music.

Another Travelling Library has been sent out by the Education Department. The Librarian, Mr. Cowie, will have the new books ready to hand out Saturday evening of this week.

We learn as we go to press that there will be a change in the car service between Toronto and Jackson's Point commencing the first of November. Change of time table next week.

The North York License Board met yesterday and transferred the license of the King City Hotel, formerly owned by Mr. G. A. Phillips, to Messrs. W. Savage and A. Lloyd. Possession will be taken at once.

The array of talent secured for the Public Library concert to be given in the Masonic Hall Thursday evening should easily pack the house. Remember that the doors will open at 7.30, and the chair will be taken at 8 o'clock.

Secure your tickets and be on hand in good time at the high-class concert in aid of the Public Library on the evening of Thanksgiving Day. Bring your visiting friends with you, and enjoy a good musical and literary programme.

Look here—You can buy a pair of child's heavy pebble boots in size 9 or 10 at Naughton's at the Elgin for half a dollar. Try to buy them anywhere else for the money.

The tax bills are being sent out. The village clerk gives notice that those who pay their taxes to him at his office on or before the 30th of November will save five per cent. The taxes are a trifle higher than they were a year ago.

We notice by The Watchman-Waiver of Lindsay that Bro. J. H. N. Morgan formerly of the Standard Bank here represented Richmond Lodge at the dedication of the new hall of the Faithful Brethren Lodge A. F. & A. M. of that town.

Short and sweet—pie crust made from Atkinson & Switzer's pure lard.

The plant of the Stouffville Pilot published for the past 15 years has been removed to Toronto where the proprietor will carry on a job business. This is another evidence that two newspapers cannot flourish in a village the size of Stouffville. Both may eke out an existence for a few years, but in the end one or the other is sure to go under.

A petition is in circulation, to ask the council of the Township of Markham to widen and repave that part of Centre street east of the O. N. O. station to the second concession. The large amount of traffic to the new station fully justifies a liberal outlay of money on Centre St. east. Most of the farmers in the vicinity are prepared to send their teams to assist in the grading, hauling gravel or whatever may be needed.

No one is so independent as the farmer; he doesn't have to truckle; if he is insulted he can resent the insult without fear of losing trade, and there is no earthly reason, with the improved farm machinery he now has in use why he should not have a nine-hour day and such leisure for reading and study as would soon make him one of the best informed men in any calling. Why shouldn't the farmer be all this and more? Surely he has the possibilities.

STILL GROWING.

Notwithstanding the dry season some of our nearby neighbors give evidence of large growth in their root fields. Last week we referred to large potatoes, one shown us weighing 1 lb. 10 oz. We have here before us on our table a potato of the Delaware variety grown at "Hillsdale," the farm of Mr. Albert Helm-kay, Headford, the weight of which is 1 lb. 12 oz.

EPWORTH LEAGUE TUESDAY.

Owing to the Institute Rally in Toronto Monday evening the Epworth League will be held here next Tuesday evening. The second of a series taken from the Sermon on the Mount will be given by Mr. E. Reaman and Miss King. The former will speak on "The Poverty of Spirit," the latter on "The Purity of Spirit."

TWO LIQUOR CASES.

Two cases for illegally selling liquor in local option districts were heard here last Saturday before Justices of the Peace Henderson and Sanderson. Edward McQuillan of Ballentiae, township of Whitechurch, pleading guilty to selling liquor without a licence, was fined \$50 and costs. The case against Harry D. Wellman of Stouffville on a similar charge was withdrawn on account of an error in the information laid against him.

RAISE THE ASSESSMENT.

There is a feeling in this village that vacant lots are not assessed as high as they should be. It is claimed that some of our citizens who have desirable building lots will neither erect buildings themselves nor sell at a reasonable price. This should not be. Dwelling houses are very much in demand, and from a public standpoint no obstacles should be placed in the way. If the taxes are raised on vacant lots it may set the owners thinking.

To check a cold quickly, get from your druggist some little Candy Cold Tablets called Preventives. Druggists everywhere are now dispensing Preventives, for they are not only safe, but decidedly certain and prompt. Preventives contain no Quinine, no laxative, nothing harsh nor sickening. Taken at the "sneeze stage" Preventives will prevent Pneumonia, Bronchitis, La Grippe, etc. Hence the name, Preventives. Good for feverish children. 48 Preventives 25 cts. Trial Boxes 5 cents. Sold by W. A. Sanderson.

On Monday next, Nov. 4th, an Institute Rally of the Sunday School and Epworth League workers of the Toronto Central District will be held in Yonge St. Methodist Church in the afternoon at 2 and evening at 7. The best methods of work will be discussed, every item being in the form of a conference. The Italian Orchestra of Agnes St. Italian church have consented to be present. The Sunday School workers of Yonge St. Church have offered to serve refreshments between afternoon and evening sessions. Arrangements will be made for all to return on cars after the evening session.

SCOTTISH CONCERT.

The Scottish concert under the auspices of Camp Elgin Sons of Scotland in the Masonic Hall is said to be the best concert we have ever been favored with in this community. The Heather Male Quartette who are engaged as the feature are also engaged for most of the largest Scottish concerts of this season in Canada, including the Great Sons of Scotland concert in Massey Hall, Toronto, the Montreal Caledonian's concert on Halloween, and the annual "Night under canvas" of the 48th Highlanders in Massey Hall. The Scottish American of New York speaks as follows of their singing: "The work of the 'Heathers' was a revelation. Their Scottish numbers were particularly fine." Miss Grace Merry, the well known elocutionist of Toronto will assist the Quartette. The date is Nov. 11.

EARLY CLOSING.

The butchers of this village are setting an example for early closing. Messrs. Glass Bros. and Mr. Bert Hopper have notices up that on and after

the 4th of November their shops will close at 6 o'clock on Monday, Wednesday and Thursday evenings. We believe the example should be followed by our store-keepers. If the stores and shops were open say every other evening it should answer every purpose. Surely store-keepers would like a few evenings in the week which they could call their own. Farmers and others in surrounding neighborhoods could easily remember the business evenings, and very little inconvenience would result.

LITERARY MEETING.

The High School Literary society held their weekly meeting Wednesday which proved to be a great improvement on the preceding one. Mr. Otto James occupied the chair and opened the meeting with a very interesting address. A chorus by the Glee Club was followed by a debate—"Resolved that boys have better opportunities in life than girls." Miss Louie McDonald and Miss Jean Scott successfully contested against Mr. Wesley Palmer and Mr. Harold Smith. Following this was a piano duet by the Misses Maud and Zella Ball, and a recitation by Miss Irene Marsh. The Glee club again sang. The Judge's report was given by Mr. Henry, and the Critic's remarks by Miss Lemon, and the meeting closed by singing the National Anthem.

Come one, come all And let pride fall When you see with surprise What the pupils cognize.
