FEW HERE KNOW THIS.

When an eminent authority an-
nounced in the *Scranton (Pa.) Times*
that he had found a new way to treat
that dread American disease, Rheu-
matism, with just common every-day
drugs found in any drug store, the
physicians were slow indeed to attach
much importance to his claims. This
was only a few months ago. To-day
nearly every newspaper in the coun-
try, even the *Metropolitan* daily, is
announcing it and the splendid re-
sults achieved. It is so simple that
anyone can prepare it at home at
small cost. It is made up as follows:—
Get from any good prescription
pharmacy Fluid Extract Dandelion,
one-half ounce; Compound Kargon,
one ounce; Compound Syrup Sarsa-
parilla, three ounces. Mix by shaking
in a bottle and take in teaspoonful
doses after each meal and at bedtime.
These are all simple ingredients, mak-
ing an absolutely harmless home re-
medy at little cost.

Rheumatism, as everyone knows, is
a symptom of deranged kidneys. It is
a condition produced by the failure of
the kidneys to properly filter or strain
from the blood the uric acid and other
matter which if not eradicated, either
in the urine or through the skin pores,
remains in the blood, decomposes and
forms about the joints and muscles,
causing the untold suffering and de-
formity of rheumatism.

This prescription is said to be a
splendid healing, cleansing and invig-
orating tonic to the kidneys, and
gives almost immediate relief in all
forms of bladder and urinary troubles
and backache. He also warns people
in a leading new York paper against
the discriminate use of many patent
medicines.

A tickling cough, from any cause,
is quickly stopped by Dr. Shoop's
Cough Cure. And it is so thoroughly
harmless and safe, that Dr. Shoop
tells mothers everywhere to give it
without hesitation even to very
young babies. The wholesome green
leaves and tender stems of a lung-
healing mountainous shrub, furnish
the curative properties of Dr. Shoop's
Cough Cure. It calms the cough, and
heals the sore and sensitive bronchial
membranes. No opium, no chloro-
form, nothing harsh used to injure or
suppress. Simply a resinous plant ex-
tract, that helps to heal aching lungs.
The Spaniards call this shrub which
the doctor uses, "The Sacred Herb."
Demand Dr. Shoop's. Take no other.

Of Interest To Women.

To such women as are not seriously out
of health, but who have exacting duties
to perform, either in the way of house-
hold cares or in social duties and func-
tions which seriously tax their strength,
as well as to nursing mothers, Dr. Pierce's
Favorite Prescription has proved a most
valuable supporting tonic and invigorat-
ing nerve. By its timely use, much
serious sickness and suffering may be
avoided. The operating table and the
surgeon's knife, would it is believed,
seldom have to be employed if this most
valuable woman's remedy were resorted
to in good time. The "Favorite Prescrip-
tion" has proven a great boon to expectant
mothers by preparing the system for the
coming of baby, thereby rendering child-
birth safe, easy, and almost painless.
Bear in mind, please that Dr. Pierce's
Favorite Prescription is not a secret or
patent medicine, against which the most
intelligent people are quite naturally
averse, because of the uncertainty as to
their composition and harmless character,
but is a MEDICINE OF KNOWN COMPOSI-
TION, a full list of all its ingredients being
printed, in plain English, on every bottle-
wrapper. An examination of this list of
ingredients will disclose the fact that it is
non-alcoholic in its composition, chemi-
cally pure, triple-refined glycerine taking
the place of the commonly used alcohol,
in its make-up. In this connection it
may not be out of place to state that the
"Favorite Prescription" of Dr. Pierce is
the only medicine put up for the cure of
woman's peculiar weaknesses and ail-
ments, and sold through druggists, all
the ingredients of which have the un-
animous endorsement of all the leading
medical writers and teachers of all the
several schools of practice, and that too
as remedies for the ailments for which
"Favorite Prescription" is recommended.
A little book of these endorsements will
be sent to any address, post-paid, and
absolutely free if you request same by
postal card, or letter, of Dr. R. V. Pierce,
Buffalo, N. Y.
Dr. Pierce's Pleasant Pellets cure con-
stipation. Constipation is the cause of
many diseases. Cure the cause and you
cure the disease. Easy to take as candy.
