### A GENTLE REMINDER.

Many a housewife would be without a sewing machine had it not been that they were reminded by the agent that they were in need of that almost indispensable household article. Many a merchant has greatly increased the volume of his business by being reminded by the home newspaper that he should advertise his goods. If we have been remiss in our duty let us again say that some of our business men can make money by a little judicious advertising in THE LIBERAL.

### DANGEROUS COLLISION.

Monday evening after dark Mrs. John Woods accompanied by Mr. Russell Wilson, was driving south on Yonge street. Mr. Frank Graham's hired man was driving north. Opposite Mr. Harrison's residence the rigs collided. Mrs. Woods and Mr. Wilson were both thrown out, and the former was badly hurt. She was carried into Mr. Harrison's, and is not yet able to be removed home. The rig was upset and the shafts and harness broken.

Trial Catarrh treatments are being mailed out free, on request, by Dr. Shoop, Racine, Wis. These tests are proving to the people—without a penny's cost—the great value of this scientific prescription known to druggists everywhere as Dr. Shoop's Remedy. Sold by W. A. Sanderson.

### MISSIONARY.

The last of a series of sermons along Missionary lines was preached in the Methodist church last Sunday. Voluntary subscriptions were placed on the plate morning and evening. The offerings reached a point never attained before. Many friends of the cause are yet to be heard from, and there seems at present to be very little doubt but that the 50 per cent advance will be reached, and the circuit will in the near future be in a position to send their own representatives to the foreign field.

### VICTORIA SQUARE.

One of the liveliest auction sales that has taken place in a long time was held here last Thursday by the executors of the late Anson Stoutenburgh. There was a large crowd of people, and those present seemed to enjoy themselves as they would at a social gathering. Fresh milk cows went over the \$70 mark, 2 year olds brought \$39, and implements went high. That the credit was only three months seemed to make no difference to the buyers. The sale was conducted by Mr. Saigeon of the firm of Saigeon & McEwen.

### A STRONG FAVORITE.

With all classes of people, professional men, business men, mechanics, farmers, etc., the Family Herald and Weekly Star, of Montreal, is the popular paper of Canada. Its success is well deserved, too, for certainly no paper in Canada gives such big value. How such a paper can be supplied to subscribers at one dollar per year is a mystery. Few homes in Canada will be found to-day without the big Montreal paper. We learn there is a greater demand than ever this season and those that want to receive the paper regularly during 1908 should send in their orders at once.

### DIED IN MILWAUKEE.

The following death notice is copied from a recent issue of a Milwaukee paper. Deceased was a sister of Mrs. James McWilliams of this village:—Mrs. Marie Plunkett, widow of Patrick Plunkett, and mother of Capt. Philip Plunkett of engine company No. 6, died last night at her home, 798 Marshall street, after an illness of two years. She was 78 years of age, and lived for forty years in the house where she died. Mrs. Plunkett was born in Ireland, and came to this country with her parents when a young girl. She lived in Milwaukee for over fifty years. Mrs. Plunkett is survived by two sons, Philip and Henry B., and three daughters, Miss Mary Plunkett, Mrs. John G. Hirsch and Mrs. Richard Duetch.

### HIGH SCHOOL LITERARY SOCIETY.

Wednesday, Nov. 20, the High School Literary Society held their weekly meeting in Form I. The meeting was largely attended, and a good programme was prepared. Miss Gladys Legge occupied the chair, and after a short but very appropriate speech, called on the Glee Club for a selection entitled "Old Black Joe." Then followed the Symposium on "Choice Phases of Life" or "That is the Life for Me," given by Miss Minnie Houck, Miss Belle Reid, Mr. Jesse Bowes, and Mr. Lorne Gooderham. The next item on the programme was an instrumental solo by Miss Laura Naughton, followed by a recitation by Miss Olive Morgan. After the critic's speech by Mr. Henry the meeting closed in the usual way by singing the National Anthem.

### FOUR GENERATIONS.

The four generations of the Jackson family, whose photo appears in this issue, have contributed considerably to the printing fraternity of Canada. Erastus Jackson, Newmarket, who is the head of the family, was president of the Canadian Press Association in 1870; for three years he was secretary-treasurer, in addition to serving eleven years on the executive. For thirty years he was editor of the Newmarket Era which his son, Lyman G. Jackson, has now conducted for the past twenty-four years. Edgar L. Jackson son of the latter, holds the record of being the fastest M-and-line operator in Canada. Mr. and Mrs. Erastus Jack-

son celebrated their golden wedding nearly four years ago, and Mr. and Mrs. Lyman G. Jackson their silver wedding a couple of months previously. Mr. and Mrs. Edgar L. Jackson reside in Montreal.—Printer and Publisher.

A tickling cough, from any cause, is quickly stopped by Dr. Shoop's Cough Cure. And it is so thoroughly harmless and safe, that Dr. Shoop tells mothers everywhere to give it without hesitation even to very young babies. The wholesome green leaves and tender stems of a lung-healing mountainous shrub, furnish the curative properties of Dr. Shoop's Cough Cure. It calms the cough, and heals the sore and sensitive bronchial membranes. No opium, no chloroform, nothing harsh used to injure or suppress. Simply a resinous plant extract, that helps to heal aching lungs. The Spaniards call this shrub which the doctor uses, "The Sacred Herb." Demand Dr. Shoop's. Take no other. W. A. Sanderson.
