RESIDENCE, RICHMOND HILL

Weak Women

To weak and ailing women, there is at least one way to help. But with that way, two treatments, must be combined. One is local, one is constitutional, but both are important, both essential. Dr. Shoop's Night Cure is the Local. Dr. Shoop's Restorative, the Constitutional.

The former—Dr. Shoop's Night Cure—is a topical mucous membrane suppository remedy, while Dr. Shoop's Restorative is wholly an internal treatment. The Restorative reaches throughout the entire system, seeking the repair of all nerve, all tissue, and all blood ailments.

Dr. Shoop's Night Cure

Touches the Heart

Sad Story of a Mother of Four Children laid low with Consumption

What are Canadians doing to Combat this Disease?

We are shocked at the tragedies that the newspapers record almost daily, through railway accidents, explosions, falling buildings, and other causes.

Each incident must surely draw upon our sympathies.

But sad and lamentable as these are, the results are insignificant compared with the loss of life and prolonged suffering that comes to thousands in the Dominion stricken with that dread disease Consumption.

3,000 die annually in the province of Ontario from this disease; probably double that number, taking the Dominion throughout.

We have on our desk a little booklet, issued by the National Sanitarium Association, by whom was established in 1902 the Muskoka Free Hospital for Consumptives. In these pages are published a few of the letters that are being constantly received from applicants seeking admission to this Muskoka home for Consumptives.

Let us refer to one simply to emphasize the purpose of this article.

The story is of a resident in the village of Lucan—a mother. The friend writing on her behalf says that a few months ago this person, a Mrs. Carroll, buried her husband from Consumption. He was an oil man. He peddled oil around the country in his waggon. There are four small children. Now the mother has been taken ill and her physician diagnoses the case consumption—the infection doubtless obtained in nursing the husband.

The Muskoka Free Hospital for Consumptives are being asked to admit this patient.

It is a pleasure for the management of this institution to be able to say that at no time since the doors were opened—over five years ago—has a single applicant been refused admission because of his or her inability to pay.

This means a heavy strain financially on the Trustees, who year in and year out have gone on with the work, making further extensions and placing their hope in the good will and generosity of the Canadian public.

We do not know a more deserving charity in Canada. The consumptive is found everywhere, and we gladly append to this article the suggestion of the booklet, that our readers help as far as they can to maintain just such patients as the poor mother of Lucan.

Contributions we learn may be sent to Sir Wm. R. Meredith, Kt., Vice-President, Osgoode Hall, Toronto; W. J. Gage, Esq., 84 Spadina Ave., or J. S. Robertson, Sec.-Treas. National Sanitarium Association, 347 King Street W., Toronto, Ont.

No. 5

PENNYROYAL WAFERS.

A specific monthly medicine for ladies to regulate the monthly cycle, and relieve the various disorders, the action of which is approached by the use of this medicine. It is a safe and reliable remedy, and is sold in all the leading druggists and chemists. It is a most valuable and reliable medicine, and is sold in all the leading druggists and chemists. It is a most valuable and reliable medicine, and is sold in all the leading druggists and chemists.
