HICHMOND HILL, ONT., Dec. 12, 1907

DR. P. D. McLEAN.

Dr. P. D. McLean of Woodbridge, the choice of the Liberal Convention for the bye-election in Centre York, was born in Oro, Simcoe County, in 1856, and after attending the public school there he attended the Barrie High School, and then for two years taught school, one year at Craighurst and one at Edgar. He then went to the University of Toronto, graduatlug in 1879, and after two years further study settled in Woodbridge in 1881, and has practised there ever since. For several years he was a member of Woodbridge Council, and for years was president of the West | sel Espey. York Reform Association. He is a Methodist in religion, is a Freemason, and has been master of his lodge, "Blackwood," Woodbridge. He is also a member of the Sons of Scotland, the Canadian Order of Foresters, and other fraternal orders. Dr. McLean is popular wherever known.

At a recent meeting the County Orange Lodge of Toronto passed by a large majority a resolution forbidding the leaders of the order to appear on the platform or in any way assist in the election to political power any member of the Roman Catholic Church. The minority afterwards appealed to the Grand Lodge, and Dr. Sproule as Grand Master disapproved of the resolution, saying that the County Lodge has no power to lay down such an order.

So little is being said about municipal matters in the village we are inclined to think our citizens will be pleased to return all the present members of the council by acclamation. We have been inclined to occasionally criticize some of their minor acts, but on the whole they have done remarkably well this year. Their judicious work in Centre Street leading to the station is sufficient in itself to give the members another year, if they are prepared to accept the honor-and the work.

The nomination meeting in Thornhill next Monday when Dr. P. D. McLean, the Liberal Candidate for Centre York, and Capt. T. G. Wallace, the Conservative Candidate will be nominated for the seat in the Dominion House of Commons, made vacant by the elevation of Hon. Archibald Campbell to the Senate, should be largely attended. Both of the candidates and their supporters will address the electors, and those who attend will have an opportunity of judging between the candidates and their platforms. Everybody interested should endevour to attend the nomination meeting.

Last week's Christian Guardian, under the heading, "Is Canada a Christian Land?" points out that Rev. W. F. Wilson, D.D., made a public statement to the effect that "recently in one of the public schools in Toronto, in order to meet the views of a certain Hebrew Rabbi, a picture of Christ which adorned the school-room was turned with its face to the wall."

According to all the city papers The Guardian should know that Rev. Dr. Wilson had been misinformed. When the incident was brought to the attention of the Board of Education the latter called upon Inspector Hughes to report. He did so and stated positively that the picture had not been turned with its face to the wall, but had been taken down nearly a year ago by order of the Inspect. or on the ground that the religious convictions of Jewish scholars and their parents should be respected. The Board concurred in the Inspector's report, and decided that the schools must be non-sectarian and free to all.

must win upon their merits. The International Dictionary has won a greater distinction upon its merits and is in more general use than any other work of its kind in the English language.

A. H. Sayce, LL.D., D.D., of Oxford University, England, has recently said of it: It is indeed a marvelous work; it is difficult to conceive of a dictionary more exhaustive and complete. Everything is in it—not only what we might expect to find in such a work, but also what few of us would ever have thought of looking for.

A supplement to the new edition has brought it fully up to date. I have been looking through the latter with a feeling of astonishment at its completeness, and the amount of labor that has been put into it.

"I was sick and ye visited me," was Christ's commendation. Should not a richer benediction be yours if from a loving heart your dollar makes a golden visit to this hospital, bringing health and joy to those whom other people fear, and whom, in many cases, nobody wants.

Dear Friend :-

A bright young lawyer at the Muskoka Sanatorium for Consumptives some weeks ago, speaking of the burden placed upon him by having consumption, said:

This is the sad lot of those who suffer from this dread disease.

On behalf of the thousands who are sick and will not be received by other hospitals, I make this appeal for the Muskoka Free Hospital for Consumptives.

Nearly 10,000 people from every part of Canada aided in this good work last year, sending us \$26,000.

The Trustees have faith that a still larger number will help. occupied rooms in the hospital that rightly belong to patients.

the Physician and his young wife had also to be built.

To provide for this outlay, and to care for patients for the coming year, we must secure at least \$50,000.

The Muskoka Free Hospital for Consumptives never refused a
