

The Liberal.

RICHMOND HILL, ONT., Dec. 19, 1907

DON'T BE DECEIVED.

Those who attended both political meetings in the Masonic Hall had a good opportunity of judging the addresses by Hon. Mr. Graham and Hon. Mr. Foster. The former was pleased to talk on large questions such as the postal department, and railways and canals. The latter kept pretty clear of those questions, but was eloquent in telling his hearers why Hon. Arch. Campbell was elevated to the Senate.

The three Conservative speakers Monday evening gave as a chief reason why the electors should not vote for Dr. McLean next Monday, that the Liberals promised to abolish the Senate and had not done so. We believe that the Senate could be very well dispensed with, but neither Mr. Foster, Mr. Borden nor any other prominent Conservative has ever advocated the abolition of the second chamber.

Hon. Mr. Foster's picture of the Canadian farmer bound down with ropes and chains in the form of the "people's taxes" was not appreciated by the many well-to-do farmers present. The Laurier Government has given the farmers a lower tariff with yearly surpluses, whereas the former Conservative Government had a higher tariff with deficits year after year. The farmers of Centre York will make no mistake in voting for Dr. McLean, who will be a supporter of the most progressive Government this country has ever seen.

NOMINATED FOR CENTRE YORK.

Victoria Hall, Thornhill, was crowded with Centre York electors, Monday afternoon, when Returning Officer R. A. Mason announced that Peter Douglas McLean, physician, of Woodbridge, was nominated as the Liberal candidate, and Thomas George Wallace, merchant, also of Woodbridge, as the Conservative candidate. Charles H. Porter, of Woodbridge, was also announced as financial agent for Dr. McLean, and Mr. Samuel McClure of Elder's Mills, for Capt. Wallace.

Mr. Alex. McCowan, M. P. for East York, was selected chairman. Both candidates addressed the electors, and both received a good hearing. Mr. H. H. Dewart, K. C., and Mr. F. E. Pardee, M. P. for West Lambton, spoke for Dr. McLean, and Capt. Wallace was supported by Mr. Claude Macdonnell, M. P., Toronto, and Hon. Geo. E. Foster.

As a poll had been demanded on behalf of both candidates, voting will take place in the various sub-divisions next Monday, between 9 a. m. and 5 p. m.

VILLAGE COUNCIL.

The council met on Saturday evening, pursuant to statute, in the Clerk's office. Present: the reeve and Councillors Sanderson, Nicholls and Barker. Minutes of previous meeting read and confirmed.

A letter from Mr. Geo. Allison was read asking that he be refunded. Mr. Allison's request was granted.

The following bills were presented: J. Eyer & Son, stone, etc., \$4.08; T. F. McMahon, printing, etc., \$8.10. J. Eyer's bill was referred back for correction, and T. F. McMahon's account was ordered to be paid.

A letter from the Treasurer of the Township of Markham enclosing check for \$100 in aid of work on Centre St. E. The Treasurer was instructed to acknowledge same with thanks.

A deputation of the Ladies' Hockey Club waited on the council and obtained the use of the rink on Monday afternoons, at a fee of 75 cents each afternoon it is used; hours of play to be from 3.30 to 5 o'clock.

The Treasurer presented the annual report of the receipts and expenditure of the village to Dec. 15. On motion the Clerk was instructed to have 100 copies of the same printed for distribution.

Council adjourned to meet at the call of the reeve.

It calms the cough, and heals the sore and sensitive bronchial membranes. No opium, no chloroform, nothing harsh used to injure or suppress. Simply a resinous plant extract, that helps to heal aching lungs. The Spaniards call this shrub which the Doctor uses, "The Sacred Herb". Always demand Dr. Shoop's Cough Cure. Sold by W. A. Capt. Wallace's Meeting.

Speeches by Mr. Gamey, M.L.A. Hon. G. E. Foster, and the candidate.

The Masonic Hall was packed Monday evening when a meeting was held in support of Capt. T. G. Wallace, the Conservative candidate in the Centre York election. The chair was filled by Mr. J. H. Sanderson, and the speakers of the evening were Capt. Wallace, R. R. Gamey of Manitoulin and Hon. Mr. Foster. The stage was neatly decorated with flags, a picture of King Edward, etc.

After singing the National Anthem Capt. Wallace was the first to speak. He briefly stated the cause of the election, which was owing to the late member Mr. Arch. Campbell, getting a seat in the Senate. The Laurier Government should be dismissed because they had broken all their promises made before they were elected to power in 1896. They promised that if returned they would abolish the Senate. But had they done so? No, but they had made Mr. Campbell a senator. They made provincial rights part of their platform, but they afterwards passed the Autonomy Bill in the North-West. He said that disgraceful scandals had taken place at Ottawa, and these he would endeavour to rectify if he were elected a member of Parliament. He believed in Public Ownership and the platform laid down by Hon. Mr. Borden, the leader of the opposition, and asked for the support of the electors on the 23rd of December.

Mr. R. R. Gamey, M. L. A. was the next to address the meeting. He said he was pleased to be in the riding to assist his friend, Capt. Wallace, a young man who should make an excellent representative.

The Liberal party had given pledges previous to 1896, which they had not carried out. He had no doubt Sir Wilfred Laurier intended fulfilling those pledges, but he found out he could not do so. The Liberals claimed when in opposition that the general expenditure of the country was too high, but when they got into power they spent far more than did the Conservatives. He would expect the expenditure to increase, but allowing for the needs and growth of the population the expenditure was far too great. They didn't abolish the senate though they said they would. The Whitney Government made pledges and had carried them out. The Ross Government had made pulp concessions to their friends, but the Whitney Government advertised for tenders and saved thousands of dollars. The Dominion Government had fitted out an ice boat on the River St. Lawrence in an extravagant manner paying over \$60 for milk jugs. They were equally extravagant in cream jugs, champagne glasses, soup plates and ice pitchers. Somebody had made enormous profits, and he had no doubt some of this money was passed back to the Government to be used in election campaigns. The Laurier Government was a corporation Government. Some of the ministers should be turned out for not behaving themselves. They divided the lands among grafters and made men like Hon. Clifford Sifton rich. He appealed to those present to vote for Capt. Wallace.

Hon. G. E. Foster.

Hon. Mr. Foster complimented the previous speakers on their addresses. Mr. Gamey he had heard for the first time. He was pleased to see so many ladies and young men present. The election was brought on because Mr. Campbell was not given a seat in the cabinet. If Dr. McLean is elected it will be an indication that you approve of the acts of the Laurier Government. The Government received a blow last week in losing Colchester, N.S. It was necessary to have a strong opposition. Mr. Foster next drew a picture to represent the Canadian farmer tied down with ropes and chains in the form of high taxation. The Liberals had broken all their pledges made in 1893, and promised either to end or mend the senate. They had done neither but were filling the vacancies with their friends, some of whom were octogenarians. The Liberals boasted of a large surplus every year, but how did they get it? By taxing the people. The taxes came out of your pockets.

In conclusion Mr. Foster asked for a hearty support of Capt. Wallace, the representative of a party that would give clean, honest government. Canada is in a good position. Give us a lift next Monday and help Canada by helping Capt. Wallace.

The meeting closed with the usual cheers.

SECRETARY-TREASURER.

IMPORTANT TO AMATEURS.

Amateur night will be observed each Friday night at the Gayety Theatre, Toronto, at the conclusion of the regular performance. Amateurs from all over Canada are invited to show what they can do on the stage of the handsome Toronto playhouse. The establishment of a National Theatre, where American talent shall provide the entertainment in all its branches, has long been the aim of the Columbia Amusement Company, with whom the Gayety is associated, which promises that amateur performers will be given an opportunity to be seen by the public, and by the theatrical managers looking for clever acts. It goes a step further and agrees to book for its own extensive circuit the acts which to the judgment of the resident manager appear good enough for professional engagement. The advantage of this liberal offer cannot fail to appeal to those who have dramatic aspirations. It may be the means of opening the door to a theatrical career. A chance to be seen in the obstacle which amateurs find so difficult to overcome; at the Gayety Theatre this stumbling block will be removed each Friday night. Fame on the stage is often made in a single night; the strength of a sketch, monologue, acrobatic or musical act cannot be determined until seen. Amateurs this is your chance. Cash prizes amounting to \$15 will be awarded the contestants so that those who really have talent will be reimbursed for any expense that they may have incurred in presenting their act. The Columbia Amusement Company, under whose management the Gayety Theatre is conducted, operates forty theatres and forty road companies and its influence is powerful and the scope of its operations extensive.

Amateurs desiring to appear are requested to send their name and address to Thos. R. Henry, Manager, Gayety Theatre, Toronto, Ont., and they will be notified upon what date they can appear.

A CHRISTMAS GREETING.

"At Christmas tide the open hand Scatters its bonny o'er sea and land."

Public attention will naturally be arrested on opening the pages of the magnificent Christmas number just issued by the Farmer's Advocate and Home Magazine, of London, Ont., with the article on "Electrical Development in Ontario" by Prof. W. H. Day, of the Ontario Agricultural College, who has given an exhaustive and illuminating study of this vital subject which concerns farmers as well as captains of industry in the towns. Besides this there are articles on the National Live-Stock Records, by Jas. B. Spencer, B. S. A.; the English Dairy Shorthorn, by Prof. H. S. Arkell, B. S. A.; the course of trade in Canadian dairy products, by Geo. H. Barr; the reviews of Canadian live-stock and farm industries; Maritime types, by A. E. Burke; the beautification of rural homes and highways, by J. R. L. Foster; and the official report and awards in the split-log drag competition, for which (early in the year) two sets of cash prizes were offered by the Farmer's Advocate. The supervision of this unique contest was assumed by the Public Works Department of Ontario. W. A. McLean, C. E., of the Highways Branch, writes a comprehensive report, including the awards of the competition, which will give the cause of road improvement a tremendous impetus. There are masterly articles on every branch of agriculture, from fast horses and fruit transportation to a "taking" poem by "The Khan."

The illustrations of this issue are reproductions from the actual photographs, the reality of which a discerning public will appreciate. To be thoroughly appreciated, we advise our readers to secure and carefully read this splendid holiday number which goes complimentary to all its subscribers, or may be obtained at 25 cts., per copy.

THE HOME JOURNAL.

This publication has made great strides under the new management. The December number consists of thirty-six pages of bright, interesting matter, copiously illustrated. The special features of this issue, which is a Holiday Number, are "Messages from the Churches," illustrated by portraits of the leaders of the evangelical denominations, and "Messages from Women," with portraits of leading Canadian women workers. A reproduction of "Eventide," J. W. L. Forster's latest painting, is well worth framing. Judge Routhier gives a history of the writing of the Chant National and this is accompanied by a new arrangement of Lavallee's piece by Mr. Edward Broome, of the Toronto Conservatory. An illustrated article describes the production of the "staff of life" in an up-to-date bread factory. Two original short stories, one by Theodore Roberts and another by S. Davidson, another Canadian writer, are in addition to the other fiction. The other departments of the Journal are full, as usual, of crisp, interesting, practical pointers for the home. The moral tone of the paper is such as should exercise a wholesome influence wherever it goes. It is issued by the Canadian Women's Magazine Publishing Co., Limited, 59 John Street, Toronto.
