MAKE IT YOURSELF.

There is so much Rheumatism here in our neighborhood now that the following advice by an eminent authority, who writes for readers of a large eastern daily paper, will be highly appreciated by those who suffer:

Get from any good pharmacy one-half ounce Fluid Extract of Dandelion, one ounce Compound Syrup Sarsaparilla. Shake these well in a bottle and take in teaspoonful doses after each meal and at bedtime; also drink plenty of good water.

It is claimed that there are few victims of this dread and torturous disease who will fail to find ready relief in this simple home-made mixture, and in most cases a permanent cure is the result.

This simple remedy is said to strengthen and cleanse the eliminative tissues of the Kidneys so that they can filter and strain from the blood and system the poisons, acids and waste matter, which cause not only Rheumatism, but numerous other diseases. Every man or woman here who feels that their kidneys are not healthy and active, or who suffers from any urinary trouble whatever, should not hesitate to make up this mixture, as it is certain to do much good, and may save you from much misery and suffering after awhile.

Our home druggists say they will either supply the ingredients or mix the prescription ready to take if our readers ask them.

Centre York Returns

Dr. McLean's Majority 23

The Returning Officer, Mr. R. Mason of Markham, will not make his official return until Saturday. He told THE LIBERAL, however, over the phone, that reports from every polling subdivision were in, and that the majority is 23. Although the majority is not large the Liberals have good reason to be well satisfied with the result of the vote. Everything considered, Dr. McLean made an excellent run. He received the nomination less than a month before the election, while his opponent, Capt. Wallace, had been canvassing the riding for several months. The following are the results by sub-divisions, but the figures are not strictly correct:—

The Christmas Tree entertainment in connection with St. Andrew's Sabbath School last Friday evening was a success. The proceeds amounted to \$17.

The Sabbath School entertainment at Hope was well attended. A good programme was given, and a collection taken of \$17.20.

Mr. C. Monkman is spending his holidays at Castleberg. Last Friday his pupils presented him with a beautiful shaving set.

Rev. W. G. and Mrs. Back of Eglinton, spent last Friday night with friends in the village.

Rev. Jos. E. Wilson of Mimico was in the village on Monday and called on a number of friends.

In spite of the inclement weather of Monday a good vote was polled here, giving Dr. McLean a majority of 19.

MARKHAM TOWNSHIP COUNCIL.

Council met at Unionville on the 16th inst, with all the members present, and Reeves Slater in the chair.

Communications received:—
From W. G. E. Royal, Hamilton, re-good roads machinery.

From Ontario Motor League Co., with cheques for \$100. 2nd prize awarded Markham Township for mile of road built, also cheque \$25 to be presented to Mr. Jonas Ramer, the overseer under whose supervision the road was built.

From Dr. W. Robertson, with account as acting Medical Health Officer during time of outbreak of scarlet fever last winter.

A large number of gravel and general accounts were ordered to be paid.

ORANGE VALLEY.

Election day was lively in this place. Grits and Tories worked like Trojans all day, and scarcely a man over 21 years of age was left at home to carry in a pail of water or a stick of wood. We read in the good book that "A righteous man regardeth the life of his beast." The proverb is true but apparently that man Sliney is an exception on election day. From morning till night his old nags could be seen climbing the hills of Honey-pot and sliding down on the opposite side. He must have been at work early as we learn that he took one man out of bed to record his vote. However, "All is well that ends well."

STRANGE.

Anniversary services will be held in St. Andrew's church here on Sunday Dec. 29th. Rev. Dr. Gray of Toronto will conduct the services at 11 a. m. and 7 p. m.

A Square Deal

Is assured you when you buy Dr. Pierce's family medicines—for all the ingredients entering into them are printed on the bottle-wrappers and their formulas are attested under oath as being complete and correct. You know just what you are paying for and that the ingredients are gathered from Nature's laboratory, being selected from the most valuable native medicinal roots found growing in our American forests and while potent to cure are perfectly harmless even to the most delicate women and children. Not a drop of alcohol enters into their composition. A much better agent is used both for extracting and preserving the medicinal principles used in them, viz.—pure trible-refined glycerine. This agent possesses intrinsic medicinal properties of its own, being a most valuable antiseptic and antiferment, nutritive and soothing demulcent.

Glycerine plays an important part in Dr. Pierce's Golden Medical Discovery in the cure of indigestion, dyspepsia and weak stomach, attended by sour risings, heart-burn, foul breath, coated tongue, poor appetite, gnawing feeling in stomach, biliousness and kindred derangements of the stomach, liver and bowels.

Besides curing all the above distressing ailments, the "Golden Medical Discovery" is a specific for all diseases of the mucous membranes, as catarrh, whether of the nasal passages or of the stomach, bowels or pelvic organs. Even in its ulcerative stages it will yield to this sovereign remedy if its use be persevered in. In Chronic Catarrh of the Nasal passages, it is well, while taking the "Golden Medical Discovery" for the necessary constitutional treatment, to cleanse the passages freely two or three times a day with Dr. Sage's Catarrh Remedy. This thorough course of treatment generally cures the worst cases.

In coughs and hoarseness caused by bronchial, throat and lung affections, except consumption in its advanced stages, the "Golden Medical Discovery" is a most efficient remedy, especially in those obstinate, hang-on coughs caused by irritation and congestion of the bronchial mucous membranes. The "Discovery" is not so good for acute coughs arising from sudden colds, nor must it be expected to cure consumption in its advanced stages—no medicine will do that—but for all the obstinate, chronic coughs, which, if neglected, or badly treated, lead up to consumption, it is the best medicine that can be taken.
