### VILLAGE NOMINATIONS.

The Lorne Hall was well filled Monday evening when nominations were taken by the village clerk for reeve, four councillors, and three Public school trustees.  
The following are the nominations with the movers and seconders:—

#### For Reeve.

W. H. Pugsley, by J. S. Innes and F. McConaghy.  
H. A. Nicholls, by Isaac Crosby and Thos. Trench.

#### For Councillors.

John Palmer, by J. H. Brydon and F. Lynett.  
John Henry Sanderson, by Isaac Crosby and Wm. Harrison.  
David Sloan, by S. M. Brown and Thos. Hopper.  
Edward Barker, by J. H. Sanderson and Isaac Crosby.  
Thomas Henry Trench, by A. G. Savage and Geo. Cowie.  
Herbert Henry Hopper, by D. Hill and F. E. Sims.  
John Brydon, by Geo. Cowie and F. N. Hopper.

#### For School Trustees.

Geo. Redditt, by Isaac Crosby and John Bestard.  
David Hill, by H. A. Nicholls and J. H. Brydon.  
Geo. Cowie, by A. G. Savage and John Palmer.  
The three trustees were declared elected by acclamation.  
Shortly after 8.30 Mr. A. J. Hume, village clerk, was elected chairman, and the speaking commenced.

Mr. Pugsley was the first to address the electors. He thanked the electors for past patronage, and in coming again for the position of reeve, he wished to be judged by the work in the village during the past year, as well as his record in the County Council. This year's council has made a good road to the station, they have improved the fire protection by putting in a number of cement tanks which are filled with water. He had hopes that before long we would have electric light by Niagara power, and believed that we would soon be supplied with water from the wells at Lemonville.

Mr. Nicholls, who followed, stated that \$1,350 had been spent this year on Centre street, the work having been started by last year's council. The rink was a paying institution, having netted last winter \$141.55. The expenditure this year under the control of the council was \$2,346, and we have on hand a balance of \$500. He had spoken to several firms relative to industries here, but they all said we must first get electric light and a better water supply. He dropped out of the reeve-ship contest last year on the assurance of Mr. Pugsley that the latter wanted the position for one year only.

Mr. Nicholls said he was ambitious, and always wanted to get to the top of the ladder. He had served the village two years as councillor and thought that was long enough before aspiring to the office of reeve. Years ago the position had to seek the man, but in this progressive age the man must seek the position. His own interests were the village's interests, and if elected he would do his best for the people.  
Mr. Pugsley in reply said he did not look upon this election as one of promotion, but as a business matter. It was for the electors to say whether he or Mr. Nicholls could best serve them. As to any promise made last year, he did not go to Mr. Nicholls but the latter came to him and offered his support.

Mr. Palmer thought that a change was needed in the Council as the people's money is being squandered. He concluded with a personal attack on Mr. J. H. Sanderson.

Mr. Sloan said if elected he would work for the interest of the village.

Mr. Barker said he worked on the streets during the past summer because they could not get men to do the work. To this some of the rate-payers objected. The audience was evidently well satisfied with Mr. Barker's explanation.

Mr. Trench would be pleased to serve as councillor during the year 1908, and would work for the village. He did not believe that the council of 1907 had squandered money.

Mr. Hopper was not present when his name was called.

Mr. Sanderson said he had worked with spade and shovel on the streets instead of ordering other people to do the work. He had also given much time in the rink gratis, and was always anxious to help the village along. He had always thought Mr. Palmer a gentleman and would not reply to his personal remarks.

Mr. Brydon thought that more work should be done on Yonge street and on the back streets. He had sat in the council with Mr. Palmer and considered that the latter made a good councillor.

Mr. Redditt was not present, but Mr. Hill and Mr. Cowie made neat speeches expressing their thanks for the honor conferred on them school trustees.

### VAUGHAN NOMINATIONS.

A Nomination meeting for the nomination of reeve, deputy-reeve and three councillors for the Township of Vaughan was held at the Township Hall, Vellore, on Monday. The Hall was crowded and much interest was manifested in municipal matters. The following nominations were made:—

For reeve—Isaac Devins, re-elected.  
deputy-reeve—D. C. Longhouse, re-elected.

For councillors—J. A. Catheron, Jacob Williams, William Kiniee, J. Scott McNair, Wm. Thomas, Robert Jutes, Alfred Lahmer, Noah Hoiles, P. Bassingwaite.

The following handed in their resignations to the returning officer:—W. Kinier, R. Jones.

At the after-meeting Mr. J. B. McLean was elected chairman. He called on the candidates nominated, the members of the present council being the first to address the electors. Reeve Devins and the other candidates explained their views on such matters as the Metropolitan Railway, building bridge over the Humber, putting on gravel and other live questions. The audience was good humored, and many pertinent questions were asked the old members of the Council as well as the new aspirants.

The following names will appear on the ballot papers for the position of councillor's next Monday: J. Scott McNair, Jas. S. Cameron, Jacob Williams, Alfred Lahmer, Wm. Thomas.

#### Maple.

Special services will begin in the Methodist church next Sunday. The pastors will be assisted by Rev. W. A. Rodwell, evangelist, for the next two weeks.

Mr. T. H. Keys has been appointed Master of the Masonic Lodge. In honour of the event Mr. and Mrs. Keys entertained a large number of the members and their wives to a supper at their home last Friday night.

Mr. J. B. McLean has been appointed school trustee in place of Mr. J. G. Constable who has held the position for nine years.

Large congregations were present at the anniversary services at Hope on Sunday. Sermons were preached by Rev. A. P. Brace, and the choir was ably assisted by Mr. and Mrs. H. Reynolds, and Miss Lelia Reynolds of Aurora, and Mr. H. Galloway of Toronto. A free-will offering was taken at each service.

We are sorry to state that Mr. W. Knight is seriously ill.

Christmas was spent quietly here. Quite a large number of visitors spent the day in the village.

#### SHAKE IN A BOTTLE.

Now is the time when the doctor gets busy, and the patent medicine manufacturers reap the harvest, unless great care is taken to dress warmly and keep the feet dry. This is the advice of an old eminent authority, who says that Rheumatism and Kidney trouble weather is here, and also tells what to do in case of an attack.

Get from any good prescription pharmacy one-half ounce Fluid Extract Dandelion, one ounce Compound Kagon, three ounces Compound Syrup Sarsaparilla. Mix by shaking in a bottle and take a teaspoonful after meals and at bedtime.

Just try this simple home-made mixture at the first sign of Rheumatism, or if your back aches or you feel that the kidneys are not acting just right. This is said to be a splendid kidney regulator, and almost certain remedy for all forms of Rheumatism, which is caused by uric acid in the blood, which the kidneys fail to filter out. Any one can easily prepare this at home and at small cost.

Druggists in this town and vicinity, when shown the prescription, stated that they can either supply these ingredients, or, if our readers prefer, they will compound the mixture for them.

A tickling cough, from any cause, is quickly stopped by Dr. Shoop's Cough Cure. And it is so thoroughly harmless and safe, that Dr. Shoop tells mothers everywhere to give it without hesitation, even to very young babes. The wholesome green leaves and tender stems of a lung-healing mountain shrub, furnish the curative properties to Dr. Shoop's Cough Cure. It calms the cough, and heals the sore and sensitive bronchial membranes. No opium, no chloroform, nothing harsh used to injure or suppress. Slightly a resinous plant extract, that helps to heal aching lungs. The Spaniards call this shrub which the Doctor uses, "The Sacred Herb". Always demand Dr. Shoop's Cough Cure. Sold by W. A. Sanderson.

Now is the accepted time to buy overcoats. We offer slaughter prices on fur-lined and other overcoats. Atkinson & Switzer.

### Verdict for Dr. Pierce

AGAINST THE  
Ladies' Home Journal.

Sending truth after a lie. It is an old maxim that "a lie will travel seven leagues while truth is getting its boots on," and no doubt hundreds of thousands of good people read the unwarranted and malicious attack upon Dr. R. V. Pierce and his "Favorite Prescription" published in the May (1904) number of the Ladies' Home Journal, with its great black display headings, who never saw the humble, groveling retraction, with its inconspicuous heading, published two months later. It was boldly charged in the slanderous and libelous article that Dr. Pierce's Favorite Prescription, for the cure of woman's weaknesses and ailments, contained alcohol and other harmful ingredients. Dr. Pierce promptly brought suit against the publishers of the Ladies' Home Journal, for \$200,000.00 damages.

Dr. Pierce alleged that Mr. Bok, the editor, maliciously published the article containing such false and defamatory matter with the intent of injuring his business; furthermore, that no alcohol, or other curious, or habit-forming, drugs are, or ever were, contained in his "Favorite Prescription"; that said medicine is made from native medicinal roots and contains no harmful ingredients whatsoever; and that Mr. Bok's malicious statements were wholly and absolutely false.

The retraction printed by said Journal they were forced to acknowledge that they had obtained analyses of "Favorite Prescription" from eminent chemists, all of whom certified that it did not contain alcohol or any of the alleged harmful drugs!

These facts were also proven in the trial of the action in the Supreme Court. But the business of Dr. Pierce was greatly injured by the publication of the libelous article with its great display headings, while hundreds of thousands who read the wickedly defamatory article never saw the humble groveling retraction, set in small type and made as inconspicuous as possible. The matter was, however brought before a jury in the Supreme Court of New York State which promptly rendered a verdict in the Doctor's favor. Thus his traducers came to grief and their base slanders were refuted.
