## GORMLEY GLEANINGS.

A quiet wedding took place here on Christmas day at the residence of Mr. Joseph Farmer, when his eldest daughter, Maggie, was united in matrimony to Mr. Asa Heise of Regina, Sask. Rev. Thos. Doner performed the ceremony in the presence of immediate relatives and a few invited guests. Mr. Heise is the eldest son of Abram Heise of Gormley, and holds a good position with a large lumber firm in Regina. They left for their new home on New Year's Day.  
 Mr. James Bowman and bride, of near Stayner, Ont., are on their wedding tour visiting relatives and friends in this vicinity, and attended church here on Sunday last.  
 Mr. P. W. Stover and wife, of Gormley have returned from an extended visit to friends in Michigan.  
 The station at "West Gormley" presents a busy scene when the morning train pulls in. About sixty cans of lactical fluid are rapidly hustled on board by the energetic farmers of this locality. The elevator at this place is a marvel of its kind. From the cupola, which is reached by a fire-escape staircase on the outside, a grand view may be obtained of the whole township of Markham.

## ALL GOOD THINGS

must win upon their merits. The International Dictionary has won a greater distinction upon its merits and is in more general use than any other work of its kind in the English language.

A. H. Sayce, LL.D., D.D., of Oxford University, England, has recently said of it: "It is indeed a marvelous work; it is difficult to conceive of a dictionary more exhaustive and complete. Everything is in it—not only what we might expect to find in such a work, but also what few of us would ever have thought of looking for. A supplement to the new edition has brought it fully up to date. I have been looking through the latter with a feeling of astonishment at its completeness, and the amount of labor that has been put into it."

## AN OPEN LETTER

From W. J. Gage, Esq., Toronto

### A Problem of National Importance

Dear Friend:—

A bright young lawyer at the Muskoka Sanatorium for Consumptives some weeks ago, speaking of the burden placed upon him by having consumption, said:

"One has to lead a life of concealment. If I go away from this place people are afraid of me."

This is the sad lot of those who suffer from this dread disease.

On behalf of the thousands who are sick and will not be received by other hospitals, I make this appeal for the Muskoka Free Hospital for Consumptives.

Nearly 19,000 people from every part of Canada aided in this good work last year, sending us \$26,000.

The Trustees have faith that a still larger number will help.

The Physician's offices, throat rooms, etc., up to the present have occupied rooms in the hospital that rightly belong to patients.

To make better provision for the work, and furnish more accommodation, a new administration building is now under way. A cottage for the Physician and his young wife had also to be built.

To provide for this outlay, and to care for patients for the coming year, we must secure at least \$50,000.

The Muskoka Free Hospital for Consumptives never refused a patient because of his or her inability to pay. It cares for those whom other hospitals refuse. It cares for those whom other people are afraid of.

"I was sick and ye visited me," was Christ's commendation. Should not a richer benediction be yours if from a loving heart your dollar makes a golden visit to this hospital, bringing health and joy to those whom other people fear, and whom, in many cases, nobody wants.

Will you have the luxury of giving?

Faithfully yours,

Toronto, 1907.

*W. J. Gage*
