J. Lapin of the firm of Crawford & Lippin, electrical engineers. Mr. Lippin is married to an estimable young lady, formerly of Richmond Hill.

LIQUOR SEIZED.

We understand that Provincial Inspector Ayerst who was in the village a few days ago seized a quantity of liquor at the Palmer House. The liquor was tested by an expert and was found to contain considerably more alcohol than is allowed in local option districts. The proprietor stated that it was sold to him as liquor that could legally be sold where local option is in force. The liquor was shipped back to the firm whence it came and the proprietor cautioned to be more careful in future.

When the Stomach, Heart, or Kidney nerves get weak, then these organs always fall. Don't drug the Stomach, nor stimulate the Heart or Kidneys. That is simply a makeshift. Get a prescription known to Druggists everywhere as Dr. Shoop's Restorative. The Restorative is prepared expressly for these weak inside nerves. Strengthen these nerves, build them up with Dr. Shoop's Restorative—tablets or liquid—and see how quickly help will come. Free sample test sent on request by Dr. Shoop, Racine, Wis. Your health is surely worth this simple test. Sold by W. A. Sanderson.

HOTELKEEPERS FINED.

Hotelkeepers Gobeil and Finn of Kleinburg were charged by Inspector Mackenzie of West York and Provincial Inspector Ayerst with selling and keeping for sale a liquor known as native wine, in one case exceeding 15 and the other 22 per cent proof spirits. The case came up here last Saturday before magistrates J. H. Sanderson of this place and John Henderson of Wychwood. Both men pleaded guilty to the charge, and each was fined \$50 and \$20 on each charge together with costs.

CARD OF THANKS.

With only my head above the drift I desire most heartily to thank those members of the Old Brigade who so manfully stuck to their guns last Monday. There were others who upon hearing the noise of battle turned tail and joined the ranks of the enemy, otherwise the Waterloo would not have been so decisive. I also am very grateful to those ladies who used their vote and influence in my favour, and am only sorry on their account that my cause was not successful. However the day will surely come when I shall have the pleasure of leading them to victory. Your obedient servant,

H. A. NICHOLLS.

A tickling cough, from any cause, is quickly stopped by Dr. Shoop's Cough Cure. And it is so thoroughly harmless and safe, that Dr. Shoop tells mothers everywhere to give it without hesitation, even to very young babes. The wholesome green leaves and tender stems of a lung-healing mountainous shrub, furnish the curative properties to Dr. Shoop's Cough Cure. It calms the cough, and heals the sore and sensitive bronchial membranes. No opium, no chloroform, nothing harsh used to injure or suppress. Simply a resinous plant extract, that helps to heal aching lungs. The Spaniards call this shrub which the Doctor uses, "The Sacred Herb". Always demand Dr. Shoop's Cough Cure. Sold by W. A. Sanderson.

MALCOLM ALLEN'S DEATH.

It is with deep regret we record this week the death of Malcolm Allen, eldest son of Mr. and Mrs. G. F. Allen, in his 13th year, the result of blood-poisoning, followed by heart failure. Although only living in this village for a short time deceased had made many friends by his bright, amiable disposition, and his happy smile and cheery voice will be sadly missed not only by his young friends but by those of mature years who admired his friendly, manly ways. The funeral took place Monday afternoon from the residence to the village cemetery and was very large. A short but impressive service was conducted at the house by the pastor, Rev. A. P. Braze. Many beautiful floral tributes were laid on the casket by the Junior Epworth League, the Senior Department of the Public School, the W. C. T. U., and several friends from a distance. We are sure that the citizens of this place and vicinity extend their heartfelt sympathy to the parents in this very sad bereavement.

SONS OF TEMPERANCE.

The Executive of the Grand Division of the Sons of Temperance met in the village yesterday and planned the work of the order for the present year. In the evening a public meeting was held in the Temperance Hall when a number of encouraging addresses were given. Mr. Ward, Toronto, made an excellent chairman, and spoke of the progress of the work along the lines of total abstinence. Mrs. Switzer on behalf of the W. C. T. U., extended words of welcome to the visitors, and Miss Caswell, a member of the executive responded, expressing appreciation of the kindly greeting. Able addresses were afterwards given by Mr. J. M. Walton, Grand Scribe; J. O. McCarthy, P. G. W. P.; and Rev. A. P. Braze, the present Grand Worthy Patriarch. Mr. Wm. Harrison a member of the Order for 55 years, also made some encouraging remarks. Everything goes to show that total abstinence is the passport to success and prosperity. Appropriate music was furnished by Mr. Sanderson, Mr. Braze, Mr. Hume, Mrs. Switzer, and Mrs. Hume. Before closing, a vote of thanks was tendered the visiting speakers on motion of Messrs. Sanderson and Harrison.
