### A NEWSPAPER CASE.

A case of some interest, especially to newspaper men, was tried in the Division Court, at Toronto Junction, before His Honor, Judge Morgan, last Friday. The publisher of THE LIBERAL sued W. B. Gram of Weston for several years' subscription for a newspaper. The plaintiff claimed he had sent the paper in good faith and that he had never been notified to discontinue it. The postmaster at Weston was summoned as a witness to prove that some member of the defendant's family had taken the paper from the office regularly, and that he had never been requested to return a copy to the publisher. The defendant claimed that he had verbally told the publisher several years ago to discontinue the paper, and that he (himself) had not taken the paper from the office. Judgment and costs for plaintiff.

When the Stomach, Heart, or Kidney nerves get weak, then these organs always fail. Don't drug the Stomach, nor stimulate the Heart or Kidneys. That is simply a makeshift. Get a prescription known to Druggists everywhere as Dr. Shoop's Restorative. The Restorative is prepared expressly for these weak inside nerves. Strengthen these nerves, build them up with Dr. Shoop's Restorative—tablets or liquid—and see how quickly help will come. Free sample test sent on request by Dr. Shoop, Racine, Wis. Your health is surely worth this simple test. Sold by W. A. Sanderson.

### PLOWMEN'S BANQUET.

"Better than ever" was a common remark in reference to the annual banquet of King and Vaughan Plowmen's Association held in Lloyd's Hall, King City, last Thursday evening. The number of guests was very large, 232 tickets being taken at the door of the banquetting hall. The entertainment pleased everybody, and the proprietor of the hotel, who was caterer for the occasion, was congratulated on every hand for the excellent spread, and for the able manner in which the large crowd was handled. Before starting the entertainment President J. A. Cameron, who made an efficient chairman, called on the secretary, Mr. J. T. Saigeon, who made a statement showing that after paying all prizes and providing for the oyster supper the association still has a neat balance for the next plowing match. Mr. Harry Bennett was at his best in the programme, and other musical numbers were ably given by Miss Myrtle Saigeon, Mr. E. Brown, Mr. Weir, Mr. Sanderson, Messrs. McIntyre, Lloyd, Malley, and others. During the evening short addresses were given by Messrs. F. Underhill and J. M. Walton of Aurora, G. L. Stewart, and T. F. McMahon.

The Editor of the Canadian Poultry Review, the people's popular poultry paper, tells us that this paper has been greatly enlarged and is filled with all that pertains to poultry, both from a practical and a fancy standpoint. Prof. A. G. Gilbert, Manager, Dominion Government Poultry Farm, Ottawa, is still in charge of the Practical Poultry Department, while Prof. W. R. Graham, Manager of the Poultry Department of the Ontario Agricultural College, Guelph, has charge of the Artificial Incubation and Brooding Department. Rev. J. N. Williams, one of England's most noted experts, writes interestingly each month on poultry doing in the Old Land. Mr. H. S. Babcock, Providence, R. I., is another prominent writer and breeder on this paper's regular staff. Each phase of poultry breeding, poultry exhibiting, etc., is fully covered and the pages of the Review are replete with half tone reproductions from life, of famous birds, plans of up-to-date houses, utensils, etc.

The subscription rate is 50 cents per year, but readers of this paper can have it at three years for \$1.00, and sample will be sent free on application to Canadian Poultry Review, 184 Adelaide Street, West, Toronto, Ont.
