

# Why I Recommend Dr. Williams' Pink Pills.

The Particulars of a Remarkable Cure Told by a Presbyterian Clergyman--The Sufferer Brought Back from Death's Door.

St. Andrews Manse, Cardigan, P.E.I., Jan. 1908.

Though I have never been sick myself, and have not had occasion to use Dr. Williams' Pink Pills, I thought you ought to know of the remarkable cure they have wrought in Mr. Oldings' case.

During a visit to my home in Merigomish, N. S., some years ago, I was grieved to find our next door neighbor and friend, Michael Olding, very low. "He is not expected to live," my mother informed me. "And you must go over and see him as he is liable to pass away at any moment." "Not expected to live," that was the opinion not only of the doctor who attended him, but of his wife and family as well. Upon visiting him myself I found abundant evidence to confirm their opinion.

Mr. Olding had for years been afflicted with asthma and bronchitis, but now a complication of diseases was ravaging his system. He had been confined to his bed for months and was reduced to a skeleton. Though evidently glad to see me, he conversed with the greatest difficulty, and seemed to realize that it was the beginning of the end. He was daily growing weaker; his feet were swollen to twice their natural size, and the cold hand of death was upon his brow. "It's no use," he said feebly; "the doctors' medicine is not helping me and I am going down rapidly." I prayed with him as for a man soon to pass into eternity, and when I took his hand in parting it was the last time I expected to see him in the flesh.

Three years later while on another visit to my mother's Michael Olding was seemingly in better health than I

had ever seen him, for, as I said, he had always been ailing. In sheer desperation he had asked his wife to get him Dr. Williams' Pink Pills. They soon began to help him. His appetite and strength began to improve, and to the astonishment of the family and friends he rapidly regained his health. Now, though the burden of well nigh four score years is upon him, he is able to do a fair day's work, and is in the enjoyment of good health, even the asthma has ceased to trouble him as in former years.

Mr. Olding himself, as well as his neighbors and the writer of this letter, confidently believe that his rescue from the very jaws of death—seemingly so miraculous—is due under the blessing of God to the timely and continuous use of Dr. Williams' Pink Pills.

REV. EDWIN SMITH, M.A.

Mr. Olding himself writes:—"I am glad Rev. Mr. Smith has written you about my wonderful cure, for I confidently believe that if it had not been for Dr. Williams' Pink Pills I would have been dead long ago. It would be impossible to exaggerate the desperate condition I was in when I began to use the Pills. No one thought I could get better. I scarcely dared hope myself that Dr. Williams' Pink Pills would bring me through, but they did and I have ever since enjoyed good health. Though I am seventy-nine years old people are always remarking on how young I look—and I feel young. I can do a fair day's work, and I am better in every way than I had been for years. I cannot say too much in praise of Dr. Williams' Pink Pills and I take every opportunity I can to recommend them to friends who are ailing."

"I suppose old Cashman has more money than he knows what to do with?" "Yes; but his wife and daughters are ready to supply the needed information."

## THE MONKEYS MUTINIED.

Four Hundred Took Possession of Steamship Braunfels.

Four hundred drunken monkeys, staggering about the decks of the British steamer Braunfels, which arrived at Philadelphia recently from Calcutta, served to banish ennui from the lives of the officers and crew on a dull Sunday at sea.

The condition of the animals was the result of a prank three days ago by Lizzie, a pet baboon, which has been aboard the Braunfels for two years. Evidently sympathizing with the lot of the several hundred members of her family, Lizzie, who had the freedom of the vessel, made her way between decks where the monkeys were confined, and liberated four hundred of the six hundred from the large cage.

They scampered about the decks of the vessel, chattering wildly. For two days there was no rest among the officers or crew. Parties of the monkeys, led chiefly by a crafty simian, known as the pigtail monkey, frequently rushed down on the decks, picked up a belaying pin or other handy object, and quickly climbed back up the rigging.

Then, when an officer or member of the crew walked across the decks, the animals would let fly their belaying pins or other missiles.

Nothing could be done to round up the mutinous animals. At last, as the ship was being towed up the river this morning the captain decided on heroic measures. He took a large quantity of molasses, mixed it with three quarts of brandy, and putting it in pans placed it about the decks.

All hands disappeared. Attracted by the sweet odor from the pans, the pig-tailed leader descended, followed by the others. Chattering and screeching, they devoured the brandy and molasses. Soon there were four hundred monkeys staggering. This ended the trouble, for just as soon as any showed signs of stupor the animals were picked up and placed in the cage. Lizzie is a prisoner, too.

"You say the victim was shot in the head?" queried the coroner. "Yes, sir," replied the witness. "Previous to the shooting, had there been any trouble or threats that would have led the victim to expect the shot?" "No, sir; I don't think such a thing ever entered his head before."

It is an Officer of the Law of Health.—When called in to attend a disturbance it searches out the hiding-place of pain, and like a guardian of the peace, lays hands upon it and says, "I arrest you." Resistance is useless, as the law of health imposes a sentence of perpetual banishment on pain, and Dr. Thomas' Electric Oil was originated to enforce that sentence.

## WISE PREACHER.

"Tommy, you have been to church two Sunday mornings in succession. That is doing splendidly—for you."

"Yes'm. Last Sunday the preacher was going to talk about Jonah an' the whale but he only talked about Jonah. Said he'd preach the rest of it to-day, and I had to go again to-day to hear about the whale."

RESIDENCE AND PHOTO OF J. E. CARSON, TORONTO, CAN.

Mr. J. E. Carson, 218 St. Clarens Ave., Toronto, Canada, Inspector London Life Insurance Co., London, Canada, writes: "I have used the popular remedy known as Pe-ru-na, and I can testify as to its merits. I regard it as one of the best tonics now on the market."

TORONTO is one of the most beautiful cities in the world. It is a city of homes and churches, a city of intelligence and good government, a city of healthful climate and beautiful scenery. Among the many beautiful homes which make up the city of Toronto, is the home of J. E. Carson, 218 St. Clarens Ave. In this home Peruna is revered as a family medicine. Peruna can boast of being a fixture in over a million such happy homes on this continent, where it is used for the petty ailments that afflict the family. Coughs and colds, catarrh of the head and throat, sore throat in various forms, disturbances of digestion, catarrh of the stomach, and other internal organs. These ailments, petty in themselves, are often the beginning of very serious diseases. A dose or two of Peruna taken in the beginning may quickly avert tedious if not fatal illnesses.

## Head Stopped Up.

Mr. G. W. Martin, Hartford, Ontario, choir leader at St. Paul's Episcopal Church, writes:

"I have been troubled with catarrh for a great many years, and always trying something for it, but was able only to secure temporary relief until I used Peruna. Only five bottles rid my system of all traces of catarrh, and I have not noticed the slightest trouble for several months. My head was stopped up, my breath offensive, and it is a relief to be able to breathe freely once more."

## Lungs and Bronchial Tubes.

Mr. J. C. Hervus Pelletier, Dept. de l'Agriculture, Ottawa, Ont., writes:

"The Peruna is particularly efficacious in the cure of catarrhal affections of the lungs and bronchial tubes. Six bottles cured me this winter of bronchitis. I am completely restored and I owe thanks to the Peruna. I have recommended this remedy to a large number of my friends afflicted with the same trouble, and they have verified my good opinion of this valuable remedy."
